## Summer School's Success Is Told

A success story regarding the summer school of the Orinda Union School District was reported to the board of trustees Monday night. The adjourned meeting began at 7:30 p.m. at Pine Grove School library.

Making reports were Everett McNicholas, assistant superintendent of instructional services; Donald Mahler, director of special classes; and Frank Isola, director of outdoor education school for the district.

OF THE 1395 who signed up for summer school, the enrollment dropped to 1295.

Total cost of the program was \$30,977. Cost to the district was \$5617.19 since \$25,359 came from state funds for average daily attendance, according to McNicholas, who was director of summer school, headed by Superintendent Joseph Sheaff.

McNicholas explained that 82 percent of the cost of the program was from state apportionment while 18 percent was borne by the district.

Teachers' salaries accounted for \$30,439 of the cost, with \$28,450 going to certified, and \$1989 to classified, personnel.

"SUMMER SCHOOL, as in the past, has been successful," said McNicholas. "However, we try to improve each year."

This year, as a pilot project, the district attempted a new system of a block program.

Teach teaching techniques were employed. In the block system, it was hoped that students would receive instruction in all subjects within the block with an awareness of their relationship.

McNicholas stated that he felt that in the primary grades (first and second), the system worked extremely well.

However, in the upper grades, the complexities of the programs offered had a tendency not to make it work as well, he said.

Mahler reported that the administrators have found they are going to have to expand the program for the "gifted child."

Through testing students over a two-year intensive program, Mahler stated that 271 students in grades four through eight meet the criteria which the state designates as "gifted."

HE REPORTS that this is approximately 20 per cent of the enrollment in those classes. There are 1856 students in these grades.)

A committee will be named to make a study of how to meet the needs of the gifted children. It will include teachers, administrators, trustees and parents.

Mahler pointed out that the district antedated the state's exploratory program to determine gifted kids. As early as six years ago, he and another

teacher, Peggy Rathert, began testing on a more limited basis.

McNicholas pointed out that the whole program of the district is geared to the academically talented child. Through the "cluster system," the range of any class is reduced without restricting it.

Frank Isola reported that 321, or 72 per cent, of the fifth graders in the district participated in the outdoor education program. Through June and July, the children went to Donner Ski Lodge for six-week intervals.

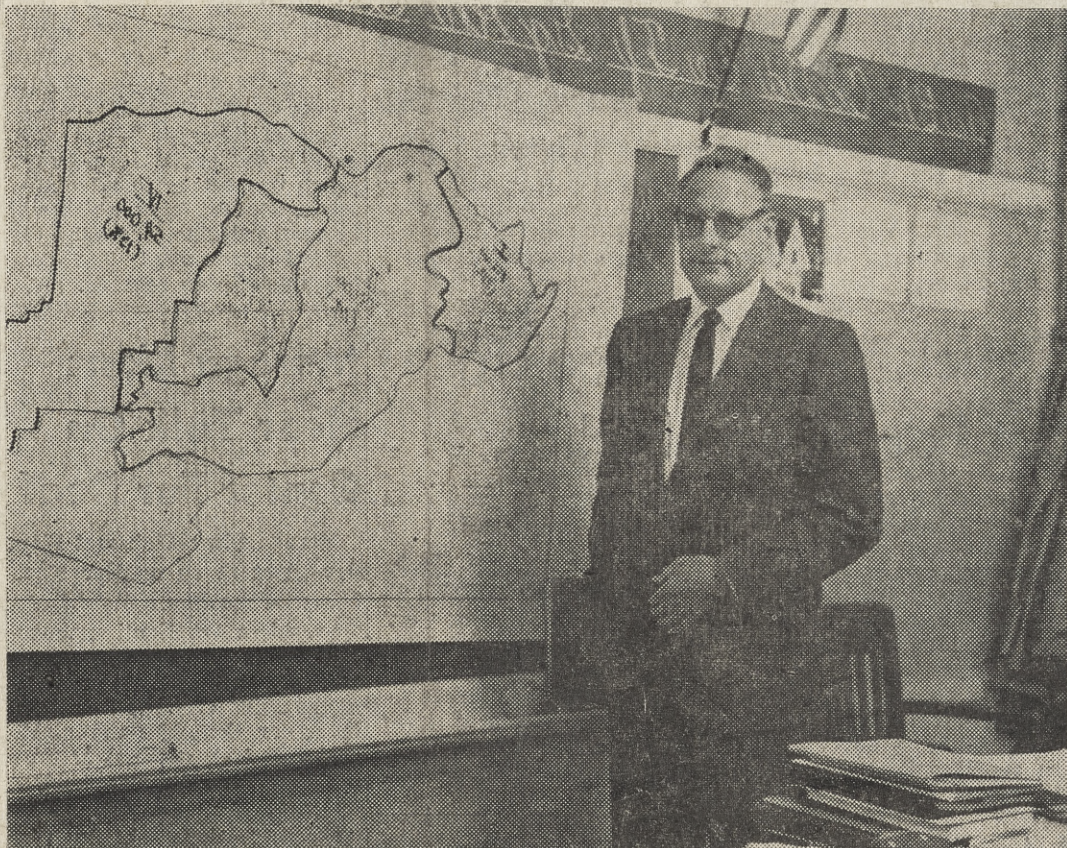

STUDENTS SPENT two and one-half hours a day in formal classroom studies Isola said. They enjoyed the cooperation of the U.S. Bureau of Forestry and U.S. Department of Beaches and Parks.

The groups went on hikes, studied formations, fauna and flora, went to lookouts, and studied the history of the Sierra.

ISOLA POINTED OUT that the Orinda district is the only one in the county to have this type of program. Thirteen regular members of personnel are employed in the program. Cost to the district is \$1200. Cost per student is \$20.

As in the past eight years, this year's program was extremely successful, said Isola.

## 'Outspoken' Nielsen Speaks

NIELSEN'S REDISTRICTING PLAN is shown to the audience Monday night by Supervisor Mel Nielsen. The meeting of the Civic Affairs Committee of the Orinda Association was held in Hal Ruby's classroom in Orinda School.

### Supervisor Addresses Orinda Civic Meeting

Supervisor Mel Nielsen, who has an office in Lafayette and a home in Orinda, spoke to some of his neighbors Monday night. Nielsen addressed an open meeting of the Orinda Association Civic Affairs Committee in a classroom at Orinda School at 8 p.m.

The audience of about 25 sat at students' desks to hear the supervisor from district 3 speak about everything from redistricting and zoning to water and septic tanks.

"We haven't had a serious zoning problem in Orinda

in years," Nielsen stated, asking for confirmation from Orinda Association President Harry Fledderman, who was in the audience. Fledderman agreed.

Nielsen traced the history of the Brookwood apartments, Orinda's first multiples, and a bone of contention with many residents. He stated that when the original developer came to him requesting rezoning, he sent him to the Orinda Association before the county board of supervisors and planners would take action.

The original developer sold out, and the finished product was not the same plan shown to county and association officials, Nielsen said.

FLEDDERMAN commented that the Brookwood experience had taught the association to be wary of not opposing permits for multiples in certain areas. He referred to the "high vacancy rate" of the apartments as proving that they weren't fulfilling their proposed purpose.

Nielsen stated that, Monday, developers Nielsen and Halverson had made a new presentation for development of 90 acres off Bear Creek Road, on the other side of El Toyonal.

He referred to the proposal as the "newest problem" in zoning and had turned it down "without a field trip." His objection was high density zoning and access difficulty.

"FROM WHAT I've seen to-day, I am sure I would oppose it," said Nielsen. "However, if it comes up again we'd have to reconsider."

Regarding Duffel-Smoot's recently county-approved request for a medical-professional building on Camino Encinas, Nielsen stated that he was sure the people in the adjacent area would be satisfied when they see what will be done.

Local doctors had been in on the planning of the six medical suites, he added.

NIELSEN praised County Administrator J. P. McBrien and the county's current procedure for arriving at a budget according to proven need.

"We are proud of the operation of government at county level," Nielsen stated.

NIELSEN expressed the hope that voters would have a chance to vote on the annexation of the county to the East Bay Regional Park District. Nielsen called fellow-Orindan William Mott Jr., regional park director, "the finest." He cited financial advantages to the annexation program.

County Park Director "Doc" Mattison, whose pay-as-you-go \$10 million 10-year program had been turned down by the supervisors, will make a report to the board November 19.

IN EMPHASIZING that "Doc's" presentation was already on the agenda, he noted that one of the first things he had learned in politics was that if you "want to sidestep something, form a committee... have a study..."

Redistricting on a population base only "is wrong in my opinion," said Nielsen, pointing out that this would give Richmond two votes.

"MY THINKING in redistricting is that it is not just for today, but for the next 10 years," he said. Under his redistricting plan, Nielsen's projected population would jump from 5300 to 7800.

He didn't approve of Supervisor James P. Kenny's plan and didn't think that Supervisor Thomas Coll's plan is "much better."

Nielsen said that Supervisor Coll, with a population of 87,000, would have "nothing to do," as Concord, Pleasant Hill and Walnut Creek all would be incorporated.

He spoke of how each district meets the needs of its individual

constituents in county government.

YOU HAVE to be "the type of person to represent these people," he said. Nielsen added that he could not run—not probably be elected in Richmond, for instance—as he is "very outspoken."

"Our county may be very seriously affected" by the federal plan for water resources in northern California," said Nielsen. He considers the question of jurisdiction of water to be of prime importance.

NIELSEN TOLD of presenting his case to the U.S. Department of Interior Committee in Washington and to a Senate committee hearing.

At the local level, regarding water, Nielsen said: "We think we have the solution to East Bay Municipal Utility District serving San Ramon to the Alameda County line." This would save the county about \$2 million a year, he noted.

"I've been considered the official representative of Contra Costa on water... We have to fight for every drop of it..."

AS TO THE septic tank ordinance, Nielsen said that the supervisors had kept the minimum at 10,000 feet. The supervisors had felt that the requested 20,000 square feet was too restrictive. However, the percentage of grade and other restrictions as to the septic tanks were more strict in the new ordinance, he explained.

Bethlehem Steel Company is coming to Pinole, Nielsen announced, adding that this type of industry met a need for the county tax base.

HE SAID that Bethlehem had looked all over, but liked the site and the living standards in this county.

He cautioned motorists to buy their gas in Contra Costa so as to collect the tax money for better roads here. He reminded the audience that he was no longer in the gas business.

DURING the question period, he told a woman asking about her tax bill that all property had been reassessed for 1963-64.

As an aside to one question, he stated that there was a fault in Briones Dam and that it could only be kept three-fourths full at all times.

"We are trying to get EBMUD to let people use their land for hiking, trails and horses without purchasing."

AS TO PRESERVING the rural character of the community, Nielsen said that he favored multiples "to a degree."

Property value didn't depend upon the minimum size of a lot in an area. He compared the one-third acre lots in Moraga to the half-acre lots in Orinda and told one man: "They probably paid a lot more for their homes than you did."

### Chamber Directory To Go To Press

The Orinda Professional Directory put out by the Orinda Chamber of Commerce will go to press next week.

All who have not paid their dues and wish to be included in the new directory, should immediately contact Clarence Betz, secretary-treasurer of the chamber, said President Ken White, Jr.

### Tempers Heat Up Water

(See Page 3)

## Incorp. Petition Is Ready To Go For Lafayette

The final petition to bring the incorporation of downtown Lafayette to a ballot will be circulated following a meeting Thursday night of the Downtown Property Owners Association and other proponents of incorporation, according to Art Robson.

Robson, legal advisor for Downtown Property Owners Association and those groups in favor of incorporating, said the meeting would be held at the Home Builders Association building.

HE WASN'T able to pinpoint the exact time of the meeting. "A policy statement will be formulated and issued at the Thursday night meeting," Robson said.

The attorney added that those qualified persons desiring to sign the petition earlier could do so by calling the office of Malotte and Pedder.

He pointed out that within the proposed incorporation boundaries there are 670 parcels of land, seven of which are tax free.

HE INDICATED that the assessed valuation of the land itself is \$2,599,150.

According to Robson, signatures representing one fourth of the assessed land valuation and one fourth of the number of property owners are required to set the election.

"We are shooting for 175 signatures," said Robson.

## Corps Assigns Liberia To Orindan And Bride

A young man from Orinda and his bride were among the 145 Peace Corps volunteers who departed recently for Liberia.

Mr. and Mrs. Victor C. Johnson, 15 Camino del Diablo, Orinda, will work in the fields of education and public administration. They will remain in Liberia for two years.

VICTOR is the son of Fred Johnson of Orinda and Mrs. Estelle Elan of Menlo Park. He is a graduate of Miramonte High School (in the first graduating class).

After spending his freshman year at the University of California, Berkeley, Victor went to Whitworth College in Spokane, Washington. He majored in political science.

At Whitworth, Victor met the pretty coed, Patricia, who was to become his wife. They were married last December in her hometown of Spokane.

PATRICIA HAS her teaching credentials. Both young people were active in the model United Nations on campus throughout their college careers.

Victor has one sister, Elena Johnson, who is attending high school in Menlo Park.

Johnson received word that Patricia and Victor had arrived safely at their destination.

About two-thirds in Victor's group are teachers, who will join 128 other Peace Corps volunteers who already are instructing in the primary and secondary schools of the country.

All volunteers will be under the supervision of the Liberian Department of Education and

local school officials. They will teach a full schedule of courses and participate in after-school activities. All courses will be taught in English, which is the official language of the country.

The other members of the group, who are the first Peace Corps volunteers to work in the area of public administration, will serve as administrative assistants, accountants, budget officers, and office managers in the department of the Government of Liberia.

ALTHOUGH The oldest independent republic in Africa (1847), the development of a complex framework of government in Liberia has been retarded by lack of funds until 1960, when a Special Commission on Government Operations was established to modernize governmental operations.

By supplementing the very short supply of Liberian administrative workers, the volunteers will enable the newly reorganized departments to carry on. They will also train their co-workers on the job and in after hours classes.

The public administration group was joined September 6 by a group of volunteer lawyers, who will work in the courts, particularly in the hinterland where judicial and political reorganization is just taking place.

Victor's group received two months of training at Syracuse (New York) University. After home leave, they departed September 3 from New York's Idlewild Airport via PAA chartered flight.

## Bomb Scare At Miramonte Hoax

Principal James Lewis received an anonymous call Wednesday morning that a live bomb was going to go off within the halls of Miramonte High School.

Lewis notified the sheriff's office at 7:50 a.m. and the entire building was evacuated.

The order to go out of the school grounds because of the possibility of a bomb sent momentary panic throughout the campus.

SHERIFF'S deputies arrived on the scene.

They notified the Moraga Fire Department, in whose district Miramonte lies. The Moraga department dispatched a unit.

Orinda Fire Department also dispatched a unit. Chief Allan Winsor, just reporting in as the call came through, went to the scene to assist and help out.

The premises were searched. No bomb was found. Sheriff's deputies listed the incident as a "hoax."

Sheriff's deputies termed the incident as "Bad news... Once something like this starts, it gives other kids ideas..." Considering the cost to the taxpayer (as well as hazard) to dispatch two full fire units, as well as the sheriff's deputies, school and county officials failed to appreciate the humor.

Miramonte classes resumed about 8:15 a.m. and were carried on as usual throughout the day.

## Where's the Fire?

The Orinda Fire Department went out on the following calls this week:

FRIDAY: 1:43 p.m., 71 La Cuesta, burned room in dryer.

SUNDAY: 8:10 a.m., Glorietta Blvd. and Acalanes Rd., smoke investigation; 10:45 a.m., Orinda Way and Avenida de Orinda, auto accident.

WEDNESDAY: 6:23 a.m., highway 24, car fire.

## Typical Indian Summer Weather

After causing a sensation last week with a thunder 'n lightning storm, the weatherman decided to conform this week and dish out some ideal summer weather for Orinda. Following are the mercury readings:

	High	Low
Friday	80	80
Saturday	87	51
Sunday	76	52
Monday	71	54
Tuesday	71	53
Wednesday	73	50
Thursday	74	52

## \$452,934 Estate Is Left By Mrs. Anderson

The estate of the late Mrs. Mildred Moir Anderson of Orinda was placed at \$452,934 this week in County Superior Court.

Harry Fledderman, attorney, filed the report showing that the estate consists chiefly of securities and real estate.

Mrs. Anderson died January 24 of this year.

She bequeathed \$100,000 to her brother, Wallace Moir, and \$50,000 to her sister-in-law, Phyllis Kemp, both of Los Angeles.

She left \$24,000 to eight relatives and friends. The remainder goes to her husband, Kenneth Briggs Anderson, 40 Dos Posos Road, Orinda.

Mrs. Anderson's will was executed December, 1961.

## DAA Paintings On Local Exhibition

Diablo Art Association announces 10 one-man art shows on exhibit in central Contra Costa County.

In Danville, Mona Williams shows watercolors at the Village Theatre; Vivian Cook has her oil paintings at Coes Beauty Salon and Fred Pring exhibits watercolors at the San Ramon Library.

Internationally known sculptor Carlo Tallabue shows oil paintings at the Pleasant Hill Nut Bowl.

Walnut Creek area includes Katy Madsen's oil paintings at Comptions; Mildred Arnold's at Kaiser Hospital; Otto Schuchbury's watercolors in Pillsbury's Stationers; Molly Jane Monheit's work at Scotty's; Doris Whipple's at Bill Haward Realty and Pam Della's at the Walnut Bowl.

At the last general meeting of the association winners of the Painting - of - the - Month contest tied for first place: Gene Kewin with an oil landscape and Susan Cook with an oil still-life.

Mignon Kime's won second place and third place went to Pam Della.

These prize-winners will be exhibited this month at Frank Marshall Realty.

Association members are showing their entries in the DAA's 9th Annual Fall Art Show this weekend at the National Guard Armory, Walnut Creek.

## Founder's Memorial Site To Be Named

The E. I. de Laveaga Memorial Committee will recommend next week to the chamber of commerce which site it favors for erection of the tribute to Orinda's founder.

## Cub Scouts Will 'Pow Wow' Nov. 2 At D.V. College

Mt. Diablo Council's annual Fall Cub Scout Leaders' "Pow Wow" will be held at Diablo Valley College November 2 with Jay Cortes Jr., 2054 Carmel Drive, Concord, as general chairman, it was announced to-day by Alan Goodban, Walnut Creek, chairman of the Leadership Training Committee.

"Each cub pack in Contra Costa County is invited, and urged to be represented by all den mothers, cubmasters, and assistants," Goodban stated.

"Organization of the Pow Wow into four different sections gives specialized instruction for everyone who attends," he explained. "Normally, a pack should have representation in each section, with coordination of notes and ideas at their own pack leaders' meeting following the Pow Wow."

Instruction in the four sections includes skills of handicraft, games, ceremonies, skits, and stunts; and pack administration.

## 'Second Most Stupid Mail Box In Orinda'

Next "most stupid" mailbox in Orinda is at Rheem Boulevard and Glorietta Boulevard, according to H. J. Hart of Orinda.

It has a snorkel but you can't get to it, said Hart.

In order to mail a letter, it's necessary to get out of the car. "There are posts and other mechanical obstacles in the way."

Perhaps a swap with the non-snorkel box near the post office would be in order, suggested Hart.

In last week's issue of The Sun, a letter to the editor labeled the mailbox on the post office grounds as "the most stupid mailbox" in Orinda.

Despite a request for a snorkel box (one which will give patrons service from the car), the district sent the standard type.

"Why was this kind of box put here with the post office only a few yards away?" asked R.B.D. last week.

Now we have one snorkel box which is useless because of its location; and one non-snorkel box in an ideal location for a snorkel box.

It's really quite simple. Unless you try to explain it.

SOARING ASSOCIATION of Northern California convened at Mike Lynn's Friday evening. Left to right, Dr. James Wasley, Orinda dentist and vice president of the glider group; President George Asdel and Dick Cook, secretary-treasurer. Not pictured was Robert Klemmedson, Orinda architect, who is active in the group.

## Suburbia Scribblings

By MARIE MONAHAN

### Beyond the Fringe . . .

SOME WEEK IT WAS! No sooner the kiddies back in school the telephone starts ringing its staccato song of busy signals from morn 'til hubby's homecoming hour.

Ever try to call a list of ladies at 9 a.m. & still be trying to get a start on 'em somewhere around 11? . . . Yeah, yeah, I know my line's busy sometimes, too! BUT NOT THAT MUCH!

One thing that kept the telephone circuit silent for a brief span was the first thunder shower of the season last week . . . When lightning crackles close by, there are few who care to use the telephone. Or the kitchen sink.

OR THE Bathtub or shower, either, for that matter.

One meticulous matron having her daily "bubbly" (the tubby, of course) heard the thunderous noise, thought a car had crashed from Moraga Way into her living room, grabbed a towel & ran for retreat.

OTHER ladies, usually brave enough to face an afternoon full of chatty lunching ladies, cancelled their auspicious gatherings w/gal friends & holed up in a hallway or a closet w/copies of Vogue or Cosmopolitan for afternoon company.

OTHERS still, like me, had just washed all the windows in & out the house. It happens every time!

UP AT Pine Grove School, the lightning jumped all around the joint & at one point made its mark, or so it looked, on the ground just ahead of a bunch of boys running their rounds.

SEPTEMBER in the rain was a pain to the bowling girls at Rheem in particular. When Joan (she's Rheem Bowl's candidate for Queen of Industry to benefit the Handicapped & Training Student Nurses) announced over the mike "It's raining, girls!" m'dears, what a mad rush. You know, to put up the convertible, take in the laundry, etc. . . . BUT what put the skids on the cute kids was having to stop first to take off their bowling shoes before making the dash outdoors. Rain in Spain or Rheem is ruinous to the sportive foot gear, or to the wearer, too, who might find herself from wearing slippery soles, catapulted halfway down the alley. That's our bowling lesson for the day, & thank you, Kay Marshall!

Spkg. of the Marshalls, Bill & Kay & dgtr. Pam summ'ring at Balboa pulled in the voracious Barracudas but didn't bother to have the big catch stuffed. Doesn't go w/the decor in their ducky menage. (Kay's got a pink kitchen, a red & lavender living room. More fitting for a flamingo or an egret. Stuffed, of course.)

Which reminds: Never asked Virginia Hart how Robert fared on his some-time ago Safari in Kenya. Maybe he even brought back a tiger-skin rug . . . & what do you call a tiger skin rug, I asked my son nearby. "A tiger skin rug, of course, what else?" was his rolled-eye reply.

### & a book binge . . .

IF YOU ARE immersed in fall cleaning—or even late Spring Cleaning (more my speed) then you might keep a box handy for books to donate to the big Book Fair to be held Thurs., Oct. 10 . . . An all day (10-5) book binge will take place in Lucky's Village parking lot to benefit Orinda Library & given by the Friends of the Orinda Library.

We saw Dorothy Dunn (who will assist on the committee under Gen. Chrmn. Muir Sorrick) posting the poster & planting a carton at Ogden's which is one of the receiving depots for book donations of all sorts, paperbacks included.

Other receiving depots anxious to receive your hard or soft cover contributions (from kids outgrownables to dusty Book-of-Month Club editions; ANYTHING!) are at Sprouse-Reitz, Wells-Fargo (Amer. Trust) & Lucky's in the Village.

According to sales chairman Mrs. Paul Demeter, books will be sold at a mere fraction of their cost & there'll be wonderful buys all around for young & old.

Assisting Mrs. Demeter will be the aforementioned Mrs. Clarence L. Dunn, Mrs. William E. Howe & Mrs. George Hauert.

I STAND CORRECTED: (Excuse me a minute while I rise from my comfy chair.) Readers perusing the telephone 138 columns have informed me it is the Cyril Hurrays' home that stands on the same site as the old Santa Maria Church & not Dr. Bob McEligot's which stands instead, where once was the church parking lot. The brick steps & wall around the Hurrays' are the originals so it's a good idea to tread carefully when passing by; they're that old, however refurbished!

CALIFORNIA PLAYHOUSE, Raoul Pause's theatrical baby that is bouncing to big success, has captured a contingent of Orinda's young & talented, one of which is Rich Mowdy who is technical director & stage manager for the current "By 'By Birdie" now playing Fri. & Sat. through Oct. at the Foothill Theater, 3440 Foothill Blvd. in Oakland.

JOHN Bonfield & Russell Chase of Orinda are both on the stage crew & Mike Harnish is the man responsible for the props. Catch it if you can, can, can.

PAVLOVA all ovah? The August issue of Dance Magazine had Nancy Claire Wallace, dgtr. of the Ed Wallaces of Dover Ct. as its Cover Girl & the inside story heralds Nancy's dancing as truly different & unique in its field. The dancer who is known to the theater arts world as Nancy Claire has literally danced herself around the globe. The same Wallaces' granddaughter, Tia, tutu tot of the Clark Wallaces, is following in the dance slippers of her aunt. She practices her pas-de-deuxes w/Sybil Marion of Oakland from whom Nancy learned her first ballet positions at age 3.

JUST LIKE A MOTHER: On the Chas. Hill bridge, Ally Rasmussen trailing Roni's car & honking & hollering to her college-bound dgtr.: "Did you remember your radio, your clock, your overnight case, your camera, your typewriter, etcetera?" It took the two 1 hr. & 15 min. to haul Roni's clothes & "unnecessary necessities" to her dorm at Stockton's U.O.P. & doesn't that sound familiar if you lent a hand launching a coed into college? Moms of boys have it a bit easier . . .

SCRIB SQUIBS: A gathering of Eagles, legal ones that is, for Polly & Sam Wagener (he's on Calif. board of governors) when they help host the Supreme Court Justices all in S.F. at the Fairmont next week. And it's not just the women who are DYING to meet William O. Douglas' new jeune bride.

Virla & Don Krotz recently hosted a party to honor Art Lyman, retiring pres. of Cal. Research . . . The Mel Arighis waved dgtr. Suzanne off to studies at Bordeaux, France . . . & over in England Barden Wilmar & his cousin surprised Susan Cox w/a week's visit. Earlier in the summer, Sylvia Bolman was Sue's surprise guest . . . The Ogdens, missing, have been found in The Bahamas.

SALLY-GO-ROUND-THE-ROSES: Sally Douglass celebrated her B'day Saturday w/a surprise party planned by mom Marge who took 'em all out for a round of Sally Go Round The Golf Course & pee-wee putts in Berkeley.

JUDD Hechtman had HIS big day on Fri. the 13th & apropos of that day, had the bad luck to have his neck encased in a padded collar but the presents made up for the muscular discomfort in his neck.

THEY'RE LOVELY, they're engaged: Susan Schilling to Bob Couper of S.F. & S. E. State . . . & Linda Shirey to Don Howard of Pied., & San Jose State . . .

VETERAN Nancy Longacre wasn't in the lineup for last Sunday's baseball bash between L.V. & Del Rey because "I went to the 49-er game instead & also—since I struck out last year w/all the bases loaded, I've had a lot to live down w/my own family . . ."

**FIRST CHURCH OF CHRIST, SCIENTIST**  
Sunday—9:30 and 11 a.m. 55—9:30  
and 11 a.m. R.R.—Daily except Sun  
days and Holidays—12-4. Mondays,  
7-9 p.m. Wednesdays—8 p.m.  
22 Orinda Way, Orinda

**YOGURT YUMMY**  
Yogurt is a fermented milk made by adding a bacterial culture to the milk, often enriched with nonfat dry milk. Yogurt is custard-like in consistency and acid in flavor.

**CHUCK WAGON**—Sleepy Hollow Recreation Association will have its annual get-together breakfast tomorrow at the park. Previewing the affair are (from left) Mrs. Stan Majka, social chairman; Dennis Isenburg, pool manager; Gene Connolly and Joe Cleary.

## Chuck Wagon Breakfast Set For Sleepy Hollow

A chuck wagon breakfast will be given tomorrow for members of the Sleepy Hollow Recreation Association and their guests. It will be at the Sleepy Hollow Park barbecue grounds from 8:30 until 11 a.m.

During the day, a mystery men's double tennis tournament will be featured. It will be arranged by tennis director Steve Tool.

The swimming pool will close September 28.

However the tennis courts will remain open throughout the year. Ladies day is every Thursday morning from 10 until 12 noon. Mrs. Donald Ryan is chairman.

Optimistic members have not set a rain date for the chuck wagon breakfast . . . just in case.

## Mother Of Orindan Pays A Debt Of Gratitude

Eighty-five year old Mary Jane Hitt of Los Gatos was taught as a child in Mountrath, Ireland, to satisfy her obligations.

Thirty years ago, the outpatient clinic of St. Luke's Hospital in San Francisco furnished an operation for Mrs. Hitt's gravely ill daughter (now an Orindan). This week, she paid what she had always considered a debt but couldn't previously afford.

Mrs. Hitt, now of Los Gatos, sent a \$1000 check to the campaign now underway to build a new \$750,000 Maternity Wing at St. Luke's.

WHEN HER daughter Eileen, now Mrs. Bryan Jeffcott of 158 La Espiral Road, Orinda, became ill in 1933, one operation used up available family finances. When a second operation was needed, Mrs. Hitt and her late husband Fred feared that they had no alternative but to mortgage the family home on Davis Street, Los Gatos.

Their physician suggested the St. Luke's clinic where fees are based on ability to pay. The daughter received further hospital treatment through the clinic and the second operation, which she says, "saved my life."

## Hats Off To...

## Barbara & Bert LaVigne Del Rey Parents Prexies

HIS & HERS gavels, please, for Barbara and Bert LaVigne, co-presidents of the Del Rey School Parents Club.

The capable couple share co-reins with two other twosomes in that the vice-president and treasurer are also Mr. and Mrs. assignments. According to Barbara, it's ideal. "The women do the day work (telephone, etc.) while the men conduct the meetings."

BOTH LAVIGNES have good organizational backgrounds, both at home and afield. Barbara, for instance, was coach-chairman of the Del Rey Dolls for last Sunday's baseball fundraiser. She is a former bridge chairman and has served as room mother and one of the school's most active members for six years. A grad of the University of Illinois, she's a member of Gamma Phi Beta alumna in Contra Costa County, a member of Pandora Branch of Children's Home Society and a charter member of Bamboo Branch for Children's Hospital of the East Bay.

BEFORE COMING to Orinda, Bert had a hand in the complex highway routings in Hawaii. A civil engineer, he is affiliated with Tudor Engineering in San Francisco, is treasurer of the A.S.C.E. in San Francisco and president of his Phi Delta Theta alumna group as a U.C. graduate.

The LaVigne youngsters, Bruce, 13, Barry 11, and Beth 8, have distinguished themselves in scouts and swimming and are the three reasons their parents have so many interests—including the family boat, a Schock 22 sloop dubbed "Gloria Glori B," that sails out of Richmond Yacht Club with the whole herd aboard.

BUT not before reminding all new Del Rey parents that a "Welcome Evening" is scheduled for next Monday, 7:30 in the all-purpose room. Both LaVignes bid you "come and get acquainted over coffee."

## Catterton Is Named Trustee Of Calif. State

Guy Catterton, Berkeley attorney who resides at 3 Poppy Lane, Orinda, was recently appointed trustee of the California State College at Hayward.

The appointment was made by the trustees of the California State Colleges at a meeting in San Francisco. Three vacancies in the advisory board at the Hayward college were named.

OTHER APPOINTEES were J. Lemar Childers and Alton Kingman, Jr.

The appointments will run from October 1, 1963, to September 10, 1967.

There are 13 members of the advisory board. Honorable Thomas Caldecott, Alameda County Superior Judge, serves as chairman.

The advisory board meets four times each year to advise the college on various aspects of the college operation.

One of its most recent projects is the project loan fund which was set up to raise \$10,000 for student loans which will be matched nine to one by the federal government. The goal has almost been reached.

## Moraga Lions Hear Talk On Center For Deaf

Moraga Lions Club met Monday night at an outdoor steak barbecue meeting.

President Art Fleuti announced that the wives of club members were attending a meeting of the Blind Center in Oakland in conjunction with the club's major project, at the same time the Moraga club was holding its meeting in Moraga.

Chuck Merlone, chairman of the family day beach party, announced that this annual event will be held September 29 at Bolinas Beach.

Jack Neldam announced that October 12 and 13 has been selected as the dates for a club trip for members and wives to Columbia for a week-end event.

Program Chairman Hank Martin introduced the speaker for the evening, Rt. Rev. Msgr. Michael D. O'Brien, director of St. Joseph's Center for the deaf and hard of hearing in Oakland.

Msgr. O'Brien spoke to the club on the work being done in the Diocese of Oakland for the deaf and hard of hearing.

## Lunch Is on The Table . . .

The following menu will be served next week in all schools in the Orinda Union School District. Milk is served with each meal:

MONDAY — Hamburger on buttered bun, sliced tomato, buttered spinach, peaches.

TUESDAY — Spanish rice with meat, green salad, Vienna bread, apple cobbler.

WEDNESDAY — Hot dog on buttered bun, mashed potatoes with cheese topping, carrot stick, fruit.

THURSDAY — Spaghetti with meat sauce, green salad, whole wheat roll, jello with fruit.

FRIDAY — Deep-sea dog on buttered bun, green celery with peanut butter, fruit.

## Artists Exhibit At Berkeley Show

Orinda was represented last week in one of Northern California's largest outdoor art exhibitions, the fifth annual Berkeley Festival of Arts. It was set in downtown Berkeley, Thursday through Sunday.

Orinda artists included: Dorothy Doris and Joan Morris, painters; David Jones, Ted Morris and Kay Leefe, sculptors. They were among the more than 250 west coast amateurs and professionals entered in the non-juried event.

SUICIDE Research has shown that nearly everyone who commits suicide has communicated his intention by word or deed.

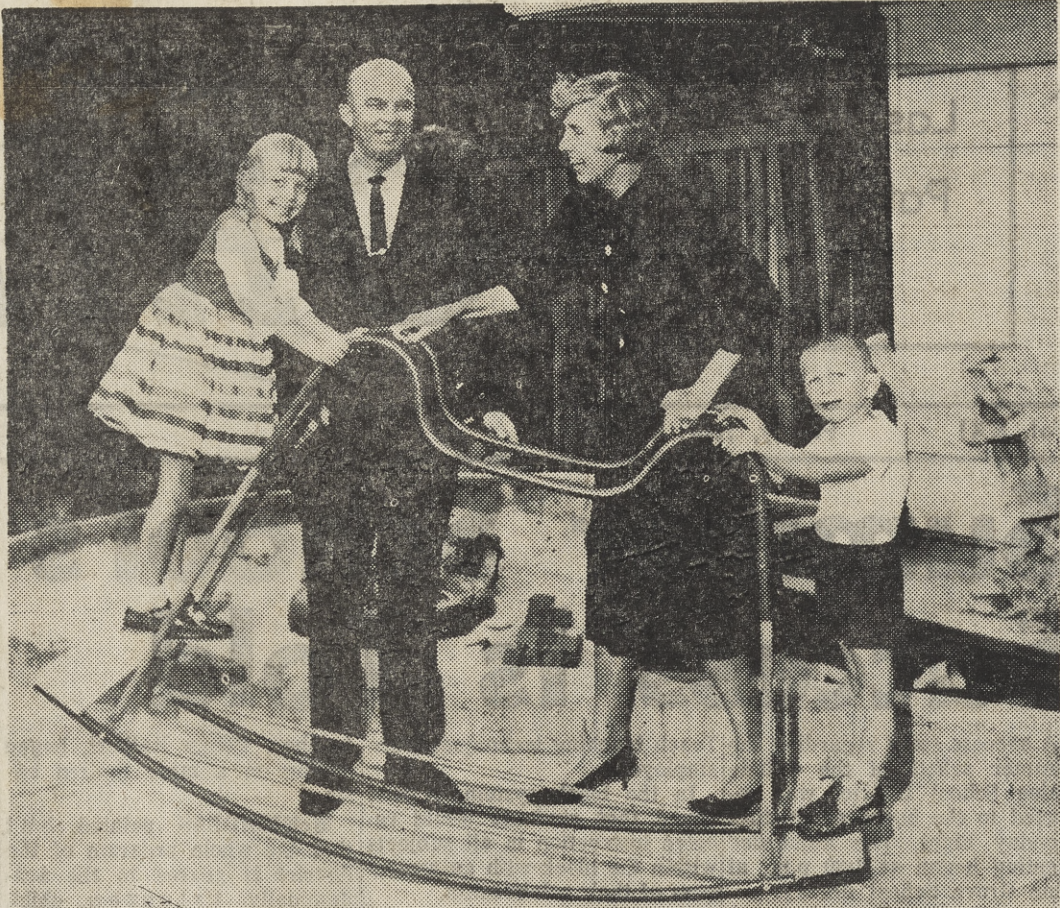

The Contra Costa Suicide Prevention project is trying to help these people at 939-3232.

Heed every threat; the experts advise they are serious.

## Family of the Week

WENDY, 6½, DAVID FLAGG, ASTRID FLAGG, LORIN, 3½  
Rockette gets a work-out in Flagg's backyard

## A Happy Rollicking Time

THE PLAY EQUIPMENT at the David Flagg home at 1 Ardor Drive, is something to make the sandbox-set sit up and take notice.

At latest count, Astrid Flagg's inventory totaled up six trikes, tractors, the Rockette (shown in picture) as well as a 10 by 14 sandbox, a seesaw and sundry other gear to guarantee fun for the young fry.

AND ASTRID who is starting another season of Home Nursery School for the pint-sized people can be credited with 13 years experience in the field of teaching and creative play not to mention wiping noses and drying tears.

A graduate of University of California, this San Franciscoan taught nursery school for five years and then at Cragmont Elementary in Berkeley for six and one-half years. To introduce mamas and moppets to her play school where the accent is on fun (music and mosaics too, are taught the tots), Astrid held an open house last week for prospective members of the play group and next week starts her Wednesday and Friday "school routine."

As enthusiastic about the school as the visiting progeny is the rest of the family.

The head of the house, David Flagg, makes the final decision for improvements and the hammers and nails are in action now to enlarge the indoor activity area.

WIDELY-known in the bay area for his fine tenor voice, David has soloed with the Land Symphony and the University of California Symphony.

HE has appeared at Woodminster with the Civic Light Opera as Nanki-Poo in "The Mikado" and with the Opera Workshop on the Berkeley campus. Concerts he has given range from the programs for local audiences at the Interdenominational Church of Lafayette (temporarily housed in the Orinda Masonic building) to the serious concerts he sang all over Costa Rica when vacationing there as a music ambassador on a Latin-American mission.

WIFE ASTRID also takes her experience with tots right to church with her where she is in charge of the nursery. David is very active in the same church, serving as deacon and right hand man to Pastor Gray Lambert and singing, naturally, in the church choir.

A SOCIAL welfare major at

U.C., Flagg is professionally an institutional probation officer at Santa Rita Prison Farm where his current work centers around group therapy with the men.

Astrid shares her husband's love of music, and "there are no better times" than when they get together with their musicologist friends; Frances Groves Perry, Orinda operatic star is one of their close friends as are Aileen and John Holmgren who are both gifted local musicians.

DAVID's vocal talents may be slated for a lifetime career in the "sacred music" field which is his particular pleasure. One person urging him to start his singing career is Lili Wexberg, popular New York voice teacher who puts the big-time opera stars through their practice paces. But time will tell.

RIGHT now raising Wendy 5½ and Lorin 3½, is something to sing about, too. Both children have December birthdays and an inspirational enough is the story Astrid tells that her husband's solos, and the Hallelujahs of the chorus were ringing in her ears all the way to the hospital . . .

—M.M.

## Boosters Club For Miramonte To Kick Off

Miramonte Boosters' Club will kickoff the Fall season with a potluck dinner at the school cafeteria Tuesday at 6:30 p.m.

Highlights of the program will include movies of the Matadors practice games against Castro Valley, introduction of the coaches and players and the election of new officers.

All fathers and sons are invited, said Pat Patton, president.

"If you are interested in attending and you haven't been contacted by the phone committee, please telephone Tev-

lisse Thompson, 254-5688," said Patton.

If unopened and well wrapped, butter will keep at least two months in the refrigerator, and for at least six months in the freezer.

# Federal Water Plan Could Ruin County

In a letter to The Sun yesterday, Congressman John F. Baldwin charged that the U.S. Department of the Interior's proposed \$4.1 billion "Pacific Southwest Water Plan" would be "disastrous" to Contra Costa County.

The proposal would transfer 2.4 million acre feet of water from Northern California to Southern California.

"This whole plan is so detrimental and hazardous to Northern California, and specifically to Contra Costa County, that our future growth and development could be seriously affected," Baldwin wrote.

THE DEPARTMENT of Interior's "Pacific Southwest Water Plan" involves the states of California, Arizona, Nevada, New Mexico and Utah.

It was developed because of the U.S. Supreme Court's recent

decision giving Arizona more water from the Colorado River, but less to Southern California.

As a result, the plan calls for Northern California water to be pumped down to Southern California.

"It would be a crushing blow to the delta counties of Contra Costa, San Joaquin, Sacramento and Solano," Congressman Baldwin said in his letter to The Sun.

"I CANNOT conceive that the Department of the Interior would then propose to stop using these aqueducts if Northern California needed the water at some future time."

The congressman has written Gov. Edmund G. Brown, urging him to submit an adverse recommendation relative to the plan.

Baldwin suggested to Brown, "I recommend that you pro-

vide to the Department of the Interior that additional consideration be given to the construction of desalting plants in Southern California to provide the additional water needed for Southern California through conversion of salt water to fresh water.

"This is the only proposal that would adequately protect the interest of Northern California and which could also provide additional water requirements of Southern California."

CALIFORNIA HAS about 90 days in which to act.

In Martinez, Mel Nielsen of the Board of Supervisors labeled the federal plan "undemocratic and dictatorial."

He made his statement at the Tuesday board meeting which also followed his return from Washington, D.C. where he told the Senate Subcommittee on Irrigation and Reclamation that the plan should be amended.

# Quit Dragging Feet, Supvs. Are Charged

In the next few days a Lafayette attorney will submit his own suggested writ of mandate to compel Contra Costa County's board of supervisors to realign their territories.

"It's a sham, frivolous what's been happening," Harold Mutnick told The Sun.

"If by any chance our Board of Supervisors try for an appeal, we'll move to have the State Supreme Court knock it out."

The State Supreme Court has already ruled that the Monterey County Board of Supervisors must establish new boundary lines for their areas—in line with the population growth.

And in Contra Costa County a Superior Court jurist who has heard Mutnick's taxpayers' suit against the supervisors has indicated that he will follow the Supreme Court's ruling, expected possibly today or tomorrow.

The jurist has been Judge David Bush of Stanislaus County who sat in Martinez as an independent judge to hear Mutnick's case against the supervisors.

LAST WEEK Judge Bush wrote both Mutnick and the district attorney's office, suggest-

ing that both parties sit down and draw up a stipulated judgment that could be used to force the Contra Costa County supervisors to act on setting up new boundary lines.

Mutnick told The Sun yesterday, "I tried to get in touch with the district attorney's office in keeping with the suggestion made by Judge Bush."

"The taxpayers and residents of Contra Costa County are just as deserving as those of Monterey County in getting some relief from this problem."

"But since no one from the district attorney's office wanted to sit down with me relative to this matter, I'll go it alone. In the next few days I'll submit a suggested writ of mandate for Judge Bush's consideration . . . and I'll send the district attorney a copy of it."

AS AN additional thought, Mutnick concluded, "We in this county have waited 90 years for a realignment of the supervisorial districts. I guess we can wait a little longer."

"But the supervisors must keep dragging their feet. It's their duty to act."

Meanwhile, in Martinez Tuesday, two supervisors who've at-

long sought new boundary areas of the five districts tried to act, but they were thwarted once again by their three constituents.

BOTH JAMES P. Kenny, chairman of the board, and Supervisor Thomas J. Coll agreed that in view of the recent Supreme Court decision relative to Monterey County it would be only a matter of time before a court decision was issued in Contra Costa County.

"The power to district the county belongs to the board," Coll told the others.

And Kenny said, "We are reasonable people. Let's go ahead and do it."

But their thinking didn't get through.

Supervisor Edmond Linscheid said, "They will give us time. They won't ask us to drop over dead."

AND SUPERVISOR Joseph S. Silva of Brentwood had this comment: "Let's wait and see. I've got my mind made up and you don't have to talk to me about it. But we can play it by ear."

Supervisor Mel Nielsen also agreed on the "wait and see" attitude.

## WEEKEND WEATHER FORECAST

Continued fair weather today is predicted by the United States Weather Bureau for the central county. The sunshine should last throughout the week-end, predicted the weatherman—with perhaps a note of uncertainty.

He was caught short with one premature late summer storm last week, when he forecast "clear skies." Midweek, he forecast rain and the sun shone.

So for what it's worth: There will be little change in temperature over the week-end with highs in the mid-70's and lows in the low 50's, That Man says.

Overcast mornings and gentle westerly winds complete the weather scene outlook.

## GOING, GOING, Gone--! Auction Set For Sunday

The San Ramon Valley Republican Women's Club is sponsoring an old fashioned Country Auction Sunday at historic Rancho San Ramon, located on Highway 21 at Morris Canyon Road. Gates open at 11 a.m. and the sale starts at 1 p.m.

Chairman Mrs. Jerrold Henry announces the list of items to be auctioned includes a 1934 Pierce Arrow, mechanical violin-piano, horse, two tons of hay, 1926 Studebaker, female goat kidlet, coffee grinder, freezer, typewriter, mink coat, sports equipment, an electric generator, antiques, and many cartons of personal effects.

There is no admission charge. Bidders will deposit \$10 for paddles to apply toward cost of any items they purchase. Refreshments will be available and there will be plenty of free parking space. Auctioneer is Bruce Johnson of Hayward.

Historic Rancho San Ramon, one of the oldest working ranches in the Bay Area, can be reached by going south on Highway 21 from Walnut Creek approximately seven miles, or north on Highway 21 approximately five miles from Highway 50.

## Unified School Plan Gets One Year Extension

Contra Costa County has received a year's extension to develop a complete plan for the proposed unification of school districts.

A one year extension of the September 15th deadline was granted at a San Francisco meeting of the State Board of Education.

## Young Republicans Adopt 'Test Ban' Resolution

The Contra Costa Young Republican Executive Board, at a Walnut Creek meeting last week adopted the following resolution regarding the Partial Nuclear Test Ban Treaty:

"WHEREAS the Union of the Soviet Socialist Republics had failed to live by its agreements in 50 of 52 treaties signed since World War II, and

"WHEREAS the effects of radiation fall-out have been greatly over-estimated, and

"WHEREAS the Partial Nuclear Test Ban Treaty will seriously damage the military posture of the United States, possibly giving the U.S.S.R. the lead in high yield and anti-missile atomic weapons, and

"WHEREAS ratification of this treaty by the U.S. Senate will seriously damage the anti-Communist movement throughout the world, and

"WHEREAS this treaty will lend respectability to a nation governed by atheistic murderers, thieves, and liars, and

"THEREFORE BE IT RESOLVED that the Executive Board of the Contra Costa County Young Republicans opposes ratification of the Partial Nuclear Test Ban Treaty and appeals to the United States Senate to reject this first step towards unilateral disarmament, surrender, and appeasement."

The resolution was proposed by Dave Clark, second vice-president of the group.

The only debate on the resolution was from individuals who also opposed the treaty.

It passed overwhelmingly by voice vote.

Copies of the resolution also were sent to the two United States Senators from California.

IN OTHER action, the board voted to hold its regular meeting on the second Thursday of each month at the Contra Costa County Realty Board offices,

Walnut Creek.

The board also heard reports from the unit presidents on past and future activities.

County President Roger Dunn expressed optimism for the progress of the YR's in Contra Costa County.

## County Pay Plan Still Up For Perusal

The Board of Supervisors have another hot potato on their hands—how much vacation to give county employees with lengthy service.

Last November the plan sounded good to the supervisors. It called for four weeks' vacation after 20 years, five weeks after 25 years and six weeks after 30 years.

The supervisors adopted the idea, even though it was later to be rapped by the Grand Jury.

Then the whole matter was turned over to the Civil Service Commission.

That group refused Tuesday to give any opinion.

## This Thief Can Drink 'N Drink

A thief was having a wonderful time yesterday quenching any thirst that arose during the day, or night.

He could dip into three cases of champagne and pour bottle after bottle for himself.

Sheriff's deputies reported the champagne, valued at almost \$200, had been stolen from the Speedee Mart, 3222 Norton Road, Lafayette.

It had been kept in a rear storage room.

## Completion Date For New Temple Set For October

Completion date for Lafayette's new Isaiah temple has been delayed until October.

The date of completion was originally set for September.

The October date was fixed following what was termed, "normal construction delays."

The new temple which seats 550, is air conditioned throughout.

THE STRUCTURE has also been designed for expansion at a later date.

High Holy Day Services will be held in the old building adjacent to the new structure.

Rosh Hashana Services began Wednesday and continued Thursday morning.

The beautiful modern structure may be seen from the freeway as one passes through Lafayette.

## KO Of Housing Law Urged By 14,382 Persons

A total of 14,382 names have been submitted to the county clerk's office in Martinez on petitions urging a referendum vote on the controversial fair housing law.

The deadline for the submission of petitions to the Secretary of State's office in Sacramento was midnight last night.

The controversial fair housing law was authored at the recent Legislature by Assemblyman Byron Rumford of Berkeley. It forbids discrimination in virtually all public assisted housing and about 60 to 70 per cent of private housing.

# Should We Fluoride The Contra Costa Water Supply

## Discussion And Debate On Fluoridation Begins

To fluoride or not to fluoride the public water supply, that was the question last night during a hot debate between those who want it and those who don't.

"The History and Growth of Fluoridation" was the topic of this discussion at the first meeting scheduled by the Citizen's Advisory Committee of the Treated Water Division of the Contra Costa County Water District at Williams Elementary School in Concord.

Defenders of fluoridation as a means to definitely reduce the incidence of dental caries were Dr. Jack Shaw, Pleasant Hill dentist, who spoke on the history of the use of fluorine in public drinking water; and Dr. M. B. Rotermund, M.D., of Concord, who discussed the growth and development in the use of fluoridated water.

THEIR STaunch opponents were the Secretary of the California Committee, Pure Water Association of America Walter Miller from Sunnyvale, and Public Relations Officer, East Bay Committee Against Fluoridation, Inc., Col. William C. Braly, U.S.A. (ret.) from Orinda.

Each side had 30 minutes to present a sensible argument. A 15 minute period for questions from the CAC followed. Then the debate was opened to general questions from the floor by water users within the CCCWD service area.

Since the proposed fluoridation would affect users in Pleasant Hill, parts of Walnut Creek area, Concord and others in the service area to the east, members of the audience represented all these communities.

OFFICIAL SPOKESMAN for the pro side, Dr. Rotermund, began his speech with some facts on the increase in individual use of fluoridated water.

"In 1945, 232,000 people were drinking fluoridated water and by 1962 the figure went up to 44 million; by 1964, the scheduled number is 55 million," he said.

"In 1945, three communities used fluorine in the public water supply; in 1962, 2300 communities had adopted it," he added.

"During no year has there been a decrease in the number of individuals or communities receiving fluoridated water. Of the communities that have stopped using it, 25 percent have started again," Rotermund continued.

"FLUORIDATION RANKS with pasteurization of milk, immunization against disease, and chlorination of water, as the Great Four in public health measures; why don't we have it?" he asked.

Rotermund emphasized the main question of his argument: "Why, if as McCall's magazine printed in an article last September, is the lag in community adoption of fluoridated water costing U.S. taxpayers an estimated \$425 million every year?"

"Three million of this sum was attributed to Contra Costa County. Why, if every community which has fluoridated water in a proportion of one to one million has received the expected 50-60 percent reduction in dental decay, and why, if in no community any harmful effects have been shown, why don't we all march on our water board right now and demand fluorine in the water supply?" he challenged.

THEN, ROTERMUND answered his previous questions, saying because (1) tooth decay isn't very exciting; (2) we're lazy, too lazy to take advantage of a health bargain costing six cents per person per year for the chance to reduce cavities by 50 percent.

He attributed the third cause for the lag in fluoridation to the nature of his opposition. "They don't substantiate their claims in a scientific, honest manner," he charged.

To improve his case, Rotermund listed many organizations which have officially endorsed fluoridation of public water supplies: American Heart Association, American Cancer Society, American Dental Association, and the American Legion, etc.

"We have confidence that under the organization of these public information meetings and

with the tremendous press interest that has been shown, within the year, our children, too, will begin to reap the advantages of controlled community fluoridation," he concluded.

SPOKESMAN for the con side, Col. Braly and Miller agreed in the points of their argument against Rotermund and Shaw. Fluoridation has not been proven safe or effective, they said. It establishes a dangerous precedent for making the public water supply a vehicle for drugs.

Never before in the history of medicine has compulsory mass medication been used, Braly asserted. It deprives an individual of the right to choose his own food and drink, he added.

"Fluoridation is un-American because it violates the individual's constitutional right of freedom of choice," he said in support of his argument.

Who knows what the effect of life-long ingestion of fluoride on the human organism would be, he questioned. Good teeth depend upon proper diet and good oral hygiene, not upon ingestion of fluoride which has an extremely narrow margin of so-called safety, Braly stated.

"DENTAL CARIES are neither carried by water, nor communicable," he explained. "It's astronomically wasteful and unscientific. Water consumption among children varies so much you can't be sure how much fluorine a child will get," he warned.

"Parents should defend their right to give their children the medication they want," Braly continued, "no child is denied fluoride now unless the parents don't want it."

The compulsory aspect of the fluoridation proposal causes the most opposition, Braly suggested. "People want to decide for themselves what they're going to do."

## State Commends County Treated Water Division

Treated Water Division of Contra Costa County Water District has been commended by the State Department of Public Health for the fine quality of water the district is providing its 26,000 central county customers, according to Robert W. Johnston, TWD manager.

Johnston said H. B. Foster, acting chief, Bureau of Sanitary Engineering, and G. E. Browning, supervising sanitary engineer, had written to the district board as follows:

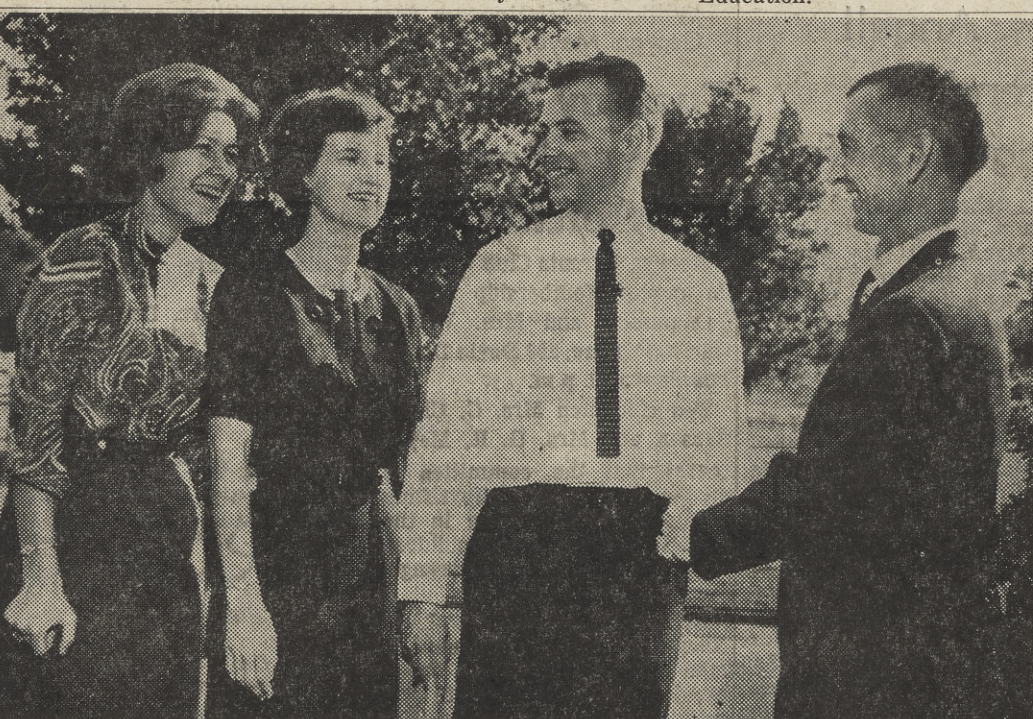

"Our records show that bacterial quality of water in Contra Costa County Water District's water district has met public health service drinking water standards through every month in 1962 and thus far in 1963. We commend you for this excellent record."

## First, You Build It; Then Don't

The Mt. Diablo Trail Riders were happy, and then they weren't.

First, the county's planning commission said they could divide a 25-acre site along one flank of Mt. Diablo.

But then they added the proviso—build a 20-foot-wide access road from Marsh Creek Road to the property.

NEW TEACHERS—Las Lomas High dean of boys Burke Faraola, left, welcomes three of the fifty new teachers employed at the Alcalanes District's five new high schools. Representative of new teachers in the district are Las Lomas additions, left to right after Faraola, Barry Smith, Miss Margaret Smith, Miss Terry Wilson. Twenty of the new Alcalanes District instructors represent an increase in staff to meet a 9 per cent boost in pupil enrollment this year; thirty are replacements to fill resignations and staff leaves.

## Moraga Memo

### Good Old School Daze...

By YVONNE MAUZEY  
376-4083

OVERFLOWING with school news and, since school has just started, and our most important goal is educating our children, I'll dedicate this column to the schools, and the plans for the coming year.

School enrollment is up about 200! We now have 850 students, according to Supt. William Knight's report at the last meeting of the Moraga board of trustees.

The board discussed the possibility of the withdrawal of Rae Dr. from the Moraga School District. Rae Dr. is a small st. in Diablo Est. Students would have to come over the hill to board the school bus. Or the bus would have to make a special trip out of the district boundaries to pick up the students. The street is expected to go into the Orinda School district.

Twelve new teachers have been added to the Moraga School District. At the Moraga School are Mrs. Anne Cluff, third grade; Miss Susan Herzog and Mrs. Muriel Hansen, second grade. Rheem School, Miss Linda Agee, fourth; James Harvey, sixth.

Camino Pablo, Yvonne Doenges Kindergarten; Mrs. Jocelyn Stonewell, first; Mrs. Ruth Smith, fourth; Mrs. Phyllis Gish, fifth; Allan Viguers and Quentin Durham, seventh and eighth grade Spanish, and all our old standbys. Welcome to all!

Parent Club President Elsie Mastick would like to announce her two new board members. Barbara Workinger will be vice president in place of Marilyn Agee. Marilyn is sorry to have to drop out but they have been transferred to Chicago. Sorry to see them go. Barbara should make a very good V.P. as I hear she has many talents along these lines.

Bobby Leslie will replace Gloria Engstrom, recording secretary. Gloria will still help the Parents Club during daytime affairs. But with your husband going to school nights someone has to stay with the kids. Bobby (our gift from England) should greatly enhance our present board. To complete the board are Flo Dickson, corr. secy. and treas. Dorothy Morse.

AUDREY KILLIAN is working very hard to get 100% Parents Club membership this year. Let's all go to the tea and help her attain this goal. The membership tea will be Tuesday at the home of Margaret and Commander Bill Harlow at 100 Devin Dr. at 1 p.m. The principals, Charles Toll and Bob Trask, and Superintendent Wm. Knight will be there to meet new parents and greet the old.

Parents' open house will be Wednesday night for the Rheem and old Moraga Schools. . . . October 2 for the 1-4-5-6th grades of Camino Pablo School and October 1 for the 7th & 8th grades. Parents of the seventh and eighth grade students will attend classes as their children do, at the ringing of a bell, change classes, to the next period. This way the parents will meet all the teachers.

As you know by now there is no school today as the school is having teachers' workshop. The teachers from the upper grades 3 thru 6 at Camino Pablo are attending Campolindo High, visiting their class rooms, the seventh and eighth grade teachers visiting the class room pertinent to the class he is teaching to fit his teaching to the next grade level that the student will attend. The teachers from the first, kindergarten and third are in the primary program. The schools intend to have this Teachers Institute three times during the school year. This will not cut down on the number of actual teaching days to the students, which is still 186 days. These program evaluation days should help the teachers and students in future endeavors.

Ruth Freitas's sixth grade has been graced with the presence of Kathryn Jones, a student teacher from San Francisco State, for the past 8 weeks. Teachers are required to spend some time in a regular school with a regular teacher in actual circumstances before receiving their degree. Miss Jones lives in Orinda, so is more or less a local resident.

At the beginning of school Jeanette Cameron of Berkeley was here from Whitman College in Walla, Walla, Wash. She visited our school for three days, taking in the fourth, fifth and sixth grades, under actual circumstances at the beginning of school. These were Ruth Smith's fourth grade, Phyllis Gish's fifth and Ruth Freitas's sixth.

Principal Charles Toll, states our 7 and 8th grades are completely departmentalized, with six scholastics and one free period for study hall, orchestra, chorus etc.

The new equipment, slides, rings, climbing bars, turning bars, and swings, have all been put in at the Camino Pablo School. . . . The donated equipment has been put up at the Old Moraga School. . . . Building excavating started Wednesday at Camino Pablo. . . . Safety Engineer Kermit of Martinez has given the O.K. for the cross walks to be painted and school zone signs painted at Camino Pablo and Hodges Dr. . . . There has been suggestions for the Parent Club or someone to sponsor a student patrol, as many other schools have. . . . Many "near misses" reported at the bus stops and walkways along Moraga Road to Rheem School.

CIRCLE MONDAY night for the first Parent Club meeting of the year for Campolindo parents. There will be installation of officers, a chance for new parents to meet the teachers, and student officers and hear plans for the coming year. The meeting will be held in the multi-purpose room from 7:45 to 9. Meeting from 8 to 9. Coffee preceding the meeting. . . . October 28 has been slated for Back to School night for Campolindo, same times 7:45 refreshments, 8 to 9 p.m. meeting.

The Humanities Seminar for Campolindo will start Tuesday at Miramonte, the group takes in cultural events, theatre, & important speakers in the areas of the humanities. This year's school show is planned for February. It will be a musical comedy type of show. Looks real good. The athletics started this past week with the Junior Varsity playing football at Piedmont, and taking part in a cross country at Miramonte, Wednesday.

Year Book plans are already underway. Pictures have been taken. Editor Kathy Fisher and her staff have many ideas. This promises to be a very good book. . . . The year book will be asking for aid from various businesses soon. This will be in the form of ads taken in the book. These ads defray the cost of the year book to the students. Anyone interested contact the school at 300 Moraga Rd. or call 376-5986.

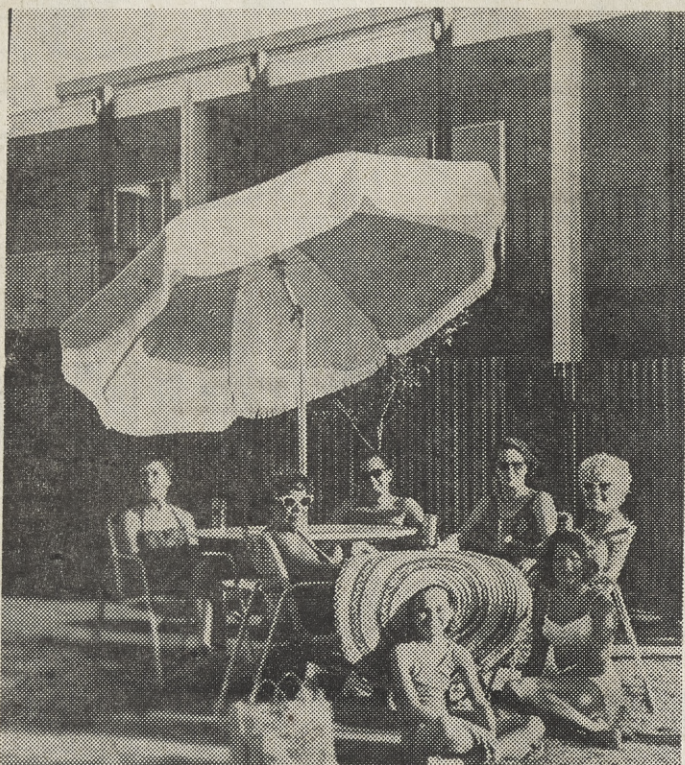

The G.A.A. is well under way and into their second week of activities. They are taking part in competitive swimming at Miramonte once a week.

Principal Alex Winchester states there are 71 Campolindo High School students or approx. 30 per cent of the school's enrollment qualified for the Honor Society. Twenty-one students or (12 per cent of the enrollment) have earned memberships in the California Scholastic Federation (CSF) which is based on the Spring Semester grading. Very good indeed!

A BENEFIT performance will be given by Soprano Jalanda Menegrezzer at St. Mary's October 6th. The Theme "An Evening in the Mediterranean." Cocktail hour to begin at 5 p.m. in the Chapel patio. Entertainment will be provided by the famous Bognascos. Followed by buffet in Oliver Hall at 6 p.m. followed by Miss Menegrezzer's selection of arias.

This benefit will be put on by the Friends of the Renaissance, an organization of patrons of Italian Culture in the Bay area. They have made the endowment of an Italian Chair at St. Mary's their goal. Proceeds from this reception will go towards this goal. Tickets \$7.50 per person, available at the college.

# One Last Glimpse At Pool And Patio Living

**LEISURELY YOURS**—An informal get-together is a common occurrence at the Rheem Condominium. Girl with hat, in foreground, is Nina Wilson and girl at right is Lynne Williamson. Seated at table in foreground, left to right, is Mrs. Madge Price and Mrs. Lois Rasmussen, while seated at rear, left to right, are Virginia and Alan Banks and Mrs. Helen Carroll.

**PIN CURL PINUP**—Mrs. Lloyd Steirer of the Lafayette Patio Apartments finds a domestic use for the patio as she dries her hair in the sun.

**POOL SIDE**—Don Watkins and guest, Joyce Kirk of San Francisco enjoy leisurely poolside conversation at the Rheem Condominium patio.

## We Pause & Reminisce

With Indian Summer here and Fall on its way, we take one backward glance to "the good old summer time" and pool and patio living.

We vividly recall the balmy summer breezes by the pool and the many hours spent in complete relaxation on the patio.

We recall the wining and dining and entertaining of friends at our suburban paradise, the patio.

**NOT ALL OF US** are fortunate enough to have a pool as well as a patio.

Those of us who do are blessed indeed with the opportunity for gracious living.

Suburban life usually runs the gamut of just about everything from the continued sun deck to the palatial patio.

The individual home owner seems to have a priority on privacy where both pool and patio are concerned.

For those of us, however, who would rather shirk the responsibilities of owning our own home or just don't want to have that "tied down" feeling, there lies the choice of an apartment dwelling or condominium, which ever suits the budget.

Apartment life, most of us are familiar with but the condominium appears a fairly new way of life, an idea which seems to be spreading like wildfire.

The condominium had its origin in ancient Rome.

The word condominium means "joint ownership."

**IN ITS MODERN** day rediscovery it defines the best way to buy ones own individual apartment unit.

**McGah Applies For Bank Permit**

Edward J. McGah of Orinda, and associates, recently filed an application with the State Banking Department to establish the Silverado State Bank in Napa.

The bank, with a capital and surplus of \$1 million, would be located in the Bel Aire Shopping Plaza at Trancas Road and St. Helena Highway.

The department will act on the application within 60 days.

Normally when purchasing a condominium one shares in joint ownership of an apartment building's land, its halls and walls, its gardens and central services but you and only you are the sole owner.

In the suburban condominium one has the feeling one is surrounded with luxury.

A person living in a condominium usually enjoys the advantages of prestige suburban living, including a swimming pool and landscaped grounds with its fair share of trees and shrubs.

**SUBURBAN** apartments on the other hand are pretty much in keeping with the condominium with the exception that one assumes the obligations of a renter or lessee.

A patio and pool for the condominium is a must.

Most of the better apartment dwellings have pool and patio; some just the patio.

A favorite of the bachelor and bachelorette is the apartment and condominium graced with both pool and patio.

The garden scene provides the perfect setting for friendly get-togethers at the barbecue, and leisurely afternoons basking in the sun.

The pool itself seems to have become an All-American pastime.

It affords an excellent means of recreation for both young and old and in suburbia it has almost become as important as a second car.

**THE TRANQUILITY** of suburban living is not unlike the provincial craze that hit the nobility of France.

One has the feeling that fountains and baths were more in vogue, however, than pools.

The gardens were immense and the pastoral landscapes would all but swallow up our humble patios.

Nevertheless, we today have taken to the provincial feeling.

The lavish gardens of yesterday, however, have been reduced to the small patio.

**THOUSANDS** of suburbanites sacrifice a good portion of their life commuting back and forth to suburbia for those wonderful moments of relaxation at pool and patio.

**THE PLUNGE**—Getting ready to dive into the heated pool at the Versailles Apartments is Mrs. Wayne Hawkins. She plans to buy her own home and have her own pool.

### Mrs. Browne Is Awarded \$750 Monthly Support

Mrs. Roberta H. Browne of Orinda was awarded \$750 a month for support of herself and two children. Superior Judge Thomas F. Fraga signed the order this week in answer to a separate maintenance suit.

According to the complaint, Philip Browne earns \$1750 as a chief airline pilot.

The judge gave Mrs. Browne custody of the couple's two children: Tamsen, 2, and Pamela, 1, pending trial of the action.

Of the \$750, she will pay \$176 monthly toward the family home at 19 Easton Court, Orinda, and \$85 a month on her car.

The Brownes were married in 1959 in Georgia. They separated last July 18.

**HAY THERE**

Hay is a skim milk cheese made in France, known there as Fromage de Foin. Cheese is ripened on freshly cut hay for from 6 to 12 weeks, giving it its characteristic aroma.

### Secretary Asks For Annulment

Mrs. Marcia Joan Morris, 30, a Concord secretary, charged in Superior Court last week that her husband, Don Alan Morris, 33, formerly of Orinda, married her to obtain support for himself, son, and mother.

In an annulment suit, Mrs. Morris stated that when the couple married last February, he told her that he had been married only once before.

**HOWEVER**, she alleges that she soon discovered it was his fifth marriage.

Morris is an electronics service man. He formerly resided at 6 Valley View Drive, Orinda.

Mrs. Morris asks for an annulment on grounds of fraud. She requests restoration of her maiden name of Blanchette. Morris' last known address was given as Houghton, Wash.

### Mrs. Angell Attends Jr. League Confab

Mrs. Robert Angell of Orinda, president of the Junior League of Oakland, left this week to attend the Region XII Presidents' Council in Santa Barbara.

She was accompanied by Mrs. James Mailliard, president of the Junior League of San Francisco.

The presidents attending the Region XII Council represent 15 Junior Leagues in California, Hawaii, New Mexico and Arizona.

Eleven of the leagues in Region XII are located in California; in Fresno, Long Beach, Los Angeles, Monterey Peninsula, Pasadena, Riverside, Sacramento, San Diego, San Francisco and Santa Barbara, which is the hostess league for this year's meeting.

**DAIRY COW**

The remarkable dairy cow is able to completely eliminate it produces. Arsenic is a common ingredient in pesticides and traces that do show up on forage are eliminated entirely by the cow.

**GROW GROW GROW**—That's what Moraga Parents Club is doing—along with the school district. A membership tea will be held for all mothers in the Moraga school district Tuesday from 1 to 3 p.m. at the William Harlow home on Devin Drive. Arranging for the annual affair are (from left) Mrs. William Christiansen, Mrs. M. W. Killian and Mrs. George Meyer.

### Tuesday To Be Moraga Parents Membership Tea

Moraga Parents Club will hold its annual Membership Tea at Lafayette School. Following are the weekly scores:

1. Mr. and Mrs. Don Schulte, 62; 2. Gil Farrell and Marge Dunzweiler, 60; 3. Leila Mason and Phyllis Merrill, 59.

Tea chairman Mrs. C. Christiansen and Mrs. G. R. Meyer regret that the committee is unable to provide babysitting care as has been done in the past. Mothers of small children must make their own arrangements for child care.

Bridge chairman Mrs. J. C. Hermansen will be on hand to take names of persons interested in participating in the bridge fund raising project. This year there will be three groups for those wishing to play bridge: daytime, evening and evening couples.

Any mother wishing to give two hours on Tuesdays between 9:30 and noon typing and processing books for the library should contact Mrs. L. McClish, 376-4927.

**THE WOMAN'S VIEW**—Bay area vocalist, Carol Brent (Downton), will interrupt her campaigning for San Francisco Supervisor Sept. 29 to appear at the Grodins Music Festival being held at the Oakland Auditorium. Tickets for the festival are available at Grodins stores in the East Bay, San Jose and Sacramento.

## Garrett Thrift Gives \$1,250 To Muir Hospital

The presentation of a check for \$1,250 was made to officers of the board for the John Muir Memorial Hospital by the members of The Garrett Thrift Shop, the site of the newly erected steel girders on Ygnacio Boulevard, Walnut Creek.

The occasion marks the fulfillment of the \$5000 pledge made two years ago due in December 1963, and concluded four months early.

**THE WOMEN** of the auxiliary, through their various guilds, staff and thrift shop, which is located at 3331 Mt. Diablo Boulevard in Lafayette.

Mrs. Edwin Laine of Danville, is chairman of the shop. Mrs. Laine thanked the public for their patronage and asked for continual donations of clothes in good salable condition.

Doors open at 10 a.m. every Wednesday, Thursday and Friday.

An additional check will be presented to the building fund of the new hospital in December, concluding a highly successful year at The Garrett.

"We have a fine team of dependable, dedicated workers, and the results speak for themselves," said Mrs. Laine.

She invites anyone who wishes to work at the shop to contact the John Muir Hospital office on Locust St. in Walnut Creek.

## Baseball Star Talks To Rotary

Walter "The Great" Mills, former major league baseball star, addressed Orinda Rotary Monday at Mike Lynn's. Mills' subject was the youth program which he has initiated.

He particularly stressed that boys should finish their schooling. He gave some of the highlights for operating a big league baseball club.

Mills is a member of the public relations staff of the San Francisco Giants. Rotary President Stan Massie presided. Clarence Betz was program chairman.

## Two Families Escape Injuries In Car Crash

Two families narrowly escaped serious injuries when the car in which they were riding turned over after spinning out of control from a blowout on Highway 21 Saturday.

Driver of the vehicle was Dr. Harvey R. Wall, 34, coordinator of the Mt. Diablo Unified School District's program for gifted children.

Passengers along with his wife, Louise, 30, and their two children, Bryan, 9, and Theresa, 4, were staff psychologist Laurence J. Horowitz, 37, his wife, Virginia, 41, and their two children, Paul, 5, and Neena, 3.

**THE CAR** was loaded with camping gear for a weekend at Armstrong State Park.

Horowitz said the left rear tire blew out as they approached the Martinez-Benicia Bridge. Wall fought the wheel desperately as the car went out of control and overturned on the road shoulder.

"I REMEMBER pushing a lot of people through windows," Horowitz said.

California Highway Patrolman Gene Norman said the car traveled 250 feet from the place of the blowout.

Both families reportedly suffered cuts and bruises.

Wall and his wife were taken to Concord Community Hospital for treatment.

The Walls live in Concord and the Horowitzes at 487 Helen Avenue, Lafayette.

## Colorful Design Program Seen In BARTD Future

A comprehensive program to assure pleasing architectural and visual design was announced today by the Bay Area Rapid Transit District.

The program will affect everything visible on the new system—subway interiors, surface and aerial stations, and the trains themselves.

**THE PROGRAM** calls for the employment of prize-winning San Francisco architect Donn Emmons, as architectural consultant.

The architectural program, which, according to project director William A. Bugge is a top-priority transit project, will encompass developing a comprehensive architectural design concept; retaining local architects to design individual system elements and employing landscape architects and color and design consultants.

"Mr. Emmons may very well be the key element," Bugge said.

"With the help of our staff architect, Sprague Thresher, he will oversee the entire program. He will be given direct responsibility for developing the basic architectural design theme."

Emmons is a partner in the San Francisco firm of Wurster, Bernardi and Emmons.

The firm, in joint venture, developed the contract-winning Golden Gateway design in San Francisco.

**FOR WURSTER**, Bernardi and Emmons, Emmons was partner-in-charge of design of Brooks Hall and the Civic Center Master Plan, San Francisco; Jackson Lake Apartments, Oakland; Stanford Medical Plaza, Palo Alto, and Capitol Towers Redevelopment Project, Sacramento.

He also has supervised the master plans for 25 United States Air Force bases.

Bugge said Emmons would draw on the Wurster, Bernardi and Emmons staff for necessary design work.

Under the subcontract he has with the BARTD engineers, he will work on a per diem basis with a maximum limit of \$26,000 during the remainder of 1963.

Emmons was selected by BARTD engineers with the help of the Northern California and East Bay Chapters of the American Institute of Architects, who also assisted in developing the design program.

He was selected from a list of 23 top Bay Area architects.

"**MR. EMMONS'** appointment is important for several reasons," Bugge said. "First of all, we now have assurance that top architectural talent will be brought to bear on this project."

"Further, his services will be used immediately. He can direct and comment upon design right now . . . rather than after the fact."

Emmons will consult with BARTD engineers in selecting the project architects, and review work done by them.

Bugge said the project architects all will be drawn from local firms.

"Within the framework of the basic system estimates, and the overall architectural theme, the project architects will design the physical structures to fit into the areas involved," Bugge said.

Emmons said he would definitely contribute to the design of the system, itself.

"I INTEND to have a strong voice in establishing the visual character of Bay Area Rapid Transit," he said.

"This will include the overall appearance of the facilities, as well as materials, color, scale and landscaping."

He said the ultimate architectural goal will be the construction of a system "with human scale and quality which will be a pleasure to ride."

He said he is not overly concerned about financial limitations placed on the project by the amount of money voted by the people in November.

"This is the job of the architect," he said.

"He must cope with social, political and economic limitations, and come up with an answer."

Money is a factor, but very often not the limiting one," Emmons commented upon.

## The Big Meet

**TROPHIES FOR THE WINNERS**—Orinda Park won the team title at last Sunday's championship swim matches at Acalanes High School Pool, so the members now have these two trophies. Neil Parsons (left) superintendent of the Acalanes High School District, presented the team trophy and Terry Hansen, The Sun's Associate Editor, offered the perpetual trophy. Two-day event was co-sponsored by the Lafayette Youth Association and The Sun.

## LYA-SUN Events Won By Orinda Park Swimmers

With the sun setting low in the sky and the crowd quite appreciative of the two-day fulfilled event, swimmers from Orinda Park marched off with the Lafayette Youth Association's Contra Costa County swim championships last Sunday.

The event that attracted 750 swimmers was co-sponsored by The Sun Newspapers.

Neil Parsons, superintendent of the Acalanes High School District, presented the team trophy to Butch Fitzpatrick, coach of Orinda Park, while Terry Hansen, The Sun's associate editor, handed the squad the "perpetual" trophy.

**ORINDA PARK'S** point total with 297½. Runners-up were Meadow Pool, 195; Antioch Delta Skimmers, 182; LYA, 177; Larkey Swim Club, 143; San Miguel 109; Springbrook Pool, 83; Dewing Park, 81; Las Jun-tas, 46; Indian Valley, 38; Walnut Creek, 38; Gehringer Park Pool, 35; Sleepy Hollow, 31; Canyon Pool, 20; Walnut Heights, 19; Rancho Colorado, 8, and Miramonte, 6.

Forty records were set during the two-day meet and three others were tied.

Team and individual winners were:

Free relays, boys, 17 under, 200 yards, Orinda.

Free relays, girls, 17 under, 200 yards, Meadow Pool.

Free relays, boys, 14 under, 200 yards, LYA.

Free relays, girls, 14 under, 200 yards, Walnut Creek.

Free relays, boys, under 12, 200 yards, LYA.

Free relays, girls, under 12, 200 yards, Antioch Delta Swimmers.

Free relays, boys, under 10, 200 yards, Orinda.

Free relays, girls, 1 under 10, 200 yards, Meadow.

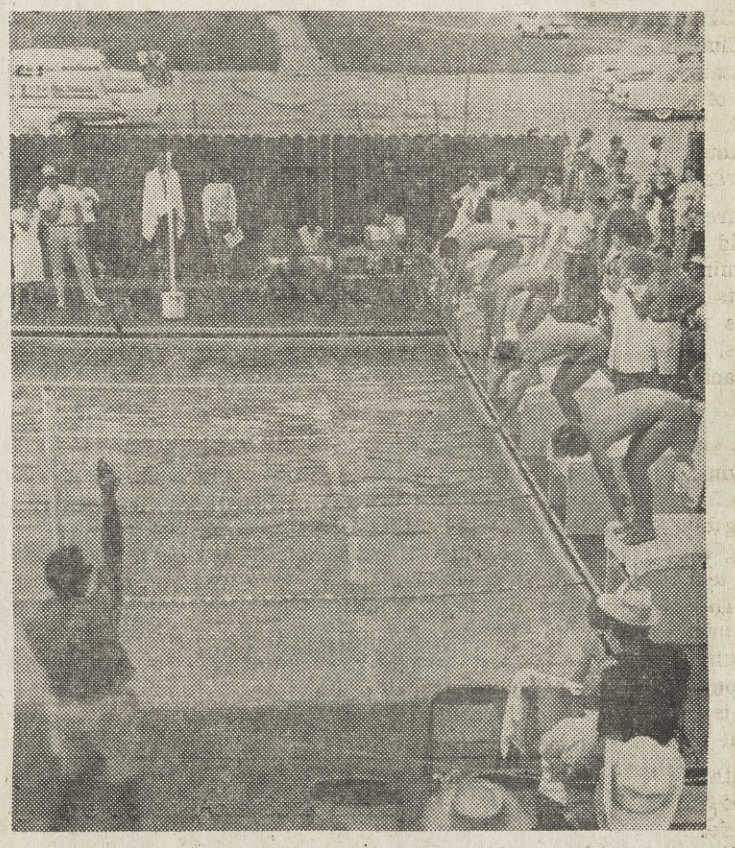

Free relays, boys, 8 under, 100 yards, San Miguel A.

Free relays, boys, 6 under, 100 yards, Springbrook.

Free relays, girls, 6 under, 100 yards, Meadow.

Butterfly, boys, 17 under, B. Whitcomb (LYA).

Butterfly, girls, 17 under, P. Burnham (Larkey).

Backstroke, girls, 12 under, Courtney Van Dyne (Orinda Park).

**"NO, PLEASE!"** No more! So pleads Robin Oak-apple, played by Dave Acker of Pleasant Hill, of ancestral ghost (Charles Rindeman, of Alamo). This scene from the second act of Diablo Light Opera's Ruddigore, has ghosts stepping down from frames in a gloomy picture gallery to administer excruciating "agonies" to the erring Robin. Performances of this Gilbert & Sullivan melodrama parody can be seen at Del Valle High School, Walnut Creek, September 21 and 28. Tickets can be obtained at the Seven Arts Book Store, Walnut Creek.

## Fall Cub Leaders To Hold Annual Meet At DVC

Mt. Diablo Council's annual fall Cub Scouts leaders' "pow-wow" will be held at Diablo Valley College, Nov. 2, with Jay Cortes Jr., 2054 Carmel Dr., Concord, as general chairman, according to Alan Goodban, Walnut Creek, chairman of the leadership training committee.

"Each cub pack in Berkeley, Albany, and all of Contra Costa County, is invited, and urged, to be represented by all den mothers, cubmasters and assistants," Goodban stated.

**"ORGANIZATION** of the Pow Wow into four different sections gives specialized instruction for everyone who attends," Goodban explained.

Normally, a pack should have representation in each section, with coordination of notes and ideas at their own pack leaders' meeting following the Pow Wow.

Instruction in the four sections includes skills of handicraft, games; ceremonies, skits, and stunts; and administrative pack administration.

Heading each section will be a staff of experienced trainers from throughout the council, including Lee Tardiville, Antioch; Hiram Wolf, Pleasant Hill; and others to be named soon.

## Sears Store Site Gets New Zoning

Rezoning has been approved of a 76-acre site adjacent to Pleasant Hill so that a huge Sears Roebuck & Co. store can be built.

The big outlet is to encompass some 200,000 square feet of space.

No date has been set for start of construction.

The 76-acre site is on Willow Pass Road, bounded by the Contra Costa Highway and the Martinez Freeway.

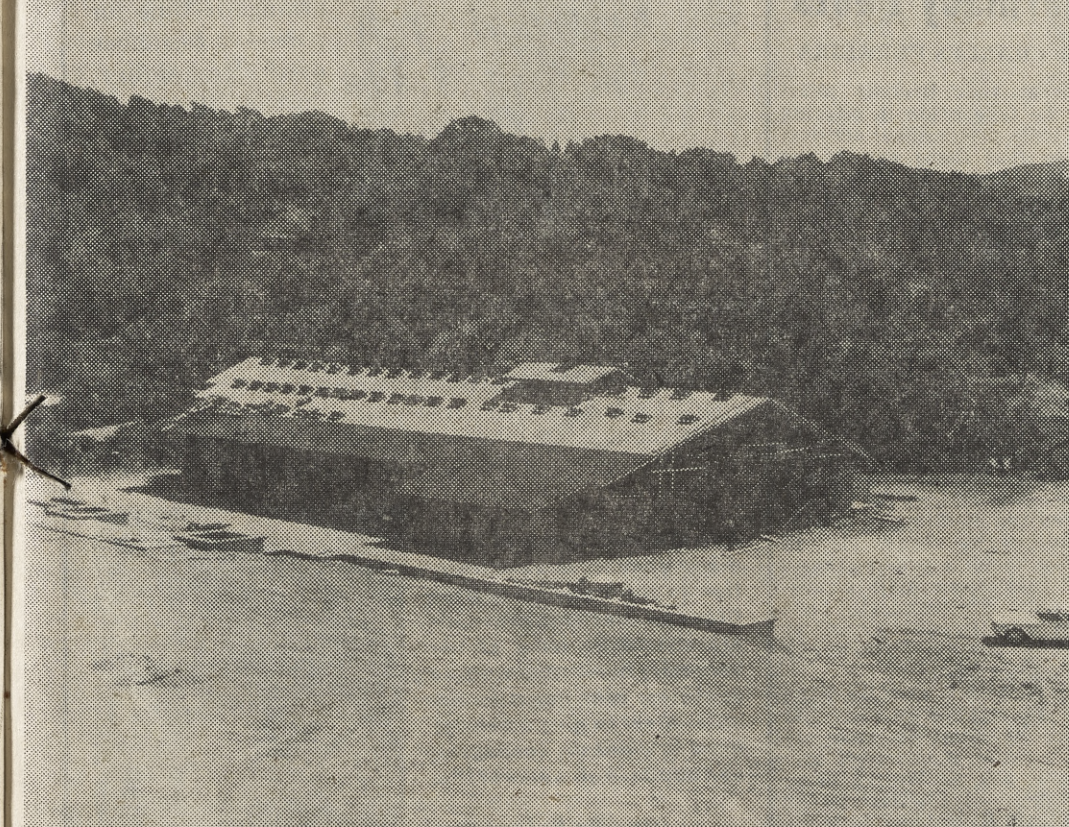

## Waldie Speaks At Concord Meeting Wed.

The Concord Area Chamber of Commerce announced today Assemblyman Jerome Waldie of Antioch will address a membership luncheon of the Chamber of Commerce Wednesday.

Chamber Manager Ike Runyon said Waldie, majority floor leader for the assembly, will speak on the "1963 Legislature in Retrospect."

The luncheon will be held at noon in the Garden Room of the Concord Inn.

Reservations may be made by calling the Chamber office. Cost of the luncheon will be \$2.50. The public is cordially invited to attend.

**TEMPLE ISAIAH**—The beautiful modern structure of Temple Isaiah is expected to be completed sometime in October. The temple, which may be seen from the freeway as you pass through Lafayette, is also designed for expansion at a later date.

## Letters to The Editor

Dear Editor:

This is a letter to express our sincerest thanks and appreciation to the men of the Lafayette Fire Department, 984 Moraga Road, A shift.

Our small son received a head injury in our car on Mt. Diablo Blvd. and Moraga Road at 5:30 p.m. one Wednesday recently. (A very poorly signaled intersection.)

The first place my wife thought of was the fire department. Her choice was excellent.

We thank the Good Lord for those devoted human beings. They not only gave medical help and made all the necessary arrangements for our trip to the doctor, but also contacted members of

our immediate family.

Their kind words and assistance can never be repaid. We hope by having this printed that others will realize how fortunate we are to have such a well-organized and congenial fire department.

RON and JOAN ERTOLA, 5 Louise Court, Moraga.

## Ken Wagner Will Register at Pomona

Ken Wagner, son of Dr. and Mrs. Charles D. Wagner, 147 Canon Drive, Orinda, will enroll today as a freshman at Pomona College. Classes will start next Thursday.

## LEGAL NOTICE

## NOTICE OF TRUSTEES' SALE

Loan No. 59642

HAROLD R. FARROW, et ux.

NOTICE IS HEREBY GIVEN that on Thursday, the 17th day of October 1963 at the hour of 10:00 o'clock a.m. of said day at the front entrance of the Hall of Records, bounded by Court, Ward, Pine and Main Streets, in the City of Martinez, County of Contra Costa, State of California, SAN FRANCISCO AUXILIARY CORPORATION, a California corporation, as Trustee or Substituted Trustee, will sell at public auction to the highest bidder for cash, lawful money of the United States, all payable at the time of sale, the interest now held and acquired by it as such Trustee, or Substituted Trustee, in and to the following described real property situated in the County of Contra Costa, State of California, described as:

Lot 4 as shown on the map of Tract 2382, filed July 12, 1956, in book of Maps, page 43 et seq., in the office of the County Recorder of Contra Costa County.

Said sale will be made without covenant or warranty regarding title, possession or en-

cumbrances to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain Deed of Trust dated November 29, 1961, between HAROLD R. FARROW and LANI FARROW, his wife, as Trustors, to SAN FRANCISCO AUXILIARY CORPORATION, a California corporation, as Trustee, for SAN FRANCISCO FEDERAL SAVINGS AND LOAN ASSOCIATION, a federal savings and loan association, as Beneficiary, recorded in the office of the Recorder of the County of Contra Costa, State of California, on December 21, 1961 in Liber 4020 of Official Records thereof, at page 467.

DATED: September 11, 1963. SAN FRANCISCO AUXILIARY CORPORATION, a California Corporation, As Trustee or Substituted Trustee.

(SEAL) By E. RONALD LONG, President By ALBERT T. QUEEN, Secretary

CHARLES D. SOOY 1111 Mills Tower San Francisco 4, California Attorney for Trustee or Substituted Trustee. Orinda No. 433, 9/20-27; 10/4-11, Va.

JANE SHUTT Del Rey catcher

## Bustles Hustle At Town Hall

The hustling and bustling at the old Town Hall in Lafayette tells the natives that another Laf Francics production is in rehearsal.

The format of the show follows the same pattern as in the past—an old-fashioned melodrama, followed by a rollicking olio.

The melodrama is directed by Jack Holder, who is well known as both actor and director, and the olio is under the thumb of Evelyn MacLean. Evelyn's material is original; she has been one year creating and editing for this years' show.

Opening night is Wednesday. The show will run three weekends, Fridays and Saturdays.

Tickets are on sale at \$1.75. Call Mrs. Perdue, 283-6100, for reservations.

This year's profit, as in the past, will be given to the Lafayette Community Center.

## Musicales Tickets Start on Sale

Tickets are now on sale for Jane Nickol's one-woman show, "Musicals in Miniature" to be given at the Orinda Masonic Auditorium October 19 at 8:30 p.m.

Call Mrs. Thomas Peake, 254-4220, of St. Mark's Methodist Church, which is sponsoring the benefit for the Methodist Crusade Scholarship Program.

## Harbell Family Visits Caverns

Dr. and Mrs. J. B. Harbell and sons of 28 Los Amigos, Orinda, were visitors at Virginia's famed Skyline Caverns last week. The caverns are on U.S. 240, the Stonewall Jackson Memorial Highway, Fort Royal, Va.

BARBARA HOOPER, MARY GREEN, CHARME HUGHES I.V. Queens wore perfectly stunning baseball hats

## I.V. Queens Whip Del Rey Dolls

By JANE PUTNAM Baseball is a many-splendored game.

At least it is when played by young, suburban matrons. Last Sunday's second annual game between the Del Rey Dolls and I.V. Queens was indeed a splendid affair.

THE GIRLS looked perfectly stunning. The bows which

the Dolls perked on their coifs were simply adorable. And the hats which the queens wore would make Mr. John sit up and take notice.

And oh, yes—the score! Let's see, now what was it? Our sports reporter was so bedazzled by the pancake make-up on the way out center fielder that we almost

forgot to jot down the score.

IT WAS 9-6 in favor of the I.V. Queens. Hardly the dreadful routing of last year's 11 to nothing.

The stands went wild (to quote Grantland Rice) when the Dolls rallied in the fifth inning to come up with every one of their perfectly marvelous runs.

The umpires were sympathetic and sweet chaps. They included I.V.'s new Principal Eugene Ballack, I.V. Teacher K. Fiske and Richard LaGrande, one of the papas present.

OTHER PAPAS pitched in and helped out, too, like Dr. Kildaire Ron Hamm and his Nurse Bob McKim.

Wayne Hooper and Bert LaVigne on the mike were just like Huntley and Brinkley.

Player-coaches Del Rey's Barbara LaVigne and I. V. Queen's LaVern Hale say that best of all, the library at I.V. will be books richer for the funds raised at this annual FUN benefit.

## Miramonte Mirror

## 1st Big Game, Dance Of Semester Is Tonight...

By FRAN OBRECHT and CAROL MEYER

TONIGHT MIRAMONTE travels to Castro Valley for our first game of the season. Our team has been practicing for a month in order to be ready for this all important game. Although it is not a league game, let's see all of Miramonte out there backing our team. After the game, there will be a dance at St. Stephen's Church. It will start as soon as the team returns from the game.

A few Miramonteans and graduates gathered at Roger McCosker's for a party. Some of those attending were John Dirickx, Rodger Howard, Candy Bray, Jim Christmas Tree, Celeste Smith, John Lathin, Sandy Ballard, Hap Parks, Bob Lyman and Sherry Sage.

Mary Hansen, Mike Bartlett, Ginger Ronald, Scott Huntley, Carol Thompson, Paul Locklin, Jeanne Quinn and Larry Towers went to Sunset Beach. Even though the sun showa in Orinda, the beach was cool. There were plenty of refreshments and a good time was had by all.

Last Friday night a few Senior girls got together to "surprise" Lani Freeman on her 17th birthday. Thanks to Kay Dunbar, it wasn't a surprise, but everyone enjoyed the "self-made" dinner. Those attending the party were Susie Colwell, Trish Bascom, Kay Dunbar (Big Mouth), Kate Ellis, and, last but not least—Lani.

THE LAS LOMAS game Friday night was the "meeting place" of the Senior boys. Apparently the team wanted to "inspect" their future rivals. How did they look boys?

Saturday night found Sue Brown and Dan Withers, Chris Campbell and Dennis O'Keefe, and Alison Horn and Paul Barrett at Vallejo Auto Races. According to Sue and Dan, they can be found there every Saturday night.

Also on Saturday night there was a party held at Steve Greathouse's house. Among the couple seen dancing, eating potato chips, and looking for water were Steve and Bonny Beasley, Bill Cooper and Crissy Voll, Bob Miller and Mimi McGah, Steve Stuckert and Karen Kahl, Doug Dermitt and Anne White, and Tevis Thompson and his date.

Denise Meyer held a party for a few of the Freshmen last week. Those attending were Sherry Partell, Adeline Ainsworth, Randy Longarcher, Marshall Smover, Cindy Hamilton, Jim Thamen, Jerry Texdahl, Francis Gelispie, Pete Thompson, Kathleen Snow, Jon Ferguson, Debbie Palmquist, Jan Botcher, Mark Locklin and Betsy Brock (who instructed the rope climbing).

Daralyn De Guardia also had a party last week. Some of those seen swimming and dancing were Frances Stewart, Hap Parks, Steve Stuckert, Dyke DeWitt, Jay Grilli, Peggy Rose, Bob Miller, Chris Delmonica, Steve Brush, Greg La Grande, Mary Bartlett, Conny de Laveaga, Chris Romer, Greg and Steve Gannon.

Don't forget to be at the game by 7:30 tonight—don't be late for the kick-off!!!! Let's cheer our team on to victory and celebrate afterwards at the St. Stephen's Dance.

GOOD LUCK TEAM!!!!!!

## Hacienda Homes To Hold Its Annual Meeting

The annual meeting of lot and home owners of Hacienda Homes, Inc., will be Thursday at 8 p.m. in the auditorium of the Orinda Elementary School. It will be held in conjunction with the regular meeting of the Hacienda Improvement Association.

Business to be transacted consists of the following:

1. Reports and accounting of officers of Hacienda Homes, Inc., relative to the collection of assessments and expenditures for repairs and maintenance of roads.

2. The election of officers and board of directors.

"This is your opportunity to make suggestions and offer criticism and to formulate plans for further improvement to our roads. It is important that residents attend," says Arthur A. Smith, secretary.

## Faculty Wives At Miramonte Plan Luncheon

Miramonte High School Faculty Wives annual luncheon will be September 28 at 12:30 p.m. at the James Lewis home on Draeger Drive, Orinda.

This is an annual affair for the faculty wives to become better acquainted, said Mrs. Lewis, wife of Miramonte's principal.

On the tea committee are Mmes. Lekis, George Zurich, Richard Davis, John Guzzo, Herb Graw, Boris Arnoz, Frank Scott, John Sanford, Donald Underwood, Robert Campbell, Daryl Chipman, Joseph Davis and Michael LaMorte.

## Pharmacy Facts

From CHARLES FERREIRA

Here at your friendly pharmacy we take pride in offering you a truly professional service. And, so that there can be no possible misunderstanding concerning what we mean by "professional service" let me say that we carry many items other than those for which your doctor's prescription is required.

Please don't hesitate to ask us about drugs and vitamins which can be of real help to you. There is no charge for this professional service. It is one which we are qualified and glad to give to you.

Certainly, we're always glad to fill your doctor's prescription—in fact that is our main professional duty—but we're also here to offer you friendly service in explaining anything which can be of help to you.

Baby supplies? Yes, we have all the things your doctor's told you are essential to have on hand. . . . and, if you have any questions, ask us. We try to be helpful here at Charles' Drugs . . . and will do our best to make "Directions for Use" clear to you. We're at Center and Park Streets in Moraga. Phone DR. 6-4408.

## Roger Jessup To Leave For Marine Training

Newly enlisted Marine Air Reserve Private Roger L. Jessup is scheduled to depart for six months active duty. He will attend approximately 12 weeks of recruit training prior to being assigned to an aviation technical course at the Naval Air Station in Jacksonville, Fla.

Jessup is the son of Yvonne Block, of 101 Meadowview Road, Orinda. He attended Miramonte High School from 1960 to 1962.

As with all reservists, Jessup will attend Marine Corps recruit training at the Marine Corps Recruit Depot, San Diego.

Upon completion of this training he will be transferred to Jacksonville where specialized training will be given in an aviation specialty.

Other papas pitched in and helped out, too, like Dr. Kildaire, Ron Hamm and Nurse Bob McKim.

Wayne Hooper and Bert LaVigne on the mike were just like Huntley and Brinkley.

Player-coaches Del Rey's LaVern Hale says that best of all, the library at I.V. will be books richer for the funds raised at this annual FUN benefit.

## Bridge Club Scores Given

Orinda Bridge Club meets Thursdays at 7:30 p.m. at the Orinda Masonic Hall. Following are the weekly scores:

### NORTH-SOUTH

1. Doreen Trower and Hazel Files, 107; 2. Jerome Weitzner and Harold Huffaker, 95; 3. Betty Albright and Ramonde Deutsch, 92.

### EAST-WEST

1. Mr. and Mrs. Richard Allen, 107; 2. R. D. Chute and C. E. Lewis, 99; 3. Vera Wallace and Juanita Merriam, 96.

## WHAT'S DOING

Howard Greenhalgh, your Telephone Manager in Orinda

The Pacific Telephone Company will again participate in the annual Walnut Festival, September 19 thru 22.

The exhibit provided by Pacific Telephone Company will feature free long distance calls to any state within the continental United States of America. The purpose of the exhibit is to show the ease and efficiency of placing long distance calls by D.D.D.—Direct Distance Dialing. Miss Diana Miller, Public Relations Representative, will be in charge of the exhibit.

The front pages of your phone book contain information to help you get the most from your telephone service. Why not become familiar with them?

If your youngsters at college don't write home as often as you'd like, here's one way to keep in touch. Why not arrange a time for a weekly telephone call? Remember, nothing says "you" like your voice.

Here's an inexpensive and practical item you'll want to know about. It's a separate, personal listing in the telephone directory for various members of your household. It's particularly helpful if their last name is different from yours. Each additional name listed in the directory is only 35¢ a month. For information, call our business office.

One gift that's sure to work many wonders is a contribution to the United Bay Area Crusade. Since the proceeds are shared by most of our voluntary health and welfare agencies, your donation enables them to give a helping hand to children, teenagers, and adults in all walks of life.

Pacific Telephone

## Women's Group To Have Talk On Cancer Threat

As part of their national campaign to eliminate a common type of woman's cancer through education, the Contra Costa Council of Catholic Women will sponsor a public meeting at 11 a.m. tomorrow at the Crockett's Women's Community Club, Loring Ave. near Second Street in Crockett.

The American Cancer Society film depicting plainly how women can save themselves from uterine cancer by simple physical check-ups, will be shown. It is entitled "Time and Two Women."

Mrs. J. S. DeRosa of Concord, president of the Contra Costa Council of Catholic Women, Mrs. R. F. Pimper of Walnut Creek, liaison for the Catholic Women and the American Cancer Society, and Mrs. John H. Selley of Walnut Creek, education chairman for the cancer society's Contra Costa Branch, will lead the meeting planned.

DR. ROSALIE REARDON of Pleasant Hill, project chairman for the Oakland Diocesan Council, will be present to answer questions from the audience, arising from the film.

Mrs. De Rosa said that all Catholic women in Contra Costa County are urged to attend the showing, as a means of protecting themselves against this type of cancer. Medical research, in which the American Cancer So-

ciety invested \$688,000, has resulted in the availability of a simple test which, regularly taken, can reveal this cancer early enough for complete recovery and non-recurrence of the malignancy.

city invested \$688,000, has resulted in the availability of a simple test which, regularly taken, can reveal this cancer early enough for complete recovery and non-recurrence of the malignancy.

**PREVENT FOREST FIRES**  
Now is the time of forest fires—big, hard to control, enormously destructive.  
You may not be able to do much about those fires started by lightning and other natural events, but you can do something about the fires that are started by human carelessness.

**PASSING IN MOUNTAINS**  
Allow more time for passing when you're driving in the mountains, advises the National Automobile Club. High altitudes affect the action of your engine.

# Go to Church Sunday

## UNITED BRETHREN

Members and friends of the Evangelical United Brethren Church, 2075 North Broadway, Walnut Creek will have the opportunity to hear the Rev. Clark Robb and his Seacraft youth talent team at the 7:15 p.m. Sunday service.

The Rev. Robb will bring with him the Musicalaires. The youth choir consists of children from six to sixteen. Many of these children come from the San Francisco Junior Opera.

The new pastor's class for juniors will meet on Sunday at 9:45 a.m. The theme of the class is: "This We Believe." This class is open for youth interested in the study of Christian doctrine and church history.

## PRESBYTERIAN

A sermon series "Looking At Life" will be continued Sunday at Grace Presbyterian Church's 9:45 and 11 a.m. common worship services as Pastor Robert E. Williams explores "A Theology For Responsible Parenthood." Leading in worship will be Jay Rogers, Alex Winchester and John Glover, and the chancel choir directed by Roland Wyatt, director of music, singing the morning anthem. Child care is available for both hours.

## UNITY

"Honor Mother and Father" will be the sermon topic of the Rev. Marie M. Giles on Sunday at the 11 a.m. service of the Walnut Creek Unity Church. This will be the fifth of a series of sermons on The Ten Commandments. Sunday school and Youth for Unity meet at 9:30 a.m. Sundays, with classes for all ages.

The mid-week devotional service by the Rev. Giles on Wednesdays at 2 p.m. will feature study of "Lessons in Truth."

## LUTHERAN

Worship services will be held at St. Luke's Lutheran Church at 8:30 and 10 a.m. Sunday. The Rev. David H. Romeis, pastor, will preach at both services. Nursery care is available for little ones. The Sunday school meets at 10 a.m.

The Acolytes of St. Luke's will hold their fall "round-up" on Sunday evening, beginning with a barbecue at 5:30 p.m. Following this will be a special program of films of interest to the young men of the church.

Tomorrow there will be a special St. Matthew's Day Service in the chapel of St. Luke's at 10 a.m.

The first meeting of this year's junior and senior confirmation classes will be held tomorrow at 10 and 11 a.m. respectively, in the fireside room. At this first meeting it is requested that each member be accompanied by at least one parent. The first session will be devoted to a discussion of material, class procedure, and requirements.

## PRESBYTERIAN

The Lafayette-Orinda Presbyterian Church, 49 Knox Drive, Lafayette, will hold Sunday worship services at 9:30 and 11 a.m. Guest minister will be Dr. Henry B. Adams, professor of Practical Theology and director of the In-Service Doctoral program for Pastors at the S.F. Theological Seminary.

Dr. Adams will speak on the topic "The Basic Freedom." Church school classes for all students through high school will be held at both 9:30 a.m. and 11 a.m.

Parent registration for church school will be held before and after each service.

## EPISCOPAL

"The Fear of Failure" will be the topic of the sermon delivered by the Vicar of the Church of the Resurrection, the Rev. Richard Shackell, in Pleasant Hill on Sunday.

Holy Communion will be celebrated at 8 a.m. Family services follow at 9 and 11 a.m. Sunday School and child care will be provided at the family services.

## CHRISTIAN SCIENCE

The Bible Lesson subject Sunday is "Matter."

Services are held in First Church of Christ Scientist, 22 Orinda Way, Orinda, Sundays at 9:30 and 11 a.m. and Wednesdays at 8 p.m. Sunday School is at 9:30 and 11 a.m. Child care is provided at all services.

Christian Science Society, 3422 Mt. Diablo Boulevard, Lafayette, holds church services on Sundays at 11 a.m. and Wednesdays at 8 p.m. Sunday School convenes at 11 a.m.

Church services and Sunday School classes are held in First Church of Christ, Scientist, 2 Eckley Lane, Walnut Creek, on Sunday mornings at 9:30 and 11:30 a.m. and Wednesday evening meetings are at 8 p.m.

First Church of Christ, Scientist, Pleasant Hill, at Kahr Avenue and Boyd Road, holds Sunday morning church services at 11 a.m. Sunday School convenes at 9:15 a.m. Wednesday meetings are at 8 p.m.

Subject of this week's radio program, "The Bible Speaks to You," heard Sunday at 10 a.m. over Station KGO, is "If Your Life Has Been a Disappointment."

## BAPTIST

Sunday school classes for all ages will begin at 9:45 a.m. at the First Baptist Church of Pleasant Hill, 132 Gregory Lane.

At 11 a.m. junior church for children from the first through fifth grades will begin; at the same time morning worship will start holding a choir special and message from the Rev. Marion Haight.

## LUTHERAN

The Rev. Paul Malte will preach the sermon Sunday at Faith Lutheran Church, Pleasant Hill. Divine worship services with Holy Communion will be held at 8 and 11 a.m.; Sunday school, teen and adult Bible classes at 9:30 a.m. with a coffee and fellowship hour following at 10:30 a.m.

## PRESBYTERIAN

Services will be held at 9:30 and 11 a.m. on Sunday, September 22, at the Community Presbyterian Church of Danville, with Rev. Orville L. Shick speaking at both services. Sunday church school is held at the same hours for nursery through juniors. Classes for junior high and senior high will be held at 11 a.m. only. A nursery for infants is provided at both services. A coffee hour is held between services.

## BAPTIST

"Birthmarks of a Believer" will be the topic of the Rev. Bruce Parker at the 11 a.m. services Sunday at Grace Baptist Church, Walnut Creek, 1347 Locust St.

Sunday at 7 p.m. the Rev. Parker will also occupy the pulpit, speaking on the first of a series of talks based on The Book of Revelation in the Bible.

## BAPTIST

"Where, In The World, Is The Church?" will be the sermon topic of Rev. Nathan H. Bond at the 11 a.m. worship service Sunday at the Valley Baptist Church, The chapel choir will sing. Sunday school for all ages will be held at 9:45 a.m. A promotion program will be held during the Sunday school hour. BYF meetings for youth will be held at 6:30 p.m.

## EVANGELICAL FREE

Sunday school begins promptly at 9:45 a.m. at the Evangelical Free Church, 2400 Ygnacio Valley Road. Graded classes are provided for those from kindergarten up through the college age, plus three Bible classes for adults.

Pastor Stone will speak at the 11 a.m. service on the subject, "The Ministry of the Holy Spirit." Special music will be given by the sanctuary choir. Pre-service prayer time for all age groups at 7 p.m.

## METHODIST

The Walnut Creek Methodist Church will hold worship services at 8, 9 and 1:30 a.m. Sunday. Dr. Ernest J. Troutner will speak on "Bless Those Who Learn." Church School classes will be held at 9 and 10:30 a.m. Senior MYF and the Wesley Fellowship will meet at 7 p.m. Sunday at the church. The training session will be held from 4 to 5:30 p.m. in the patio room.

## COVENANT

The Sunday school of Hillside Covenant Church, 2060 Magnolia Way, Walnut Creek, wishes to invite your attendance at its sessions Sunday at 9:45 a.m.

Pastor William C. Mays will speak at 11 a.m. on "Leoprosy, Paralysis Demonology and the Great Physician." Nurseries for babies and toddlers are provided at this service.

## CONGREGATIONAL

Rev. C. Eugene Sill, minister of Hillcrest Congregational Church, 404 Gregory Lane, Pleasant Hill, will be back in the pulpit for both the 9:30 and 11 a.m. worship services on Sunday. His sermon topic will be "On Hand." Sunday school will be held at the same hours. The full choir will sing under the direction of the new choir director, Wallace Steele.

## PRESBYTERIAN

"Our Centred Affirmation" will be the sermon topic of the Rev. James M. Crothers at St. Andrew's Presbyterian Church of Pleasant Hill on Sunday, September 22 at both the 9 and 11 a.m. morning worship service. The earlier service is a family service followed by classes for all age groups. The 11 a.m. service is accompanied by classes through the eighth grade. There is infant care at both times.

## United Church of Christ

The sermon subject of the Rev. Chauncey Blossom for morning worship is "Why Don't They Do Something About It?" Identical services are held at 9:30 and at 11 a.m. in the Orinda Community Church, 10 Irwin Way, Orinda.

Crib room and toddler care as well as Church school for three-year-olds through sixth grade are available at each hour.

## BAPTIST

The Rev. Frank Prewitt, instructor at Western Baptist Bible College in El Cerrito, will deliver a series of lectures at

First Baptist Church, Walnut Creek, starting Sunday at 7:30 p.m. The balance of the service will be presented Wednesday at 7 p.m. September 25 at 7:30 p.m., and October 2 at 7 p.m. The subject will be "Israel in History and Prophecy."

Rev. Prewitt took a leave of absence from the Bible College and for two years was resident director of the American Institute of Biblical Study at Jerusalem, Israel.

During that time he directed the school and taught a course in Geographical Orientation of Bible Land Sites and Cities. He also toured and studied extensively all areas of Bible lands.

## LUTHERAN

"A Victorious Reassurance" will be the sermon topic of the Rev. Merle O. Tollefson, at Our Saviour's Lutheran Church, 1035 Carol Lane, Lafayette, at both the 8:30 a.m. and 10:45 a.m. services.

There is a complete Sunday School for all age groups 3 years through adult at 9:30 a.m. and at 10:45 there is a Sunday School for 3-year-olds through first grade.

Sunday evening at 7:30 p.m. the pastor will show slides of his European tour for all those interested.

## PRESBYTERIAN

The fall class of the Bible study fellowship will begin September 26 at 9:15 a.m. at the Walnut Creek Presbyterian Church. The interdenominational class is taught by Miss A. Wetherell Johnson, a former missionary to China. She is also the author of the printed lessons used in the classes which all members receive as study guides. The Gospel of Matthew will be the topic of the new series of lessons.

## LUTHERAN

"Accent on Youth" will be the sermon topic Sunday by the Rev. Richard M. Bennett, interim pastor of Shepherd of the Valley Lutheran Church, 433 Moraga Way, Orinda.

Worship services will be held at 8:15 and 11 a.m. with Sunday school at 9:30 a.m. Sunday evening at 7 o'clock the Luther Leaguers and their parents will meet with Pastor Bennett to plan the fall program for the youth of the church.

The "Ambassadors" will meet September 23 at 7 p.m. Lutheran Church women will meet September 24 at noon.

## SUBURBAN BIBLE

This Sunday at the 11 a.m. worship service of the Suburban Bible Church, the Rev. Gray Lambert will deliver the morning message on the theme "Turning Trials Into Blessings."

At 9:45 the graded Bible classes of the church convene with classes for all ages.

Service will be held at new quarters, the Masonic Hall, on the corner of Brook and Moraga Road, Lafayette.

The building, a former church edifice, will house the church until the erection of the new Suburban Bible Chapel.

## PRESBYTERIAN

This Sunday is Every Member Visitation Sunday at the Moraga Valley Presbyterian Church. Church service is held at the Old Moraga School at 11 a.m. Dr. Ronald T. White, pastor, has chosen as his sermon topic "Magnificent Obsession."

Church school meets at the same time. Junior High Fellowship meets at the manse, 5 Roberts Court, Moraga, at 11 a.m. Under the leadership of Don Dye, High School Westminster Fellowship meets at 6:45 p.m. Sunday.

## ASSEMBLY OF GOD

Pastor Glen Lambert will speak at the 11 a.m. worship service on Sunday at the Lafayette Assembly of God Church, at Springbrook Road and Hillcroft Way in Walnut Creek.

Sunday school begins at 9:45 a.m. with classes for all ages from nursery to adult Bible class.

The Christ's Ambassadors Youth Group meets at 6 p.m. Sunday.

A special missionary film will be shown during the Sunday evening evangelistic rally at 7 p.m.

## METHODIST

"The Modern Bethel" will be the sermon topic of the Rev. George E. Berry of the Lafayette Methodist Church, 955 Moraga Road, Lafayette.

Sunday morning worship services are held at 9:30 and 11 o'clock.

Nursery care is provided during both services.

Church school for all ages, through high school, is held at 9:30 a.m.

A leadership training course for adults is held at 9:30 a.m.

## Viewing the Arts

# Elwood Lectures On Jazz

Philip F. Elwood, whose jazz radio programs have been featured on Pacifica Radio stations in California and New York for 12 years, is giving a series of eight evening lecture classes this fall at Mira Monte High School in Orinda.

The introductory session was last night.

Each evening's presentation runs from 7:45-9:45. Visitors are welcome to attend. The tuition of \$20 is due at the next class meeting.

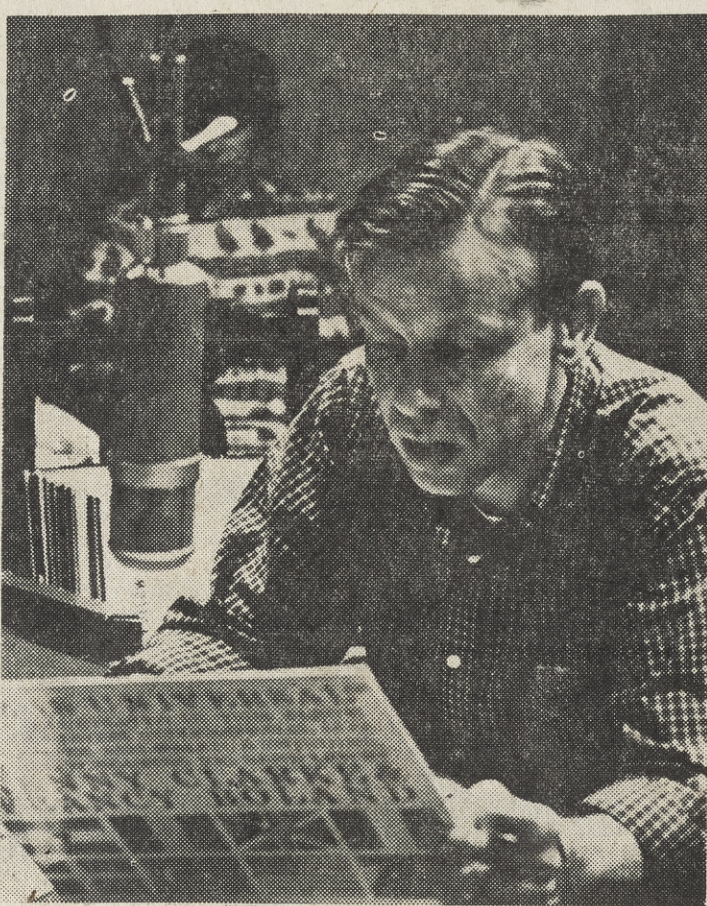

The lectures, offered as University Extension course 889 by the University of California, are entitled "Jazz Today: Factors and Product." This is a newly organized course emphasizing instrumentalists, the role of various instruments in the development of today's jazz, arrangers, and band sounds of each jazz era.

SPECIAL LECTURES will be devoted to vocalists and pianists, and especial emphasis will be placed on the environment which produced earlier jazz styles, and the importance of changed social backgrounds which have influenced modern jazz.

Extensive use will be made of recordings, bibliography and discography are provided, and recordings are loaned for further student study at home between class meetings.

Elwood has a wide following of devoted listeners. In addition to his Northern California broadcasts on KPFA, Berkeley, stations KPFA (Los Angeles) and WBAL (New York City) also carry his programs. Many college stations in the west have scheduled his "Jazz Archives" series and he recently helped produce a series on west coast jazz for Radio d'Italia.

Ralph J. Gleason, internationally syndicated jazz columnist, has said, "By far the best thought out and planned jazz programming in this area, perhaps in any city in the country."

PHILIP F. ELWOOD GIVES JAZZ SEMINAR

is that of Phil Elwood on KPFA."

RUSS WILSON says, "perhaps the best jazz programming on radio comes from Berkeley's KPFA. . . . The reason for this top notch position is Philip F. Elwood's jazz series."

Richard Hadlock wrote, "His informed and methodical approach has earned for him a listening audience that is probably larger than that reached by any other jazz radio program in the United States."

Besides producing more than a dozen hours weekly on the nation's airwaves and regularly conducting University of California Extension jazz classes, Elwood arranges many live jazz

with the Bay Area jazz scene for the past 25 years. He is a member of the social studies faculty at Del Valle High School, Walnut Creek.

All of Elwood's recorded materials are drawn from his personal collection of more than 15,000 discs, about evenly divided between 78 rpm's and long play. It is considered one of the outstanding selected collections in the world, ranging from piano rolls and military ragtime performances of the late 19th century to complete recorded works of today's most modern expressionists.

HIS LIBRARY files of jazz resource material has been used by critics and scholars from throughout the jazz world.

Elwood is thoroughly versed in the sociological aspects of the development of jazz during the last sixty years and is able to grasp some of the reasons why it is a force in American culture. He is a fluent speaker with warmth and subtle humor.

His solid knowledge of all forms of jazz music and the people who have created it, as well as the complex environment from which it came and within which it is performed, makes him unique among jazz authorities.

His own personal pleasure in the music and his enthusiasm captures and holds every audience.

## 6 Central County Girls Enter School

Forty-nine future nurses have entered Samuel Merritt Hospital School of Nursing in Oakland to begin their three-year course in nursing education.

The new students arrived from hometowns throughout California including Cheryl Messersmith and Pamela Anderson of Orinda; Miriam Morris and Sharon Richmond of Walnut Creek; Kathy Peck of Pleasant Hill and Catherine Walker of Alamo.

## Cancer Society To Sell New Xmas Cards

A striking Christmas card now is available from the Contra Costa Branch of the American Cancer Society.

Designed and donated for the society's use by Mrs. Homer B. (Leila) Wheeler of Orinda, the forest-green card features the emblematic red "Sword of Hope" as the backbone of a white angel.

THE INSIDE of the rectangular folder is mat white, for convenient writing of personal Christmas notes and/or family photographs.

Only on the back of the card does a small legend in white on green note that "to help reaffirm the real purpose of this holiday season, a contribution has been made to the American Cancer Society."

Individual families, professional persons and business firms already have begun to select these cards to send in December.

Sample cards and envelopes can be inspected now at the Contra Costa branch headquarters of the cancer society at 2180 N. California Boulevard in Walnut Creek, and telephone orders can be made by calling 934-7640.

Orders can be mailed directly to the donor.

THE SOCIETY'S cards are never sold, but are distributed in acknowledgement of donations.

Funds received in this way are used for support of the society's year-round programs of scientific research, public education and service to cancer patients.

To cover printing costs for card and envelope, a minimum donation of 10 cents per card has been established.

Name imprinting can be added upon request at cost price of \$1.50 for 50 or less, \$2.50 for 100, and \$2.00 per 100 thereafter.

## FROZEN CREAM

New food product is frozen whipped cream, needs only to be squeezed from a tube as topping for foods, then refrozen for later use.

# EBMUD And Recreation

For a long period of time Contra Costa County has been in a dither over acquiring land for park and recreation purposes.

Voters last year turned down a bond proposal for this purpose and this year various county agencies have been going around in circles over a possible "pay-as-you-go" program.

The old axiom in fast-growing California still holds true in the county's case and that is—the longer you wait the less land you can buy.

THUS IT IS that The Sun still believes a recent Grand Jury recommendation has much merit.

The recommendation was that the county annex itself to the efficiently-operated East Bay Regional Park District, which has a series of parks in both Contra Costa and Alameda counties.

In past editorials we've discussed this recommendation at some length and it is quite apparent that such an annexation move would solve many of our problems.

IN NOVEMBER the county's park directors will submit various recommendations to the Board of Supervisors.

Undoubtedly the annexation possibility will be included.

We know that the supervisors will give long, careful study to all recommendations.

But we hope that they will see the annexation move in the same light that we do, and act most favorably.

# Autumn Madness A City And Family Fun

Well, look who we've got with us again—ol' King Football himself.

Yep, it's autumn madness but isn't it delightful madness?

Which is why we're in the mood today to offer a bit of advice for some real old-fashioned family fun.

THERE'S A high school in your area and the Central County high school teams provide plenty of exciting football.

There's not only the crunch of contact but bands, pom-pom girls and yells.

Better yet, all games are at night.

And that's where we're suggesting the family fun. Get mother out of the house. Let the kids enjoy the excitement, too. Watch the wide-eyed joy spread through your offspring, especially if it's his first game.

OUR HIGH SCHOOL squads swing into regular league play next Friday night.

Why not pick up a schedule and see one or more games.

We guarantee you'll have a lot of fun, and so will your family.

# Relax When You Go To The Game

Getting in the mood to attend some football games—high school, college or pro?

The automobile clubs offer some advice that can make your car driving a little more enjoyable that day. First of all, allow enough time that you don't have to rush to the game.

WHEN APPROACHING the stadium area, observe the area's traffic laws and policemen.

Keep alert for parking facilities. If you park on a large lot, don't block another person's car. He may want to leave before you do.

After the game, take it easy in heavy traffic. Watch for dangerous road conditions where other cars or the weather are creating accident hazards.

Post-game traffic, shorter days and excitement from the recent game combine to pose special dangers to all motorists.

AND IF YOU'RE in the mood for some bottled-type celebrating, wait until you return to your home area.

# Walk--Don't Run For The Game

## Pro and Con

## A City Should Be A City

Ed. Note: Today our columnist takes issue with opponents of any incorporation plan for Lafayette. He tells how "inadequate information" can result in the wrong vote.)

By ROBERT KAHN

Lafayette is headed toward another chance at incorporation. At the moment I don't want to evaluate the present proposal but I do want to discuss the inadequate information upon which many people will make up their minds on, how to vote.

It seems that as more people have more education they should know more about how cities operate financially. Unfortunately, our legislatures have increased the complexity of city financing faster than our educational process can educate people.

IN THE original vote for incorporation, which included most of the area encompassed by the Lafayette school and fire districts, the most telling argument of the opponents was that this would "add city taxes on top of county taxes." Factually, this statement was incorrect and the proponents did not fully combat it.

Under the original boundaries the maximum revenue that a property tax could have raised in Lafayette would have been \$250,000. But the proposed city would have gotten \$150,000 as its share of the sales tax collected in Lafayette, \$120,000 from automobile registration, and \$66,000 from gasoline taxes.

IN OTHER words, \$336,000 in taxes then being paid by Lafayette residents would have been available—without a single cent of property tax. It was estimated that there were some \$55,000 in other revenues that would have come to the city without imposing a property tax.

It is my firm belief that the bulk of the people who voted against incorporation did not understand two basic factors in financing California cities today: First, that there is not just a "county tax" now in Lafayette, and, second, that today cities the size of Lafayette generate far more of their revenue from items like sales tax, gasoline tax, auto registrations and the like than they do from property tax.

## We Like It Here... Chapter Five Of The New Suburbia Primer

By MARIE MONAHAN

LOOK, LOOK, look, Dick & Jane.

See the little school board.

See the little school board members all in a row.

No, no, Dick & Jane. Not row as in fight. Row as in grow.

Now see, Dick & Jane. The school board members are busy people.

BUSY, busy people.

They have a big job to do.

A VERY, very big job.

The school board must please SO many people.

People, people, people.

Yes, Dick & Jane. People like your parents.

Yes, Dick & Jane. School children like you.

The school board must also please the teachers.

And the principal.

And the superintendent, of course.

But most of all, the school board must please the taxpayers.

The taxpayers are the people who pay for your new schools, Dick & Jane.

THE SCHOOL board doesn't always please the taxpayers.

But the school board tries.

LOOK, look. See the school board trying.

TRYING, trying, trying.

No, Dick & Jane. Not crying. TRYING!

These are very trying times for the school board.

There are so many of you children.

There will be a lot more of you children, too, before a

Suburbia is finished growing.

OH, OH, OH. The school board looks worried.

The School Board has growing pains.

They must study just like you do, Dick & Jane.

STUDY, study, study.

Study all the problems about schools.

Instead of Mommies & Daddies to help them, they have committees.

Committees, committees, committees.

Or they make surveys.

This is to help them find the right answers.

Just like you do in SMSG, Dick & Jane.

The school board then makes decisions.

BIG, big, big decisions.

The school board is deciding how to spend the taxpayers' money.

Money, money, money. So very, VERY much money.

Just think, Dick & Jane, ALL that money.

If you hurry home & tell your Mommy & Daddy how hard it is for the school board to spend all that money, maybe they'll come to the meeting to help.

No, No, Dick & Jane, NOT yelp. HELP!

AND then the school board won't look so lonesome.

Or so worried.

Or so tired...

RUN, run, Dick & Jane.

Hurry, hurry, hurry...

\*This month attend the school board meeting of your choice. (The family that pays together stays away from school board meetings together.)

## Staff Corner

## Should Auld Friendship Be Forgot

By JACK BUSHNELL

Fall of the House of Usher might well be a caption for the devastation that took place on Mt. Diablo Boulevard recently.

These are changing times. They say that time and tide wait for no man and so it was with Danny Van Allen's emporium.

It seemed only a few days ago after Danny left that machines fell upon the old landmark and literally devoured what was once a palatial palace for the dispensing of beverages.

This was the abode of the self-proclaimed moonlight Mayor, Danny Van Allen.

THIS WAS the abode where men walked fiercely in, pounded on the bar, ordered their straight shot of bourbon, swallowed the fiery liquid and buckled down to an evening of pleasure.

Ladies in their finery and some in "not so finery" could be counted on to drop in, if only to escape the heat of the day.

Well things are different now and the machines have done their evil.

They have torn asunder the proud old building that was long a mecca for the weary traveler and some not so weary.

The stout old timbers and some not so stout have been reduced to rubble and all that exists is just one big mess on Mt. Diablo Boulevard.

IT HAPPENED on a Sunday and the weather was so hot that one would have had to strain one's eye to see even one sidewalk superintendent supervising the job.

But all was more apparent than real for in the bar across the Boulevard men and women were lined along the windows of the "Roundup" watching the destruction.

Walls sagged and plaster came tumbling down.

It was hard to ascertain just what was going on in the minds of "the witnesses" as they watched an "old friend" tumble to the ground.

CERTAINLY there were mixed emotions.

Ah! the memories that reflected the really good times encountered within the portals of the old emporium—the jests, the jousts, the escapades.

One alone may have felt little compassion for the old structure.

The Roundup inkeeper may have thought this one way to keep competition to a minimum.

I would rather think that he, like the captain of a ship, would hardly entertain such thoughts.

I'm not quite sure but thought I detected a tear in his eye.

OH, THERE were the brave ones who would comment on the fall of the old bar and dance hall.

One construction worker, clad in hard hat, suggested the possibility that if the job of destruction was not completed "this day," he might just lean on the building a little and push it down.

From all appearances every one, just everyone, hated to see the fall of the house of Van Allen.

THEY SAY a service station is going to take the place of the old emporium but you know and I know that nothing will be the same.

Nothing can take the place of the palatial palace, the old loveable emporium of Danny Van Allen.

## Under The Sun

## An Understanding Judge Helps Teenage Drivers

By ELEANOR SILVERMAN

Overheard in the Walnut Creek Municipal Court recently, with Judge Betsy Rahn presiding:

"Before I hear the juvenile traffic violations, I'd like to give you a few thoughts and statistics on auto accidents."

And with that the uneasy parents and teenagers relaxed in their chairs for a moment to hear what the Judge could have to say that was important enough to interrupt a court schedule which was already a few hours behind.

"Traffic surveys show that 80 per cent of all accidents are caused by violations of the vehicle code. This means that out of every 100 lives that are lost on the highway, 80 people would be alive if you and I obeyed all the traffic rules."

That wasn't all the impressive, and vital (in the true sense of the word) information the people in the courtroom were to hear.

### Listens Carefully

As each case was tried, the Judge took time to hear the story of the violation in detail. Sometimes the teenagers seemed to register surprise that here was someone who was really listening to what they had to say. She listened intently, gave the sentence, and then gave out with some sound advice for everyone.

Such as: "When you turn left, you are performing a hazardous operation. You are responsible for what happens when you make that turn. You are not even supposed to make the oncoming traffic slow down for you."

"When you are upset, just don't drive. "When the stop signal turns red while you are in the crossing, it means that you were trying to push through on the yellow signal and that you really had time to stop safely at the signal."

"Just because the traffic seems to be moving at a speed greater than that designated for that area doesn't mean that you are right in moving with the traffic. I have always brought my son up with the advice that two wrongs don't make a right."

### Speeding Violations

"No matter what the speedometer reads, you are speeding if you are going faster than the speed the officer feels is safe for the conditions."

The people gradually leaving the courtroom had in effect attended a traffic school. Congratulations to Judge Rahn for devoting so much time, consideration and understanding to each case. Perhaps some of these teenagers will remember her voice when they are driving down the highway and maybe a few extra lives in our County will be saved.

## Letters to the Editor

PHONE SOLICITORS  
EDITOR:

I wrote the Sun recently regarding the practice of telephone solicitation which is not only annoying, but I feel, a real intrusion on our privacy.

I subsequently learned that almost 100 per cent of these calls are made to the home via the "Street Directory" published by the Telephone Company. I think perhaps that many people do not realize that there is such a directory, listing by street address rather than alphabetically by name as the phone book does.

These street listings are "leased" by firms and organizations which of course is encouraged by Pacific Telephone for it is revenue for them.

I also learned that any person may have his name and address deleted from this directory by a simple call to the phone company (which I have already done). Others, who have done this in the past, tell me they have had no further trouble with salespeople calling, after such removal.

I write this, not in anger, but as a bit of public information, for I know of no way that telephone solicitation can be stopped except by individual

efforts of those people who are sufficiently annoyed to do something about it. Feeling that many, as I, did not even know about this avenue of escape, I trust you will publish this letter in the public interest.

JOYCE McBETH  
Pleasant Hill

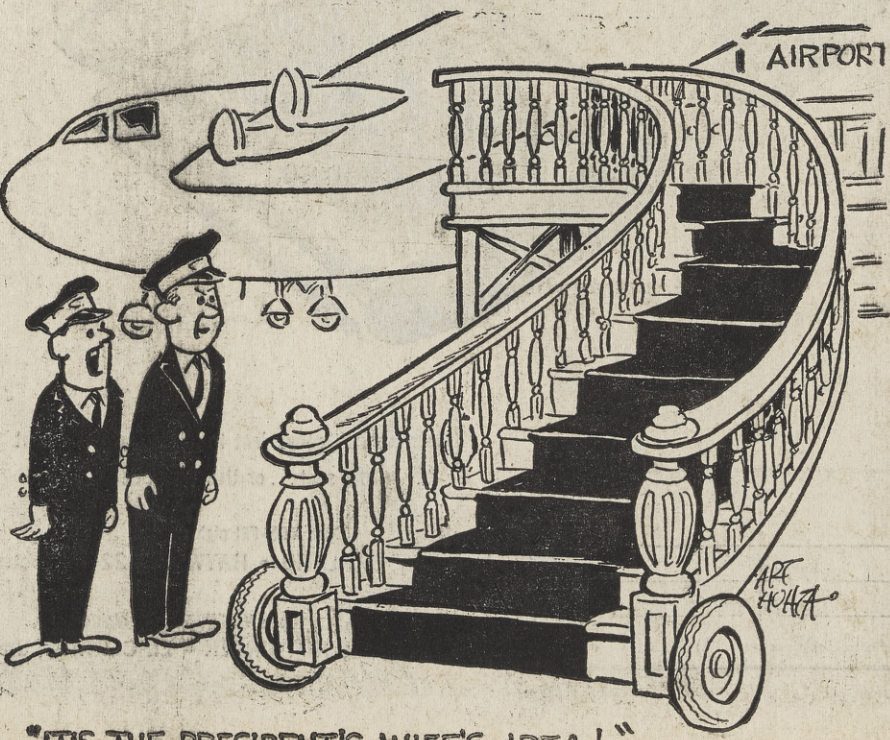

### JAYCEES SWIM

EDITOR: Last weekend at Miramonte Pool the Orinda Junior Chamber of Commerce sponsored its annual "All Orinda Community Swimming Meet."

Invited to the swimming meet were all club teams in the Orinda area. The meet has been sponsored for a number of years by the Junior Chamber of Commerce, however, the meet this year was far and away the best meet ever. The organization was superb and the trophies and ribbons provided for the contestants were outstanding.

Congratulations and thanks for a fine swimming meet should be given to the Orinda Chamber of Commerce by all Orinda residents with an interest in the athletic activities of children.

STANLEY PEDDER  
Oak Springs Swimming Team

"IT'S THE PRESIDENT'S WIFE'S IDEA!"

# Hummingbird Glamourama

"Moonlight and Roses" will be the theme of the third annual "Glamourama" dance and fashion show to be presented by the Hummingbird unit of the Mt. Diablo Therapy Center September 28 in the Floreline room of Castlewood Country Club.

Festivities will feature dancing from 9 o'clock to 1 a.m. to Gus Stearns orchestra. A glamorous fashion show and breakfast will be served after the final dance.

Mrs. Robert Cook is chairman of the gala function, assisted by Mrs. Gil Meacham, fashion coordinator.

Committee members helping with the party plans are Mrs. Alan Setterquist, decorations; Mrs. John Bradley, tickets and reservations; Mrs. Robert Spitzack, invitations; Mrs. Edward Le Sage, special events, and Mrs. Jim Mathews, door prizes.

Fashions for the occasion will be provided by Mrs. Agatha Venturini of La Femme in Walnut Creek. Rolf Peterson of KGO-TV will act as narrator for the style parade.

Promerading in the fashion show will be the lovely Mmes. Gil Meacham and Ray Davis of the Hummingbird unit along with other glamorous Diablo area models.

Highlight of the evening will be the awarding of door prizes, including a suite for the weekend at the Hacienda in Las Vegas and a portrait by the well-known artist, Ruth Hussy.

All the unit members will be entertaining at cocktail and dinner parties preceding the dance.

## Women in The Sun

FRIDAY, SEPTEMBER 20, 1963

### Sprechen Sie Smith Deutsche?

Sprechen sie deutsche, bitte?

One really won't have to speak German to enjoy the big Bavarian night at the Starkenburger Hof (home of the Fortney H. Starks) in Lafayette.

Barring thunder and lightning, the supper will be served in the gardens and orchard of this Happy Valley residence.

The exciting event is being given by the Smith College Club of the East Bay as a reunion for all its members in the whole East Bay area.

The gemütlichkeit affair will attract people from as far as Livermore and Albany.

Among those coming for bratwurst, brot and beer will be Mr. and Mrs. W. Middleton O'Brien from Orinda and Mr. and Mrs. Howard Pennington from Lafayette.

Besides the Bavarian home-cooking, another festive touch will be added by the accordionist, Horst Kurio. He will play polkas, schottishes and waltzes and also sing many old German folksong favorites.

### Gamma Phi Honor Four Local Pledges

Dr. and Mrs. Walton Kirk will be hosts to Gamma Phi Beta alumnae and their husbands for a swim party Sunday from 2 until 5 p.m.

The Kirk home is at 117 Via Serena, Alamo.

Contra Costa alumnae recently joined the Berkeley alumnae group in honoring the Gamma Phi pledges from the University of California. The luncheon and swim party took place at the home of Mrs. Donald Kelley in Orinda.

Among the 26 new pledges in the Berkeley chapter are Christine Block, daughter of Mr. and Mrs. Carlton E. Block, Orinda; Hester Harris, daughter of Mr. and Mrs. Henry Harris, Orinda; Jeanne Yeomans, daughter of Mr. and Mrs. Harry Yeomans, Lafayette; and Christine Gard, daughter of Mr. and Mrs. Arnold Gard, Lafayette.

The four local pledges and their mothers will be among those feted at the traditional mother-daughter luncheon Thursday at the Chapter house in Berkeley.

Following the luncheon, the Mothers' Club will hold a short business meeting, at which time mothers of the pledges will be welcomed by club president Mrs. Paul C. Henshaw.

Guest speakers will be Mrs. Ralston W. May and Mrs. David B. Stewart, both of Lafayette.

Mrs. May, president of Gamma Phi Beta Hall Board, and Mrs. Stewart, treasurer, will explain the functions of this governing body to the club.

Plans for the annual luncheon and fashion show, "Holiday Preview," featuring styles from Saks Fifth Avenue, on Wednesday, November 13, will be presented by Mrs. L. B. Groezinger of San Francisco, vice-president and chairman of the event.

Former Orindan Mrs. Robert H. Bolman will be in charge of models, comprised of both mothers and daughters.

An incidental note of interest to Orindans—Sylvia Bolman has just returned to the Cal campus after spending the summer in Europe.

MR. AND MRS. PETER HENRY MELVIN Joanne (Jody) Gompertz

—Hal Matson photo

### Jody Gompertz Weds

Joanne (Jody) Gompertz and Peter Henry Melvin exchanged wedding vows recently at St. Stephen's Episcopal Church, Orinda.

The bride's brother, Rev. Charles B. Gompertz, performed the 4 p.m. rites.

Jody is the daughter of Dr. and Mrs. John L. Gompertz, 21 Santa Lucia, Orinda. Peter's parents are the Byron H. Melvins of Berkeley.

Both the bride and groom are continuing their education. Jody is presently attending the University of California Medical Center Nursing School in San Francisco, where she has been the recipient of many scholastic honors. She is a graduate of U.C. where her sorority affiliation was Delta Gamma.

Peter is presently working for his doctor of philosophy degree at U.C.

He graduated from U.C. where his fraternity was Phi Delta Theta, and he earned the Phi Beta Kappa key. He received his master's degree from Harvard.

Mrs. John B. Huntington (Peggy Gompertz) was her sister's matron of honor.

Bridesmaids were Mrs. D. Alden Robertson (Stephanie Jensen) and Mrs. Raymond M. Denner (Melinda Melvin). Melinda, Peter's sister, was a bride earlier last month.

Duane E. Smith was best man.

Ushers were F. Michael Anderson, Raymond M. Denner, and Donald E. Wegars.

Dr. Gompertz gave his daughter in marriage. Her gown was of white peau de soie with alencon lace insets on the bodice and a bell-shaped skirt.

The French illusion veil was elbow-length and held by a headpiece of peau de soie.

### Pharmacists' Wives Start

Contra Costa Women's Auxiliary to the Northern California Pharmaceutical Association will get their fall activities under way with a potluck dinner to be held at the home of Mrs. Don McCauley in Concord. The date is set for Wednesday at 6:30 p.m.

Women pharmacists, wives of manufacturers' representatives and wives of pharmacists are cordially invited to attend. For further information, contact Mrs. Betty Egan, 934-7486.

with small roses of the same material in front.

Jody's bouquet was of butterfly orchids, roses and stephanotis.

Following the church service, a reception was held at the Gompertz home.

The young couple is now at home in San Francisco, after a honeymoon in the Northwest.

MILLS GIRLS—Honored at a swim party luncheon at the James Burris' home in Lafayette recently were new and returning students at Mills College. Among the local students are (from left, front row) Karen Anderson, Sandra Hoskins, Peggy Weber. Back row, Marcia McClurg, Tara Connor, Eleanor Herod and Anne Lowenstein.

### Eight Localities Will Start Mills

Eight young women from Contra Costa County are listed among the new students entering Mills College this fall.

Registering on the Oakland campus for the first time this month will be: Sandra Claire Hoskins, daughter of Mr. and Mrs. Marion G. Hoskins, 1451 Lydia Lane, Concord, a transfer student; Anne Marie Shimek, daughter of Mr. and Mrs. Frank H. Shimek, 1171 Alameda Court, Concord; Karen Lea Anderson, daughter of Mr. and Mrs. Lloyd Anderson, 1272 Del Arroyo Court, Lafayette, graduate of Acalanes High School.

Tara Louise Connor, daughter of Mr. and Mrs. Joseph A.

Connor, 3898 Happy Valley Road, Lafayette, transfer student; Jan Miller, daughter of Mr. and Mrs. Robert L. Miller, 15 Scenic Court, Orinda, transfer student; Anne Louise Loewenstein, daughter of Drs. H. G. and E. Lowenstein, 896 Central Avenue, Pittsburg, graduate of Pittsburg High School.

Penelope Ann Lockwood, daughter of Mr. and Mrs. Bradley F. Lockwood, Jr., 116 Arlene Drive, Walnut Creek, graduate of Yuba City Union High School; Marcia Marie McClurg, daughter of Mr. and Mrs. G. J. McClurg, 2650 Ross Place, Walnut Creek, graduate of Pleasant Hill High School.

The local girls will begin their studies Tuesday. They arrived on the Mills campus in time for the opening of the college residence halls yesterday.

A series of traditional academic and social events—including a round of parties, open houses, orientation tours of the campus and San Francisco Bay Area, and a picnic at Pine Top on the woodland college grounds—are on the opening-week agenda for new Mills undergraduates.

Last week, the Mt. Diablo and Orinda Mills Clubs honored all new and returning Mills students with a swim party at the home of Mrs. James Burris in Lafayette.

### Linda Bargones To Study in Paris

Linda Bargones, daughter of Mr. and Mrs. E. L. Bargones, 208 Camino Sobrante, left New York recently aboard the SS Statendam and arrived in Paris on September 6.

Along with 80 students from various parts of the United States she will stay in Paris for a week, then proceeding to southern France where she is enrolled at the University of Aix-Marseille, located at Aix-en-Provence.

She will continue her major in French history and language which she studied for four years at Miramonte High School, and two years at the University of Oregon at Eugene.

### Daisy Group Takes Tour

Among 71 members of the Daisy Group of Lincoln Child Care Center in Oakland who departed San Francisco International Airport Friday, August 30, via Japan Air Lines Jet Courier for a vacation tour of the Orient were five residents of this area. The tour

plans to return September 27.

The following localities were among the group: Mrs. Madeline Fisk, Orinda; Mrs. Virginia Mayne, Lafayette; Mrs. Virginia Schumacher, Danville, and Mr. and Mrs. H. E. Bailey of Orinda.

## 15 Roman Lights

The Rise (and in the Fall) of the Diablo Country Club will be celebrated at the clubhouse tomorrow night. Roman decor will be carried out at a formal dinner dance for the club's 15th anniversary.

White "marble" Roman figurines will decorate the tables in the dining room, with red grapes and grape leaves in abundance.

In the foyer will be life-sized Roman statues and huge murals depicting scenes of the Roman empire. Mrs. Edward LaCaba and her committee arranged for this decor.

Guests will be welcomed by huge lighted urns at either side of the entrance.

The traditional anniversary cake, ablaze with 15 (not Roman) candles will be cut by Diablo Country Club President and Mrs. Louis Shrepel.

There will be a short ceremony of introducing the past presidents of the club.

Nostalgia for the old days when Diablo was REALLY the country will undoubtedly dominate many conversations. Way back when in World War I, there was no gas to get to "the summer house."

Diablo Country Club was originally established in 1920. However, it closed down twice: once during the depression and once during World War II.

During the latter, the clubhouse was converted for a convalescent home.

The club was bought by Lawrence Curtola in 1947 and memberships reopened, under the present regime, in 1948.

During the war years, the golf links were dotted with wheel chairs instead of golf carts and nurses white uniforms instead of tweeds.

Chairmen of the anniversary party are Mr. and Mrs. Hal Morgan.

They are being assisted by Mr. and Mrs. William Peek, Mr. and Mrs. William Farrell, Mr. and Mrs. Donald Ungar, Mr. and Mrs. Ted Reed, and Mr. and Mrs. Edward LaCaba.

Dinner will be served at 9 p.m. Cocktails will be served at the club from 7:30 p.m. Many members are planning to gather at homes before boarding their chariots.

Dancing to the music of Henry Gallagher's orchestra will continue from the Roman till the gloamin'.

### Phil Hunter Takes Bride

Phillip Hunter of Orinda recently claimed the former Judy Lawrence as his bride.

Setting for their marriage ceremony was St. Paul's Episcopal Church, San Rafael. The Rev. John D. Riley performed the rites.

Judy's parents are Mr. and Mrs. Denison Lawrence of San Rafael. Phil's parents are the Donald Hunters of Orinda.

The bride wore a moonlight white peau de soie gown with scoop neckline and bell skirt. The bodice and chapel train were of chantilly lace trimmed with seed pearl.

Her silk illusion veil was held by a small crown of chantilly lace and seed pearl. The bridal bouquet was of white roses and bouvardia.

Maid of honor was Ann Bisby. Bridesmaids were Anne Lawrence, Vivienne Reinhard and Mrs. Thomas Gunter.

The groom's cousin, Beverly Abbott, was flower girl.

Best man for his brother was James (Jim) Hunter of Orinda. Ushers were Ed Davis, Eric Anderson, and Robert Graves.

Acolyte was Peter Bisby. The bride's parents gave her in marriage.

Alexander Hall, San Francisco Theological Seminary in San Anselmo, was the site for the reception following the church service.

Organist was Mrs. James Trammel.

Judy graduated from the University of Pacific this June.

An Acalanes High School alumnus, Phil received his degree from Pacific in 1961.

The couple is residing in Oakland after a honeymoon in the Santa Cruz mountains.

the smartest step...you'll ever take!

**ALPHA O**—An open house in the Orinda home of Mrs. Calvin Duncan is being planned for September 28. Among those planning the benefit affair are (from left) Mrs. Robert Cathcart, Orinda; Mrs. Robert Bentley, Lafayette; Mrs. Donald R. Hubbard, Moraga; and Mrs. Walter H. Medak, Lafayette.

## Alpha O's Open House

East Bay Alumnae of Alpha Omicron Pi will hold an open house September 28 from 5:30 to 8:30 p.m. in the home and gardens of Mrs. Calvin Duncan, 95 Camino Encinas, Orinda.

Chairman will be Mrs. Calvin Duncan of Orinda. Ticket chairman, Mrs. Allan Duveneck of Oakland. Committee members include

Mrs. Wallace Greenlaw of Orinda and Mrs. William Platt of Lafayette.

President of the East Bay Alumnae Mrs. J. A. Sciutto will greet guests. Alpha Omicron Pi Ribby group will assist in hosting.

Proceeds to go to Herrick Memorial Hospital and Frontier Nursing Home of Kentucky.

## Back-To-School Party At Reliez

A "Back to School" party will be held at Reliez Valley Country Club tomorrow.

Moms and dads and their guests will simulate the trek back to school of the club's kids by donning boy and girl costumes for dinner and dancing.

Prizes will be awarded for the best costumes.

Also on the club's calendar is a fashion show being planned for October 2 at 1 p.m. Mrs. Gene Miller and Mrs. Robert Seaton are in charge of the event. It will be held poolside and will include luncheon.

## Thrift Shop Surprises!

A Tuesday table of surprises is the new feature for the Therapy Thrift Shop, 1602 N. Main Street, Walnut Creek.

Items will be selected from all departments at bargain prices. Tuesday was selected to remind patrons that the shop is now open on that day.

Mrs. Marcus Matlock and Mrs. Walter Crutcher are presently showing the Autumn collection of women's blouses and Fall hats. The racks have all been replenished with seasonal wear.

Shop hours are Tuesday through Thursday from 10 a.m. to 4 p.m. Friday and Saturday from 10 a.m. to 3 p.m.

Linnet Unit will hold their annual swim and luncheon party, honoring associate and inactive members Monday. Mrs. Theodore Westphal will be hostess and Mrs. John Larson will head the refreshment committee.

## Dails Attend Daughter's Wedding In East

Mr. and Mrs. Howard Dail, 18 Daryl Drive, Orinda, recently returned from Orange, New Jersey, where they attended the wedding of their daughter, Phyllis, to Ray Lindquist of Los Angeles. The ceremony was performed by the groom's father, Dr. Raymond Lindquist of the Hollywood Presbyterian Church.

Phyllis graduated from Acalanes in 1957 and from Pomona College in 1961.

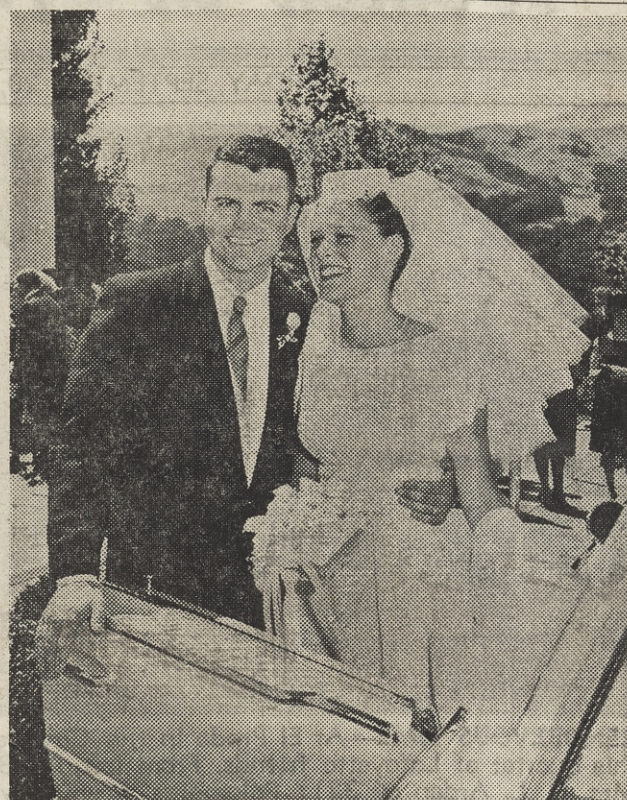

She received her degree of library science from the University of California at Berkeley and has been a librarian at M.I.T. in Boston for the past year.

Ray graduated from Pomona College in June and will begin graduate work at Princeton University this fall.

FRIDAY, SEPTEMBER 20, 1963

**MR. AND MRS. ERNEST CARL DOSSA**  
(Judith Camille Ageno)  
Bride is Holy Names alumna

—Hal Matson photo

## Judy Ageno Is Bride

Judith Camille Ageno became the bride of Ernest Carl Dossa Jr. recently at Santa Maria Catholic Church, Orinda. Father David Harrington performed the noon rites.

Judy is the daughter of Mr. and Mrs. Frank F. Ageno, 182 Upper Happy Valley Road, Lafayette.

She is a graduate of Miramonte High School where she was president of the Dianas. At the College of the Holy Names in Oakland, she was a member of Spartan Shield honor society.

Ernie is the son of Mr. and Mrs. Ernest Carl Dossa of Oakland. He graduated from Oakland Technical High School and attended San Jose State College.

Maid of honor was Nancy Tuft. Bridesmaids were Mrs. Kathy Johnston and Shirley Serena.

Best man was Robert Franco. Ushers were Todd Nelson, John Moglia, Ted Ageno and Carl Reggiardo. Ted is the bride's brother. Carl is the groom's cousin.

Judy's gown was a long white linen trimmed in Viennese and French lace. It had a detachable train and high scoop neck with short, lace trimmed sleeves.

A small pillbox trimmed in matching lace held her veil. She carried lily of the valley and baby roses on a prayer book.

The justweds honeymooned at the beach and mountains.

## 'Carnival Of Color' Is Spinsters, Dames Theme

Saturday the Orinda Country Club was transformed into a riot of color for this year's Spinsters and Dames formal dance.

"Carnival of Color" was the theme. Among the decorations were brightly colored tissue paper chains and balloons. Large brilliant fans from China decorated the tables and intriguing colorful collages lent a marvelous carnival atmosphere.

The decorations, under supervision of dance chairman Mary Dickson and Mrs. John Greene II, were made and arranged by the new members.

Members and their guests—many beautifully tanned from vacations—added to the colorful decor in their lovely gowns—a carnival of color in themselves.

Gordon Heche's orchestra provided music for dancing till 3 a.m.

Among the guests welcomed at the dance were Cynthia Evans and her escort from San Francisco who were guests of the Jerry Wendts of Orinda. Shiela and Jerry vacationed in the Santa Ana area during the summer.

where they visited Disneyland.

Mr. and Mrs. Milton Hoover were up from Carmel as guests of Mr. and Mrs. Jeffrey Baus. Mr. and Mrs. Albert Smith of Carmichael were guests of the Donald Richardsons of Piedmont.

President of Spinsters and Dames Mrs. Thomas Wilson, and her husband had just returned from the dance from Pebble Beach where they were vacationing.

Also returning recently were the Stephen Schadlichs who had vacationed in Sun Valley, Yellowstone Park and the Jackson Hole country in Wyoming—where Steve spent many an hour fishing. Spending several weeks in Los Angeles this summer were the Victor Nelsons, the Donald Furbushes and the Robert Blakes.

Elated over stork arrivals during the summer were the Eugene Davises, the William Gonsers, the Jerry Abbotts and the Stewart Larsons.

The Wallace Hagglunds had a marvelous summer vacationing at Marla Bay, Lake Tahoe and at Clear Lake.

## Circle's 1st Silver Tea

Invitations are out for the first silver tea to be presented by the Diablo Valley Circle of the Florence Crittenton Home of San Francisco.

The tea will be at the home of Mr. and Mrs. Walter Weinzheimer, 250 Normandy Lane, Walnut Creek, Wednesday.

"The purpose of the tea, said General Chairman Mrs. Peter Kosta of Lafayette, "is to acquaint women of the area with the workings of the Crittenton Home and to raise funds for the home."

Over 100 women are expected to attend, she said.

Mrs. Robert Ramelli of Walnut Creek, president of the Diablo Valley Circle, has announced that Miss Jean Bolton, executive director of the home, will speak to the group.

Also in attendance will be Mrs. Helene Nemschoff, coordinator of volunteer services, who has aided the circle and other new groups in formation over the past year.

Mrs. Anthony Ferreira of Oakland, who is in charge of floral arrangements for the tea, won the first prize in the simplicity division at the Flamingo Floral Tea last spring.

Mrs. Calvin Scilacci of Walnut Creek is the chairman for the food.

**SILVER TEA** arrangements are being made by members of the Diablo Valley Circle of the Florence Crittenton Home. Pictured in the garden of the Walter Weinzheimer home, 250 Normandy Lane, Walnut Creek, are three of the tea committee. From left, Mmes. Calvin Scilacci, Anthony Ferreira and Peter Kosta.

## Dr. Groves And Bride Are Home In Lafayette

Of interest to their host of friends in the Bay Area is the recent marriage in Dundas, Canada, of Dr. Murray Howell Groves, Jr., to Catharine Margaret Elizabeth Mackay, daughter of Mr. and Mrs. John MacKay of that city.

Following the ceremony in St. Paul's United Church, the newlyweds honeymooned in Canada and are now at home in Lafayette.

Dr. Groves is an orthodontist with offices in Concord. He attended local schools and Oregon State and graduated from the University of California in Berkeley with a degree in zoology.

He took graduate work at the University of Indiana, graduating with a degree in orthodontia. Here he met his

bride, who later came West to teach in Pacifica High School in Pacheco.

Parents of the groom, Dr. and Mrs. Murray H. Groves of Camino Encinas, Orinda, went to Canada for the wedding and celebrated their golden wedding anniversary with an extended trip in Ohio. Here, they visited their birth places and childhood friends and relatives and returned via Michigan, Illinois and Colorado with further visits, returning to their home just last week.

Their daughter Frances Groves Perry, well known dramatic mezzo soprano, was unable to attend the wedding of her brother as she and her husband are presently living in Germany.

**MRS. JOHN G. BANNISTER, JR.**  
(Ellen Elizabeth Summers)  
Lovely Whittier wedding

## Bannister Nuptials In South

John Grant Bannister Jr. claimed the former Ellen Elizabeth Summers as his bride in Whittier September 7. The high noon ceremony was at St. Bruno's Catholic Church.

Beth, as the new Mrs. Bannister is called, is the daughter of Dr. and Mrs. Frederick H. Summers of Whittier.

John's parents are the senior John Grant Bannisters, 38 Donald Drive, Orinda.

The bride was a 1960 honor graduate of a Whittier high school. She is a senior at Stanford University where her major is political science. She attended Stanford in France in her junior year. Beth will graduate in December.

John graduated from Austin Preparatory School in Grosse Point, Michigan. Last June he received his degree from Stanford. His campus affiliations included Phi Kappa Sigma social fraternity and Pi Sigma Alpha honorary political science fraternity.

The groom is now attending Stanford Law School.

Altar and chancel at St. Bruno's was done in white gladiolus, large and spider chrysanthemum, and stock. The aisles were draped in white satin ribbon with greens and white bouquets.

Beth's gown was a Cahill original of French tissue silk. It had a portrait neckline edged with French Guipure lace. Her silk tiered illusion veil was held by a petaled pillow of lace re-embroidered with seed pearl.

The bride's strand of pearls was a gift of the bridegroom. Her bouquet was of Phalaenopsis orchid and lily of the valley.

Mrs. H. Bruce Williamson Jr., sister of the bride, was matron of honor.

Anne Bannister, sister of the groom, was a bridesmaid. Others were Margaret Ferguson, Sally Mancuso, Kay Hartshorn, Susan Willis and the Mmes. Boyd Cline and Ralph Geise.

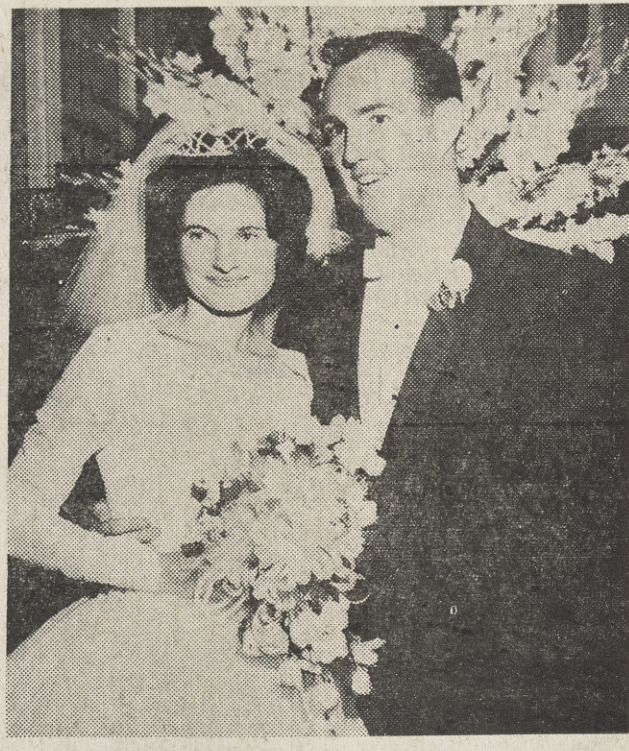

Best man was Alan Holroyde of Maui, Hawaii.

Michael and William McGuire Jr., Orinda, cousins of the groom, performed ushers' duties. Other ushers were M. Edmund Hunt, New York; Thomas Peterman, Balboa Island; Robert Lehmann, Sparks, Nevada; Ronald Iversen, Westwood; and Richard Tam Jr., Oakland.

Among the many out-of-town guests were these Orindans: the groom's parents; H. Bannister, his grandfather; and Miss Kathleen Bannister, and Mrs. Kay McGuire, John's aunts.

Kristin Camphouse of Arcadia attended the guest book, assisted by Carol Baily.

Dr. Summers gave his daughter in marriage. The wedding reception was at the Summers' Friendly Hills home and garden. A four-tiered wedding cake was topped by Bizze wedding bells from Beth's sister's wedding cake.

**MR. AND MRS. LARRY BERNARD MUTH**  
(Nancy Kathryn Calderene)  
Scion of Orinda family is married  
—Bob Lynds photo

## Larry Muth Marries

Larry Bernard Muth of Orinda recently claimed the former Nancy Kathryn Calderene as his bride.

Larry is the son of Mr. and Mrs. A. Bernard Muth of 31 Muth Drive, Orinda. The bride's parents are Elder and Mrs. Rosalie Calderene of Oakland.

The 7:30 p.m. rites were performed at Oakland's Latter Day Saints Church by Elder W. Comm of La Sierra College.

Nancy wore a full, floor-length, silk organza over tulle gown. The full veil was held by a coronet. She carried pink and white roses with white orchid.

Matron of honor was the bride's sister, Eleanor Scheingarl. Bridesmaids were Carol Muth, sister of the groom; Marta Mere, Jelene Calderene, niece of the bride.

Elder Rosalie Calderene gave her daughter in marriage.

Nita Scheingarl, niece of the bride, was flower girl. Bible boy was Bradley Calderene, the bride's nephew. Candle boys were Stanley Muth, the groom's cousin, and Roy Scheingarl, the bride's nephew.

Best man was Curtis Woodward. Ushers were Ray Trayner, Wallace Smith, Dave Rice and Jim Brewn.

The reception followed the church service at Sailboat House, Lake Merritt. Decor for both was with pink and white gladiolus, stock and candles.

Following a honeymoon to Lake Tahoe, the couple is at home at 1584 San Luis Road, Walnut Creek. Larry is continuing his studies at Golden Gate College.

## Linda Shirey's Troth Told At Birthday Party

A surprise 20th birthday party at the Frank E. Shirey home, 69 Hillcrest Drive, Orinda, revealed the engagement of the honored guest.

The Shireys told of the betrothal of their daughter, Linda, to Donald Charles Howard Jr.

Don is the son of the Donald Charles Howards of 3 Nace Avenue, Piedmont.

Linda is a graduate of Miramonte High School. She attended the University of California at Davis in her freshman year. She is now a junior at San Jose State.

Don will graduate from San Jose State in February and expects to enter the field of industrial management. His fraternity is Theta Xi.

No date is set for the wedding.

## Jr. Alliance Plans Party

A barbecue at Wildwood Acres in Moraga is in store for guests and members of Junior Alliance of Lincoln Child Center.

Included in the festivities tomorrow evening will be the Junior Alliance's annual wine tasting party and dance.

Among those actively planning the event are Mrs. Edmund Cody of Walnut Creek; Mrs. Lester Good of Orinda, social chairman, and Mrs. James D. Kaufman of Walnut Creek.

## Vienese Coffee For Medic Wives

Opening the fall season, the Alameda County Unit of the Woman's Auxiliary to the Alameda-Contra Costa Medical Association gave a Viennese coffee for its members Tuesday.

# Women in The Sun

FRIDAY, SEPTEMBER 20, 1963

**RENDEZVOUS TIME**—At El Prado in the City before returning to college is this quartet of Lafayette friends. From left, Pat Ballinger, daughter of Mr. and Mrs. C. L. Arden of 3211 Palomares Avenue, who goes to the University of California; Linda Carlson, daughter of Mr. and Mrs. Robert W. Carlson, 3771 Sundale Road, who goes to Northwestern; Stephanie Jacobsen, daughter of Mr. and Mrs. T. Jacobsen, 3702 Highland Court, who goes to University of Pacific, and Julie Bauer, daughter of Mr. and Mrs. John Bauer, 1110 Glen Road, who goes to Whitman College.

## Heidi Plans Party

Plans for its annual fashion soiree were discussed at Heidi's first regular meeting of the season Tuesday. It was at the home of Mrs. Clifford Hayden, 41 Tara Road, Orinda.

Co-hostesses were Mrs. Andrew Young and Mrs. Earl Plescia.

Mrs. Ted J. Clark, president for a second term, will bid welcome to her new vice president, Mrs. Mervyn Wall, as well as the rest of her board. This includes Mmes. John Harrison, Robert Hancock, Earl Gudnason, Frank Rossi, Charles E. Grant, John Harrison, Andrew Young, William Vernon, James Newcomb, Michael Colan and R. P. Cornelison.

The theme for this year's fashionable party will be "Magic Moments." It will again be beautifully presented by Elizabeth Arden at Castlewood Country Club, October 17. All proceeds go to the Children's Home Society, a member of United Crusade.

Tickets may be obtained from any member or Mrs. Andrew Young, 283-3018.

Members, through the sum-

mer months, have been obtaining and wrapping surprise gifts for the fashion show at the home of Mrs. Earl Gudnason, assisted by Mrs. Mervyn Wall.

After dessert Tuesday, Mrs. R. P. Cornelison, party chairman, held a short discussion with her committee regarding final party preparations. Those assisting her include Mmes. Robert Locket, Charles E. Grant, James Newcomb, Charles Morrill, E. B. Mossman, Ledru Frank, John Harrison, Andrew Young, Earl Plescia, Earl Gudnason and Mervyn Wall.

## 'It's A Boy!' For Gerharts

Welcomed home Sunday was Stephen Robert Gerhart, infant son of Mr. and Mrs. Robert Gerhart, 12 Corliss Drive, Moraga.

Stephen put in his appearance at Kaiser Hospital, Walnut Creek, September 12. The not-so-little man weighed in at 9 pounds 3 ounces.

## New Food Will Be Topic For Home Ec. Group

"New Food Processes and Products" will be the topic explored by Bernard Feinberg of Western Regional Research Laboratory at the first fall meeting of Diablo Branch, American Home Economics Association Monday.

The meeting will be at 10 a.m. at the Co-op, 1510 Geary Road, Walnut Creek.

Mrs. R. Thomas Hunt and Mrs. Henry Bollwinkel will serve Japanese refreshments in keeping with the hospitality theme, "U. N. Favorites."

The meeting is open to anyone having a degree in Home Economics. The organization is composed of 55 home economists living in the county.

Their purpose is to keep abreast of recent developments in the home economics field and to utilize their skills in projects of benefit to the community.

## Dale Campbell Marries

The Rev. Ray Plumlee recently united in marriage Dale Campbell and Bruce Crawford. They exchanged vows at First Methodist Church, Bijou.

Dale is the daughter of Mr. and Mrs. J. E. Campbell, 1049 Manzana Place, Lafayette.

The groom's parents are Captain and Mrs. Charles M. Crawford of Danville.

Matron of honor was Mrs. Steve Freeman. Steve Freeman was usher.

Dale is a graduate of Acalanes High School and the University of California, Berkeley. Her sorority affiliation was Alpha Chi Omega.

The bride has two brothers, Jack and Scott. Jack is a student at Diablo Valley College. Scott attends Acalanes High School.

The groom is a San Ramon and U.C. graduate. His fraternity was Phi Kappa Tau.

He is now in his second year at Hastings College of the Law, San Francisco.

Dale is a deputy probation officer trainee for Alameda County.

The just-weds are at home in Berkeley after a honeymoon trip to Lake Tahoe and Los Angeles.

**MRS. BRUCE CRAWFORD**

—Sun photo

## ... By Hee!

Have you ever, as I have, wondered just how good is the brand of ball played by our local teams?

Not that it's too important, but it's always interesting to compare the local product with that available elsewhere. This is equally true of almost all team sports, baseball, basketball, and football.

Some, such as swimming and track, give actual marks and times that eliminate any conjecture. It's pretty safe to assume, for example, that a 9.4 sprinter is better than, say, a 10 flat man.

Since there appears to be no common denominator that can be used to evaluate teams and players from different areas, the only solution would be the results of games with their representatives.

However, this isn't very feasible either. The practice season is limited, and with the ever increasing number of local schools, competition will be more and more confined to the general area.

How, then, can we get some line on how we stack up with others?

Probably the biggest lead would be how our athletes fare once they leave their home grounds and venture forth into the big collegiate world.

And if you check on this basis, I think you'll find that we aren't faring too badly.

Take for an example the crop of athletes that are ticketed athletic duty at the various institutions of higher learning throughout the country.

Bill O'Toole of Del Valle, voted the Outstanding Athlete of the East Bay, is slated to leave this weekend for the University of Oregon. O'Toole, in our humble opinion, has all the equipment needed to make it real big. Our guess is that you'll hear plenty in the future regarding O'Toole.

Rick Laven, Las Lomas' outstanding guard and linebacker, is back at the Air Force Academy, and is highly regarded by the Falcons.

Up at Utah State, players from this area have played a key role in the Aggies' ascendancy to gridiron prominence.

Tom Larscheid, a Pleasant Hill grad, is probably the foremost example. Larscheid was among the leaders in the nation in rushing and scoring while performing at the Utah school. Dan Noecker of San Ramon was good enough at tackle that the world champion Green Bay Packers signed him to a contract.

A couple of other Pleasant Hill alumni currently laboring in the Aggie cause are linemen Chuck Bray and Tom Foster, fullback.

Still others are on the way: Tim Rhyon, All-CCD guard is headed there this weekend. So is Dave Clark, another all-leaguer from Pleasant Hill. Dave and Dan Cotlow, ex-Las Lomas tackles, are also enroute. Antioch gets into the act, contributing Ron Edwards, quarterback, and Jack Joseph, tackle.

Greg Ford from Calyton Valley is headed for Stanford. While primarily a hurdlng prospect, Ford has the speed and power that could be what the Indians have long been looking for.

Nelson Shelton, the superb Pleasant Hill passer, is also slated for the farm.

Speaking of Pleasant Hill, Jim McMillen, by way of Colorado State, is presently on the payroll of the Oakland Raiders.

College Park is still a comparatively new school, but have already sent Loren Speck to the

### Oregon State Beavers.

Mal Cameron, Del Valle fullback, is Stanford bound.

Up at UOP, Tom Strain of Acalanes and Mike Hair of Las Lomas are in the thick of things, battling for starting positions on the Bengal varsity.

And so it goes. In the past we have had such as Britt Williams, Mike White, Rick McMillen, Webb Johnson, Jack Larscheid, Clark Ransome, Tom Brown, and if you want to go back far enough, Norm Van Brocklin—a fair qb in his day.

The list could go on and on, but space and memory prohibit. But enough have been named to establish my point.

We've had more than our share of talent in the past, and there doesn't appear to be any reason for this to change.

My contention is that we're turning out top boys, top athletes, and top teams.

In fact, I'd say it was pretty evident.

### This week's "superb picks:"

Las Lomas 7, Mt. Diablo 6  
Acalanes 13, Pleasant Hill 7  
Skyline 14, Del Valle 6  
San Ramon 21, Antioch 13  
Miramonte 12, Castro Valley 7.

College Park 27, Alhambra 12.

Piedmont 21, Oakland 14.  
Pacifica 20, Vacaville 6.  
Baltimore 35, SF 49'ers 17.  
Oakland Raiders 31, Boston 21.

Won 5, lost 2.

### Jr. Hockey Play Slated To Start In WC October 5

The newly established Northern California Junior Hockey Association conducted its first regular meeting Saturday in Berkeley for the purpose of drawing up schedules for the upcoming season.

Membership of the association is comprised of Squaw Valley, Stockton, Sacramento, Santa Rosa, San Francisco, Walnut Creek and Berkeley.

Amateur hockey is provided boys between the ages of 6 and 18 years old. Season play will start October 5th.

Officers for the association for this season are Paul Gaboury, Berkeley, president; Dave Patterson, Walnut Creek, vice president; Ed Collins, Berkeley, secretary.

Season play is climaxed with a play-off between the Northern California champions and the winner of the Southern California league slated for next April. Boys and coaches wishing to participate may obtain further information from their local ice rink.

### TAP MUFFLER TO REMOVE CARBON

Tapping your car muffler now and again helps to dislodge some of the carbon from its inner walls, points out the National Automobile Club. Racing the motor will then blow out part of this carbon.

## -Sun Sports-

FRIDAY, SEPTEMBER 20, 1963

### Thunderbirds Triumph Over Alum Rock, 14-8

Off to a fast start, the La Morinda Thunderbirds swamped the Alum Rock Lions on the Miramonte High School field last Sunday, 14-8, before a cheering crowd of 2000 spectators.

Overcoming a lack of previous football experience, the local entry in Pop Warner league play made up the disadvantage in alert, aggressive ball that spoke well for the coaching of Pete Villa and his associates.

A fumble by the Lions on their own 20 set up the touchdown pass of Mike Davies to end Charlie Thompson. A plunge over center made the two-point conversion by Davies.

The other T-Bird score was made in the second quarter. Alum Rock, on fourth down, punted, which was partially blocked on their 15. Charlie Thompson grabbed it on the 30, ran from left to right and down the right side to score standing

up for another six points, making the localites' lead over their San Jose foes by 14.

The scoring for the day was completed seconds before the game-ending gun when Ronnie Wellwood took an end-around on the Thunderbirds' 10 for six. Sonny Garcia converted on a left-side swing.

The T-Birds recovered nearly every Lion fumble, of which there were many that contributed to their offensive delinquency. Davies, offensively, and Dave Carpenter, defensively, sparked the Thunderbirds' first win of the season.

The remainder of the 1963 schedule follows: September 21, 1:30 p.m., Oakland Dynamites, Skyline High, Oakland; September 29, 1:30 p.m., Vallejo Dons, Vallejo High, Vallejo; October 6, 1:30 p.m., Pittsburg Mallards, Miramonte, Orinda; October 12, 8 p.m., Pleasant Hill Rebels, San Ramon High, Danville; October 20, 1:30 p.m., Concord Pioneers, Mt. Diablo High, Concord; October 27, 1:30 p.m., Sacramento Falcons, Miramonte, Orinda; November 3, 1:30 p.m., Contra Costa Rockets, Junior College, San Pablo.

### Berkeley Tennis Tourney Won By Jeff Borowiak

Jeff Borowiak defeated Billy Atkins, 6-4, 6-2, to win the 14 years and under classification of the 7th Annual W. Davis Tournament in Berkeley last weekend.

The up-and-coming Borowiak, a freshman at Acalanes High School, also reached the semifinals in the 16 and under group before bowing to Jeoff Rieser of Orinda, 6-3, 6-0.

Borowiak teamed with Billy Atkins in the 18 and under boys' doubles, and reached the quarter-finals before being eliminated by the eventual runnerup in the division, Howard Auger and Les Hansen, 6-4, 7-5.

Borowiak in his first summer of tournament play has displayed excellent potential. He closed out his season with the Berkeley tournament, and will not resume competitive play until participating on the Acalanes tennis team.

# Knights—Devils Top Clash

## Dons Tangle With Rival Rams In Other Feature

Inter-league competition between the rival Foothill Athletic League and the Contra Costa Division of the DVAL continues to highlight action in the second week of play in the practice season.

Top game on tap this evening will find the Las Lomas Knights traveling to Concord to tangle with the Mt. Diablo Red Devils.

Other top action finds the tough San Ramon club moving up to the Paper City to attempt to avenge a loss last year at the hands of the Antioch Panthers.

Pleasant Hill will open their season, hosting the Alacanes Dons. Alhambra is bracing to turn back an invasion of neighboring College Park.

Across the hills, the highly regarded Piedmont Highlanders swing into action against the defending Oakland Athletic League champs, Oakland High.

Del Valle will seek their initial win of the new season when they travel into Skyline High in Oakland. Miramonte will move over to Hayward to play Castro Valley.

On the basis of last week's activity, little happened to cause wholesale revision of the existing line of thought on the relative merits of the FAL contenders.

Las Lomas experienced little difficulty in shutting out the young Ygnacio Valley Warriors.

Knight mentor, Duane Louis reported, "We made more than our share of first game mistakes. Actually, what we excelled in was giving the ball away. In all, we fumbled five times and had three passes intercepted. This is a situation that must be corrected if we are going to give Mt. Diablo any kind of a game."

Louis was cheered by the performances of newcomer Dave Allasia. Allasia's sparkling run-back of 60 yards for a touchdown was the highlight of the game.

Mt. Diablo is rated as a co-favorite with Pittsburg to capture the CCD crown. Coach Hart Fairclough's eleven has nine starters from last year's club that finished the season very strongly.

Alacanes will be seeking to get bugs out of their new offense as they go against the Pleasant Hill Rams.

The Dons, using a modified short punt formation, demonstrated they could move the ball. However, bobbles, aided in part by the poor visibility, snuffed out several Don drives.

Coach Cockerton indicated he was not concerned with the offense last week as the defensive breakdown. "We were disappointed with the defense. Actually, we had felt the defense had looked good in practice. However, during the game we

made many mistakes," stated Cockerton.

San Ramon will be favored tonight to reverse the defeat they sustained last year at the hands of Antioch.

However, while the Wolfpack impressed favorably in rolling over Livermore, the win was costly in that they lost the services of Mike Skinner for the entire season.

Skinner gave the Wolves one of the best up-the-middle punches in the league.

San Ramon unveiled what is probably the most potent passing attack in the league. Wayne Canterbury and Chuck Feriera shared quarterback duties and hit Ron McLaughlin and Jim Parker for scores.

The defending FAL champs, the Miramonte Matadors, open their season with a trip to Castro Valley. The Mats have been hit fairly hard by graduation, but still shape up as a contender.

One of the reasons for the optimism in the Mat camp has been the addition of Neal Pearson, a transfer quarterback from Oakland Tech.

However, regardless of the addition of Pearson, Miramonte has a nucleus of good ball players. Pete Boyle, Bill Cooper, Max Milton, Butch Workman, Chuck Jones, Tevis Thompson and Steve Bush are all holdovers from last year's championship eleven.

Last year when the Del Valle Trojans were in the top echelon of the league, they experienced all kinds of problems with the Skyline club. Skyline in turn made a very favorable showing in their own league, the OAL.

This year the Trojans are rebuilding and could very well have big problems with Skyline.

Compounding their problems, Del Valle appears to have lost the services of Dave Sargent for this encounter. To take up the slack, Jim Christman and Vic Shellenberg will have to carry the burden of the Trojan offense.

Of keen interest to the rest of the league will be Piedmont's debut against Oakland.

Coach Bob Mumenter's charges have been hampered by a rash of injuries, but is expected to be in good shape for the game. The Highlanders figure to have a potent, well-balanced attack and, with the addition of transfer fullback Neal Trebotich, will be tough.

**LOOKOUT DEVILS!**—Brian Nissen, workhorse of the Las Lomas ground game, takes a handoff from Pete Breuleux, quarterback. Las Lomas and Mt. Diablo meet tonight at 8 p.m. on the Concord field in one of the top games of the local practice season. —Sun photo

## Wallace Realtors Upset Orinda Softball Victor

In the first annual post-season play-off of the Orinda Adult Softball league, the unheralded Wallace Realtors won in convincing style.

Plagued by injuries and a shortage of player throughout the year, the Wallace team took third place during the regular season behind Casa Orinda and the Orinda Friars.

However, the play-offs proved a different story as the Wallace club bested first the Friars by a 7-4 score and then thumped Casa Orinda 21-2 in the finals.

In the Wallace-Friars semi-final match, both teams went through five innings tied 4-4, but George Block, Kay Fisk and Dick Melbye bunched hits to give Wallace a 5-4 advantage, and then added insurance runs in the final inning on power hits by Len Kully, Bob Blake and Tom Pletcher to ice the contest at 7-4.

Meanwhile Casa Orinda, extended to extra innings before overcoming the Incredible 10-9 in their semi-final play-off.

The two winners then played off for first and second place, with Wallace coming out on top 21-2, in a free-hitting finale, while the Friars upset the pre-tournament favorites, the Friars, for third place by a score of 7-6.

Darryl McCosker, pitcher for the Wallace team, was at his best in both games allowing only four earned runs in 12 innings.

## Al Gardner Wins Builders Golf

Al Gardner carded a 79 over the Round Hill Country Club course to win the Home Builders Association of Contra Costa Tournament conducted last weekend.

Frank Celli, Hank Lassiter, John O'Derda, and Leonard Nelson all fired 81's to end up in a four way tie for the runnerup position.

Art Strand, vice president of the Home Builders Association, was the chairman of the event that attracted 107 entries from members and guests.

### TIRES

Keep your tires properly inflated and check them often for cuts, breaks, and excessive wear, advises the National Automobile Club.

# Wolves Out For Revenge

A potent San Ramon Wolfpack will seek to avenge another of their setbacks of last year when they move up to Antioch to clash with the Antioch High Panthers.

Last week the Wolfpack turned on their former tormentors, Livermore, racking up the Cowboys by a 30-7 score. Last year, San Ramon succumbed to the Cowboys who went on to achieve a number two ranking in the area, by the slim margin of a 28-26 score.

However, the fruits of victory were tempered greatly by the loss for probably the season of fullback Mike Skinner. Skinner's knee collapsed on him, and an operation was performed Saturday. There's a possibility that Skinner will be able to return to action for the final games of the season.

The loss of Skinner can't be minimized. The hard running back figured to be one of the best in the league. His power slants up the middle complemented the Wolfpack passing game.

San Ramon got on the scoreboard against Livermore early

in the second quarter. After the Wolves had moved the ball to the Livermore 28 yard line, Skinner carried five consecutive thrusts. Finally, he slammed into the end zone from five yards out for the first tally of the contest.

In the third quarter, John McMillen climaxed a 36-yard drive with a two-yard plunge for the six points.

Leading 12-0 going into the fourth quarter, the Wolves then took to the air for three scores. Chucking Chuck Ferreira hit Jim Parker with a 35-yarder for a six. The other half of the San Ramon pitching staff then found Ron McLaughlin free in the end zone for a score. Canterbury again found McLaughlin on an 11-yarder to round out the scoring for the locals.

Livermore's only tally came on a 70-yard pass play from Dee Allen to Larry Sabo.

In tonight's fray, the Wolfpack is favored slightly on the basis of their showing in the initial outing. Antioch will be making their season debut.

The Panthers have been hard hit by graduation. Most of last year's strong club have departed via the graduation route.

## 100-Acre Grass Valley Rifle Range Opens Soon

By GEORGE H. WHITE

Long's Bait Shop—San Pablo —"ole linesides is here, there and everywhere, Union Oil Docks, buoy 5 and moving up river. Berk flats and Brooks Is. a few, the silver lead belly trotted fast is doing a job. cat fishing is good 'round Pittsburg-Antioch area, a 16 1/2 pounder came from there. salmon are big, in the 20-25 pound class. 'Red' Turner got himself a 4 1/2 pound channel cat.

**Lake Hennessy—Conn Dam**—black bass pickin' up but good, black eel, surface lures and poppers. crappie, bluegill and cats fair to good.

**Don's Bait Shop—Clear Lake Highlands**—slow at the moment, did good over last weekend. bass hittin' bombers. Sail Shark, Lazy Ike and Black Eel crappie and bluegill very good. weather has been windy.

**Davis' Lake Resort—Lake Almanor**—fair in the lake. near-by streams are holdin' their own. Walker Lake-Mtn. Meadow Res. is good now for bass and when I got this report it was raining. deer opener expects to be good.

**Spanish Flats Boat Dock—Lake Berryessa**—lake is cooling off. still getting trout. Water skiers are gone, so expect that fishing will pick up.

With the weather cooling off, scattered showers and rain storms all over the fishing grounds the fishing will be picking up. This will be your last chance to take cracks at the big ones before the duck weather sets in.

Sent in for a doe tag that I could use while huntin' next week. I was politely informed via a F&G press release that they had some 8,000 odd doe tags to give out. And as of last

week they had 20,000 odd applications for tags. Did I get a doe tag? Big joke No. 24,789.

A NEW LIST of the publications which may be obtained from the Dept. of F&G and DFG publications may be purchased from the documents section of the state printing plant. It's now available at DFG offices throughout the state. The list includes a handy order form. The list is revised annually to include new publications of the Dept.

The DFG monthly publication "Outdoor California" has been awarded a special citation in the 1963 California State Fair Press Awards competition. This monthly 'mag' as you know is all about hunting and fishing in our good state. Individuals may subscribe to it for \$1 a year by writing to Documents Section, State Printing Plant, Sacramento.

Circle Sept. 29th, 2 p.m. on your calendar as this is the date of the dedication ceremonies of the marksmanship range that will open in Grass Valley Regional Park. You can reach the range several ways. Drive out Redwood Road, either east from Oakland toward Castro Valley to the Marciel gate of the park, north from Castro Valley on Redwood Road, or west from Moraga on Pinehurst Road and left on Redwood Road.

This range is the most extensive civilian range in our western states. It's so big that we will be able to hold the ISU matches there. These ISU matches are the Olympic shoots. A range will be available for any and all kinds of shooting, so you'll be able to bring your rifle, shotgun and handguns and shoot all

## Aquabears Will Hold Tryouts On Sunday

Membership of the Aqua Swim Team will be determined on the basis of swim trials to be held this Sunday and the following weekend at the Miramonte pool in Orinda.

Trials are slated for tomorrow from 2 to 6 p.m. and the same hours on September 28.

The Aquabears, a perennially strong AAU team, have just completed another successful season. Undeclared in dual meets, they gathered a number of high point trophies for individual and team efforts in open meets they participated in.

Training sessions will start the first week of October, with workouts to take place at the Miramonte and Berkeley High School pools. The first two to four weeks of training will be devoted to stroke instruction.

Participants work out a minimum of three times per week, with additional work scheduled in accordance with age and ability.

Those wishing to try out may contact team officials at the pool during the tryout sessions.

day to your heart's content. This massive range takes up about 100 acres and is enclosed in chain-link fence. Erected at a cost of about \$450,000 in conjunction with the Oakland Pistol Club that had facilities in Knowland Park, Oakland Pistol will operate the range. This club has a 26 year safety record.

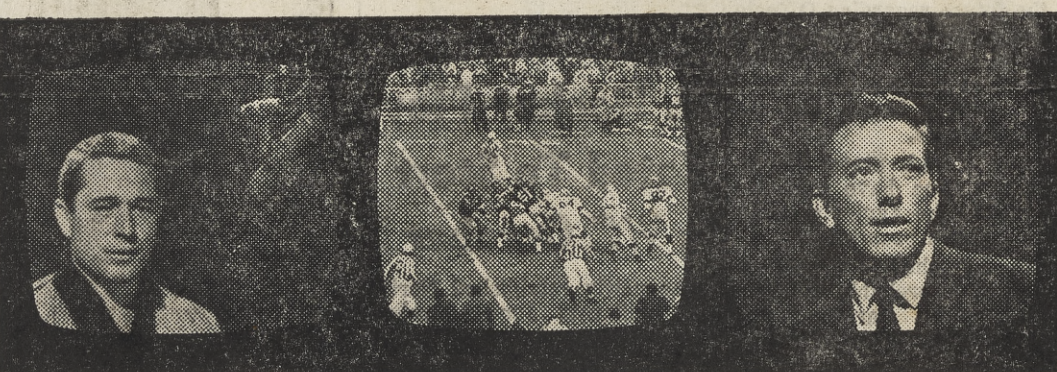

(Ed Note: Our fish and game editor, George White, practices what he preaches. So he's gone huntin' and won't resume his column until the October 4th issue of The Sun. Hit 'em straight, George.)

FRIDAY, SEPTEMBER 20, 1963

## Dons-Rams Clash

Still dazed by the College Park lightning bolts that rocked them 26-7 last week, Acalanes will endeavor to get their short punt formation offense on the winning track tonight when they tangle with Pleasant Hill on the Rams' turf.

In a contest that saw a little of everything happen to them, including the lights going out, Acalanes still indicated considerable potential.

In College Park, the Dons faced one of the stronger teams of the Contra Costa Division of the DVAL. The Falcons have put together what appears to be their most potent offense.

Added to the explosive running of Dick Larscheid is the fine speed and power of Jim Chaney. A transfer from Minnesota, Chaney demonstrated he's an excellent receiver in addition to moving the ball on the ground.

After a scoreless first quarter which saw the Dons' drive to the eight yard line before a fumble frustrated the effort the deepest penetration, Larscheid put the Falcons on the scoreboard with a 44-yard scamper in the first minutes of the second quarter.

Shortly after that the lights went out, and the balance of the game was played without 25 percent of the lighting.

While the restricted visibility seemed to be a contributing factor on the Dons' several bobbles of snap backs from center, it didn't hamper College Park.

Just before intermission Larscheid rolled out to his right, and threw long. Chaney, behind the Don defenders, took the ball on the goal line with a tremendous catch that gave the Falcons a 13-9 budge at half time.

In the third quarter, Al Oldfather hit Chaney with another long pass for a score. Chaney then capped his evening's effort with a 46-yard gallop to pay dirt.

Acalanes then put a 75-yard march together that culminated in a six point score. Eleven plays were consumed in the drive, with power sweeps around the ends proving the most effective tool. The score came on a pass from Mike Hall to Frank Colwell from the nine-yard line. Roger Montalbano scampered in for the conversion.

Against Pleasant Hill, the Dons can look for more of the quick break-away type of play. With one of the outstanding

passers in the area in John Dotson, the Rams figure to do their share of throwing.

In Frank Brazeal and Tim Conger, they have two speedy, dangerous backs.

The Rams will open with a lineup that includes Bill Marshall, left end; Norm Tosh, left tackle; Jim Ferrant, left guard; Greg Ernst, center; Rick Nobles, guard; Greg Jenkins, right tackle, and Pete Causo, right end.

Pleasant Hill's backfield includes John Dotson, quarterback; Frank Brazeal and Tim Conger, halfbacks; Gary Garren, fullback.

Coach Hal Briggs reports that his line lacks size, and the big job shapes up as containing the opposition. Most of his troops will have to go both ways.

On defense he will also use Mike Johnson and Reighard Kleinfelter as defensive ends.

Briggs reported that "We were favorably impressed by the way Acalanes was able to move the ball against the big College Park line. They seem to have plenty of fine offensive backs. During the second half, they rotated units of three backs and all nine looked good."

The youngest member of the local team, Nancy Looney, walked off with top honors in the eight and under group. Janie Johnson of the Howell team wound up with a third place finish.

The Howell contingent won the senior team finals, amassing 95.8925 points. Athens Athletic Club entry was the second place finisher with 89.7475, and the Aquettes of Riverside third with 87.3386.

Highlight of the meet was the victory by Diane Howell in the senior solo division. Kim Welshons of Danville wearing the Athens Club colors was third in the event.

Debbie Howell won the solo competition in the 12 and under classification. Kris Welshons of Danville was second, and Gail Gardener was third.

The speed that thrills can be the speed that kills, warns the National Automobile Club. Slow down and be safe.

Other top entrants Saturday night include point-leader Leroy Geving and Ray Kelsay of Santa Rosa; Steve Mench of Alameda and Larry Damitz of Vallejo.

Time trials open the 8-event program at 7:30 p.m. with the first heat scheduled for 8:30 p.m.

**LITTER**  
During the past few years, the average John Doe who has made a visit to a place of recreation in our country has left behind him two pounds of litter.

If you multiply these two pounds by the estimated 90 million visits to places of recreation this year, you get 180 million pounds of litter by the end of December.

You can avoid contributing to this unsightly pile, points out the National Automobile Club, by keeping a litterbag in your car and disposing of your travel trash in the proper place.

**EARLY AMERICAN**  
When Columbus landed on America's shores, he found the natives making a first-rate brew.

**FAL ALUMNI**—Former Foothill Athletic League players now on the Diablo Valley College varsity include (left to right): Bruce Hancock, Miramonte; Bob Nordeman, Las Lomas; Gerry Stephens, San Ramon; Bob Crutcher, San Ramon; Fred Jonke, San Ramon; Tony LaRossa, Acalanes; Dean Hilger, Miramonte. —Sun photo

## DVC Hosts Modesto In Opener Tomorrow

Diablo Valley College Vikings will kickoff their 1963 season tomorrow night when they host Modesto Junior College on the Alhambra turf.

The Vikings, with a turnout of 53 candidates, will be looking for an improved season over their disastrous 0-8-1 record of last year.

Summarizing Diablo's status, Coach Sam DeVito stated "We have a small inexperienced line, but all of our ends are good and fast. We only have five returning lettermen, but if attitude wins ball games, we will win our share."

With the increased strength at the flanker positions, indications are that the Vikings plan to go to the air more this year.

Currently holding down the key quarterback position is Dave Dyer, formerly of Liberty High of Brentwood. Dyer is a strapping 6-1, and can throw from either the pocket or on roll outs.

Pressing Dyer very hard for the starting nod is Butch Rounsaville, an Antioch High Graduate. Rounsaville is returning to football action, having laid out to work.

Newcomers that have impressed DeVito with their ability are Dean Hilger, ex of Miramonte, Ron Morelli of Antioch and Cary Patterson, a tackle from Pleasant Hill.

**MORELLI** is slated to start at the left halfback position. Patterson is holding down the left guard spot. Hilger presently is the left linebacker on defense.

Pointing up the lightness of the Vikings overall size is the fact that there are only five players that tip the scales in excess of 200 pounds.

Dave Parker, 226 pound tackle that was first exposed to football at Pacifica, is the biggest man on the squad.

DeVito indicated that he regarded Foothill, San Mateo, Oakland and Contra Costa as the top powers of the league.

"WE HOPE TO be improved. If we're going to move the ball, it means we're going to have to put it in the air quite a bit," remarked DeVito.

Going into the first fray of the season, the Vikings line up on offense as follows: Bob Fredricks or Bob Nordeman, right end; Dave Parker, tackle; Ron Boeger, right guard; Bob Crutcher, center; Cary Patterson, left guard; George Miller, tackle; Mike Kyle, left end; Dave Dyer, quarterback; Ron Morelli, left halfback; Art Miller, fullback; Bruce Hancock, right halfback.

On defense the Viks will go with the following: Jack Keller, left end; Dean Hilger, left linebacker; Dave Parker, left tackle; Dick Ellsworth, middle guard; Ron Boeger, right tackle; Bruce Hancock, right linebacker; Mike Kyle, right end; Dick Austin, left wing back; Denny Wallin, right safety; Art Miller, left safety; Bob Nordeman, right safety.

Mike Kyle, former San Ramon quarterback, has been selected by his teammates to captain the Viking varsity this season.

Logan Now 2nd In Vallejo Racing

Concord's Dave Logan will be out to solidify his hold on second place in Saturday night's hard-top races at Vallejo Speedway.

Logan gained a few points on rival Bob Caswell last week by finishing third in the main event behind fellow townsman Rick Govan and Julian Castro of San Francisco.

Other top entrants Saturday night include point-leader Leroy Geving and Ray Kelsay of Santa Rosa; Steve Mench of Alameda and Larry Damitz of Vallejo.

Time trials open the 8-event program at 7:30 p.m. with the first heat scheduled for 8:30 p.m.

**LITTER**  
During the past few years, the average John Doe who has made a visit to a place of recreation in our country has left behind him two pounds of litter.

If you multiply these two pounds by the estimated 90 million visits to places of recreation this year, you get 180 million pounds of litter by the end of December.

You can avoid contributing to this unsightly pile, points out the National Automobile Club, by keeping a litterbag in your car and disposing of your travel trash in the proper place.

**EARLY AMERICAN**  
When Columbus landed on America's shores, he found the natives making a first-rate brew.

## LL-Red Devils Rated Even

Las Lomas' vaunted defense, which last Friday choked off Ygnacio Valley, 15-0, is expected to play a key role tonight as they go at the powerful Mt. Diablo Red Devils, at Concord, kickoff at 8 p.m.

The Knights gave up the ball on eight occasions to the young Warriors, but were still able to snub out any offensive threats.

After a deep Knight penetration had been thwarted by a fumble in the initial stanza, Dave Allasia gathered in a punt and scampered 61 yards for the first score of the contest.

**JUST BEFORE** the halftime intermission, Las Lomas tackle Hank Drabin knifed into the Warrior backfield, trapping Brad Ransomette behind the goal line for a safety. The two points gave the Knights an 8-0 advantage at the mid-way point.

During the third quarter, the Knights put together their only successful sustained march. Starting from their own 29 yard line, Las Lomas moved the rest of the way to pay dirt on line shots by Bryan Nissen, Jon Phillips and Allasia. Phillips capped the drive, penetrating the end-zone from five yards out.

Randy Branum's place kick was good to close out the scoring at 15-0.

A late Knight threat found Mike McGinniss completing a pass to Rick Arnold at the six yard line, but a penalty erased the threat.

**IN TONIGHT'S** encounter with Mt. Diablo, the Knights face one of the top teams of the Contra Costa Division of the DVAL. Always tough, the Red Devils finished the 1962 season very strongly, successfully gaining a share of the CCD crown.

There are nine starters back from that club that will be on hand for the Devils' season debut.

While Las Lomas has had the advantage of a game, Knight Coach Louis feels that this is offset by the fact that the game also enabled Mt. Diablo to scout his forces.

The Devils are expected to retain their winged-T offense they have employed so successfully over the years.

**GERMAN DISCOVERY**  
A German discovery that revolutionized the beer trade was the practice of aging beer instead of selling it immediately after production. It became known as Lager from the German word lagern meaning "to store."

## Danville Takes A Half Game Lead In WC Softball

Sole possession of first place in the Walnut Creek Softball League went to the Danville Merchants as they topped the Parkmead Pops, 5-2.

Second-place Dow Deacons were idle last week, thus enabling the Merchants to move a half game in front.

The Red Stove pounded out a 13-4 victory over Russ' Barber Shop to complete the action for the week.

Danville tallied five times in the first inning of their game with Parkmead. Jim Franks' homer for Danville was the big blow of the frame. Bill Ray went the entire route to gain credit for the win.

A nine-run third inning highlighted the Red Stove's victory over Parkmead. Pacing the winners at the plate was Ron Baldwin with an output of three singles and a double in five appearances at the plate.

Frank Cota gave up but five hits as he went all the way for the win.

Ron Stinette belted a two-run homer for Russ' Barber Shop.

## Walnut Cr. Softball Standings

Danville Merchants	W	L
Dow Deacons	5	1
Highland Liquors	4	2
Red Stove	3	3
Parkmead Pops	2	5
Russ' Barber Shop	0	6

## Football Schedule

**TONIGHT**  
Miramonte at Castro Valley  
Las Lomas at Mt. Diablo  
Acalanes at Pleasant Hill  
San Ramon at Antioch  
College Park at Alhambra  
Oakland at Piedmont

**AFTERNOON**  
Del Valle at Skyline

## Trojans Seek To Bounce Back Against Skyline

The Del Valle Trojans will try to even up their pre-league record against Skyline this afternoon in Oakland.

The Trojan eleven were edged by Terra Linda, 14-7, in Saturday's season opener.

"We made lots of mistakes and they hurt us," commented Coach Russell.

He noted that the heat seemed to affect the Trojans more than the visitors.

The visitors struck for two quick second quarter touchdowns on pass plays to give them a 14-0 lead at the half.

Del Valle didn't get on the scoreboard until the final quarter, when Bruce Black, the team's leading ball carrier for the day, ran 80 yards for the score.

Russell praised the play of tackle Scott Smith and back Vic Shellenberg.

The coach noted that the team will be hurt by the loss of starting quarterback Dave Sargent, who suffered a ruptured blood vessel in his ankle.

It is hoped that Sargent will be back for the league opener against Las Lomas.

Vic Shellenberg, previously the starting halfback, will be at the quarterback's position this afternoon.

Rich Bartlett, a letterman on last year's squad, will start at guard for the first time this afternoon.

Bartlett returned to school late from Denmark where he was an AFS student.

Otherwise the lineup is virtually unchanged.

Juniors Doug Craig and Brian Frank will start at ends. Smith and senior Ken Roberts will be the tackles.

John Schofield, also in his last year, will take the other guard position.

The center will be John Shields.

With Shellenberg in the backfield will be fullback Jim Christman and halfbacks Bill Main and Vic DeCico.

All except Main are seniors. Russell noted that Skyline should be inexperienced like his own squad. Both teams were hurt by graduation losses.

## WC Festival Marathon Slated For Sunday AM

At least 50 runners are slated to start the 19th Walnut Festival Race Sunday morning starting at 9:30 a.m. Sunday, according to Race Chairman Andy McCone. The race covers a distance of 5.7 miles.

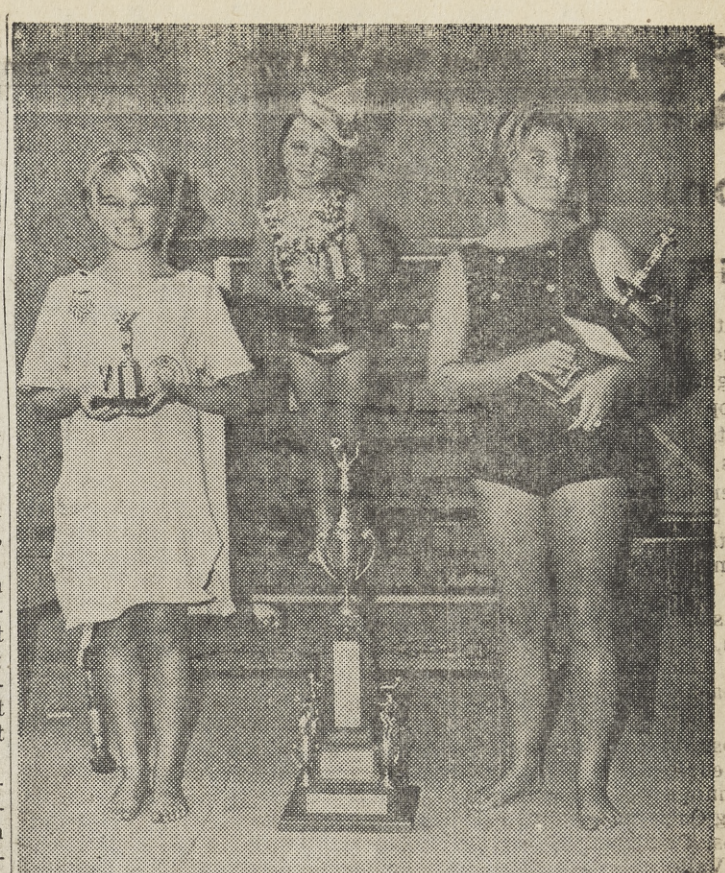

Sponsored by the Walnut Festival and sanctioned by Pacific Assn. AAU race is open to any registered amateur. No entry fee. Post entries accepted. All must have valid AAU cards. Report to Las Lomas high locker room for doctor's examination 8 a.m. Prizes are trophies to first, second and third, and medals to all others who finish.

Start and finish in front of Public Library. Race is run down Broadway to Civic to Ygnacio, to Walnut Boulevard, to Sierra and Walker, to Mt. Diablo and North Broadway — three laps.

Tom O'Riordan, SCVYV, in 1961 did 21 minutes 44 seconds. Last year Darryl Beardsall finished 28:21.

Officials will include: Referee, Ken Hallstone; starter Ray Krings; chief timer for 17th consecutive year, Thomas C. "Snort" Winstead; judges of finish, Joe Tracy and Harold Brillhart; chief scorer, Gerald Wells; assistant scorers, Mick Miramonte and Ray Edman; examining physician, Dr. Willard Carmel, Jr.; awarding of prizes, Ray S. Taylor and the Walnut Festival queen.

At press time 50 entries by mail were led by Marin AC with 18, including last year's winner Darryl Beardsall, his brother Alan, this year's Dipsea Race winner and their 50 year old

**TRIUMPHANT THREE**—Debbie Howell (left), Nancy Looney and Diane Howell display trophies won for solo performances in the Far Western Synchronized Swimming Championships at Danville last weekend. The Howell Swim Club was the winner in the senior team competition.

## Howell Swimmers Climax Year With Far West Win

Howell Synchronized Swim Club climaxed their season winning top team and individual honors in the Far Western Synchronized Swimming Championships conducted at Danville last weekend.

The Howell contingent won the senior team finals, amassing 95.8925 points. Athens Athletic Club entry was the second place finisher with 89.7475, and the Aquettes of Riverside third with 87.3386.

Highlight of the meet was the victory by Diane Howell in the senior solo division. Kim Welshons of Danville wearing the Athens Club colors was third in the event.

Debbie Howell won the solo competition in the 12 and under classification. Kris Welshons of Danville was second, and Gail Gardener was third.

The speed that thrills can be the speed that kills, warns the National Automobile Club. Slow down and be safe.

## John Muir Stamp To Be Issued In February '64

The new postage stamp commemorating John Muir—the Californian who became America's best known naturalist—will be issued at Martinez in February, 1964.

The post office has accepted a proposal made earlier this summer by Senator Clair Engle (D-Calif.), to make the Muir stamp a multi-color issue.

Senator Engle had suggested that multi-color printing be used on the five cent stamp "to properly represent California's natural beauty."

MULTI-COLOR printing will delay issuance until February, 1964. Post office officials had originally planned to issue the stamp in late 1963.

Muir, a hiking friend of Theodore Roosevelt, is responsible for the creation of Yosemite National Park.

As a result of his writing, the Department of Interior set aside lands in California to protect the Sequoia trees—the oldest living things in the nation.

Muir, a native of Scotland who spent most of his life in California, wrote poetry, essays and 10 books on the beauty of nature.

## McCunn's Case Due For A Nov. Court Hearing

Attorneys for both sides will hold a pre-trial conference next month in the case of Drummond J. McCunn who has a \$112,522 lawsuit on file against the Contra Costa County Junior College District.

McCunn, the district's deposed superintendent, is seeking recovery of his \$20,000-a-year salary for the three remaining years on his contract, auto expenses and the differential in retirement pay he would have received had the contract run its full length.

The examination of witnesses The case probably won't go to trial until next Spring. expected to testify at the trial has been completed by attorneys for both sides.

The district rejected McCunn's claim last December, contending, "The plaintiff failed to perform a substantial portion of the duties imposed upon him by said contract in a proper manner."

## Unified School Plan Gets One Year Extension

Contra Costa County has received a year's extension to develop a complete plan for the proposed unification of school districts.

A one year extension of the September 15th deadline was granted at a San Francisco meeting of the State Board of Education.

The School District Organization Committee for Unification had requested the extension on the basis that more time was needed for public hearings and for a more thorough plan to be developed.

## Three CCC RR-Crossings Get Flashing Signal OK

Installation of flashing light signals at three railroad-highway grade crossings before July 1, 1964, are the only recommendations by engineers of the California Public Utilities Commission for immediate major action after on-site surveys of all grade crossings in unincorporated areas of Contra Costa County.

It was recommended that flashing light signals be installed at three crossings in 1964-65 and at three more crossings in 1965-66.

SIXTY-THREE crossings were inspected by a survey team made up of commission engineers, representatives of the

county and of the Southern Pacific, Santa Fe and Sacramento Northern railroads.

The commission requested and received data from school districts showing what crossings were used by school buses.

County officials made vehicular traffic counts at the busiest crossings.

Recommended for flashing light signals by next July are the Hoffman Lane and Camino Diablo Road crossings of Southern Pacific main line tracks and the Fulton Shipyard Road crossing of Santa Fe tracks.

These now have no automatic

protection, only fixed crossing signs.

The two S.P. crossings are used by school buses.

Installation during 1964-65 of flashing light signals was recommended at Byron Hot Springs Road and Solano Way crossings of the Southern Pacific main line, and the Cowell Road crossing of Sacramento Northern tracks.

DURING 1965-66 it was recommended that flashing lights be installed at the Washington Avenue (Byron Highway) and Herdlyn Road crossings of the Southern Pacific main line and the Cypress Road (Knightsen - Oak-

ley Road) crossing of Santa Fe main line tracks.

Washington Avenue now has a wigwag signal.

Cypress Road has two wigwags.

Closing of Sunset Road and Edin Plain Road crossings over Santa Fe tracks also was recommended.

SHORTEST RAILROAD

One of the shortest railroads operating in the United States, according to the National Automobile Club, is the 2.3 mile Union Railroad that runs out of Union in Oregon.

## Vets Inaugurate New Methods In Education

Members of the Alameda-Contra Costa Veterinary Medical Association will inaugurate a new method in their professional education Wednesday evening, when they will hear a lecture by direct phone hook-up from East Lansing, Michigan.

DR. WADE O. Brinker, head of the department of surgery and medicine, College of Vet-

## THIRD SECTION ORINDA SUN FRIDAY, SEPTEMBER 20, 1963

inary Medicine, Michigan State University, will talk on "Treatment of fractures and dislocations in the region of the elbow joint in small animals."

Alameda-Contra Costa VMA members will be able to ask questions by phone as the talk progresses.

ACCORDING to Dr. Donald B. Martin, president of the veterinary group, "this marks a forward step in keeping abreast of veterinary medicine by presenting special techniques in use by the country's most skilled doctors of veterinary medicine."

## LEGAL NOTICE

ML 2715

24 On Tuesday September

On Tuesday, September 1963, at 2:00 o'clock p.m., on the steps of the Hall of Records on Court Street, between W and Main Streets, City of Monterey, County of Contra Costa, State of California, Armande Fouché and Harold Jenkins, Trustees under a certain Deed of Trust executed by M. R. U. INVESTMENT CORPORATION, a California corporation, by Joseph B. Morris, President, and Cora Morris, Secretary, Trustor to said Deed of Trust, and Armande Fouché and Harold Jenkins, Trustees, and TRANS-BANK FEDERAL SAVINGS & LOAN ASSOCIATION of San Francisco, Beneficiary, dated August 26, 1961, and recorded August 9, 1961, in Liber 3922, page 546 of Official Records, the office of the County Recorder of Contra Costa County, State of California, reference to which is hereby made, will sell at public auction, to the highest bidder for cash, for lawful money of the United States of America all payable at the time of sale the following described property situated in the County of ORINDA, County of Contra Costa, State of California, more particularly described as follows to-wit:

LOT 134, as shown on map of Tract No. 2470 (W. Fort Mesa Unit No. 2) filed March 26, 1955, in book 66 Maps, page 37, et seq., in the office of the County Recorder of Contra Costa County.

This property is also known as: LOT 134, Tract 2470, Orinda, California.

Said sale will be made without covenant or warranty regarding title, possession, or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in and by said Deed of Trust.

Notice of Breach of said obligation and election to sell the property was recorded in the office of the County Recorder, Contra Costa County, State of California, in Liber 4364 at Page 729 of Official Records on March 13, 1963 and by personal service upon the Trustor herein.

This Notice is given in compliance with a demand heretofore made on said Trustees by said Beneficiary.

Sun Home and Garden

Vegetables Go In Ground Now

It's one of the pleasures of California gardening that you can harvest vegetables in both summer and winter months—not to mention fall and spring.

When gardens in eastern and northern states are bedded down under snow, ours are yielding up delicious treats for our tables. Provided you plant them in time, that is.

To reap a winter harvest you must sow seeds and/or set out plants now.

SO VISIT your local California Association of Nurserymen member this week and see what's available for planting.

Peas, carrots, cauliflower, broccoli and brussels sprouts will thrive in the cooler growing season ahead.

You'll find some of these in C.A.N. nurseries already started in flats, and needing only to be transplanted into your vegetable garden at home. Broccoli, cauliflower, brussels sprouts and cabbage can be found this way. Later on in fall, some varieties of lettuce will also be available in flats.

VEGETABLES that you seed now for winter harvest include peas, spinach, carrots, radishes, beets, turnip and endive. These will germinate quickly since the soil is warm and be ready for harvest before you know it. Radishes, for instance come on so quickly that successive sowings are recommended at three week intervals.

There are two things you should take special care with in planting winter vegetable crops. Since they will be growing during the season of heavy rains, drainage become even more important than it does during summer.

And since all vegetables like sun, whether they grow in winter or summer, you must plant them in a spot which gets the maximum sunshine during winter's darker months.

THE QUESTION, as usual, is: "How many feet of each vegetable do I need for my family?" The following may help, but chances are you will tend to overplant anyway. Most of us always have radishes and carrots to give away when the time comes.

A family of four will generally find a 30 foot row of peas is sufficient. A 10 foot row of beets, turnips, endive and spinach should do. About 15 plants of both cauliflower and cabbage; 10 each of broccoli and brussels sprouts are all you need.

The latter four are vigorous growers and should be spaced about two feet apart. You'll find the spacing instructions on the seed packet with the others mentioned above.

Best way to work it with these is to sow more seed than you need, then hand thin the young plants until you have the spacing right.

## \$440,000 Low Bid OK'd BY Acalanes HS Trustees

Acalanes Union High School District trustees this week approved a low bid by Zuckerman Construction Company for the construction of new school units at Campolindo High.

The base bid was \$10,000 under estimate and below the cost of similar construction conducted by the district several years ago at Del Valle High.

A multi-use room auditorium-cafeteria and new show and class wing will cost \$440,000.

SUPERINTENDENT Parsons reported that a request for building a car wash opposite Acalanes High had again been denied by the County Board of

Supervisors; and that the district will receive a \$17,000 rebate over the next two years from the Sanitary District for the Rossmoor development next to Del Valle High School.

The Rossmoor project will share sewer installations put in several years ago by the district to serve Del Valle.

District enrollment reached an all-time high this fall as 5651 students, a growth of 470, showed a nine percent increase over last year.

Twenty-five more students than had been anticipated require the hiring of an additional teacher.

Enrollment breakdown by schools shows 1310 at Acalanes High; 392 at Campolindo; 1236 at Del Valle; 1359 at Las Lomas, and 1354 at Miramonte.

ON THE recommendation of the staff, the board directed that freshmen participating in the school athletic program will no longer have the option of taking a study hall instead of physical education period.

Speaking for the physical education instructors in the district, Acalanes teacher Charles Eaton explained, "The freshman year in physical education represents an important segment of the P.E. program and the start of individual physical fitness units taught in the district."

"Units in first aid, life saving, and health are a part of the ninth grade program."

Assistant Superintendent of Education Leland Russell observed that 90 to 95 per cent of the freshmen already have study hall assigned as a regular part of their seven-period day and an additional study hall does not seem essential in all cases.

TRUSTEES accepted 1963 building additions at Campolindo holding out \$10,000 in the last payment due contractors until finishing work is completed.

The district's architectural firm, Rockwell and Banwell, reported that new boys' locker room facilities at Las Lomas should be completed within two weeks and the new Acalanes High gym should be ready for school use by October 1.

The high school board met last week at Del Valle High School, taking time from its business session to participate in the swimming pool dedication for the new school plunge.

## Civil Service Exams To Be Given By Army

A Civil Service examination for engineering equipment operator with Army agencies in the San Francisco Bay Area has been announced by the Army and Air Force board of examiners.

These positions pay \$3.10 per hour and career appointments will be offered as vacancies occur.

APPLICANTS must have had one year of experience in the operation and minor maintenance of at least two kinds of gasoline or diesel powered construction equipment.

Complete information and application forms may be obtained from the Army and Air Force Board of U.S. Civil Service Examiners, 180 New Montgomery Street, Room 109, San Francisco 5, California, or the San Francisco Regional Office, California.

Applications will be accepted until further notice by the Army and Air Force Board of Examiners.

## Handicapped Child Needs Lift To School

By VAL VOLUNTEER  
We've been busy as bees... buzzing around for 'honey' for all the clubs, organizations and church groups in the area! The Volunteer Bureau has found 'honey'—in the way of projects for you.

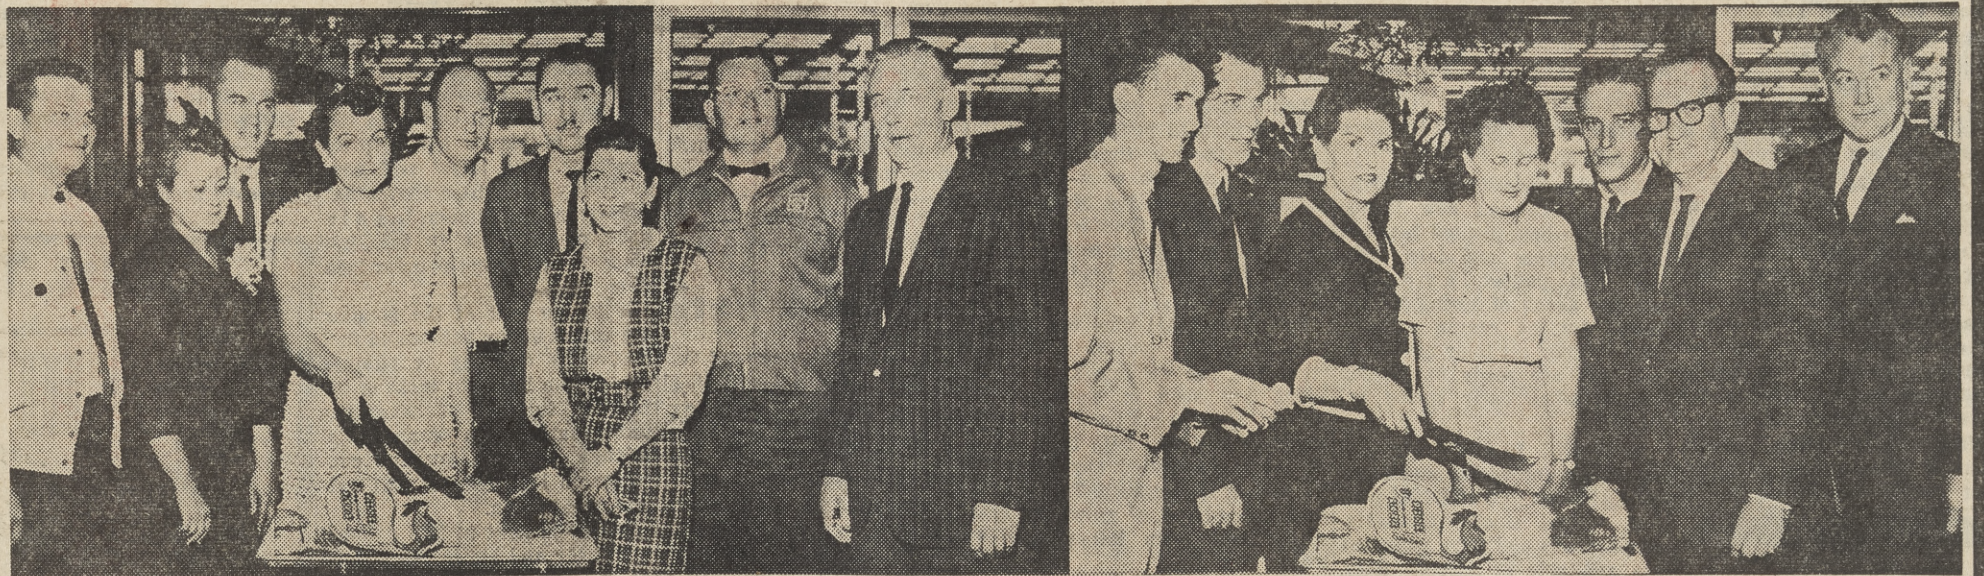

One such undertaking is providing daily transportation for an orthopedically handicapped child living in Gregory Gardens (Pleasant Hill), to a school in the same area.

The school district is providing the opportunity for classroom association. Won't you provide the means of getting this youngster to and from this new experience?

The child's class schedule is from 12:10 p.m. to 1:30 p.m.; you and your fellow club members can share the volunteer driving.

The place to register is the Volunteer Bureau, a United Crusade agency, at 2363 Boulevard Circle, Walnut Creek, 94642. We have many opportunities for both men and women in community sponsored projects!

## Acalanes Dist. Offers Stepped- Up Programs

Classes for accelerated students in fifth year courses in math, science, and foreign languages may be smaller than the usual classes operated in the district, according to Superintendent Nell M. Parsons.

The fifth year or accelerated senior courses were instituted to extend the learning opportunity of able students who enroll in ninth year high school courses during their intermediate school years.

"BY THE TIME this accelerated group works its way through the senior year of high school the number of students who maintain an intense interest in math or science may be reduced."

"We either run a small class at one school or transport limited numbers of students from one school to another campus that has a larger enrollment in this type of class."

Assistant Superintendent of Education, Leland Russell, reported that a small group of fifth year math students from Del Valle was being taken to Las Lomas for an advanced math course there.

BOARD MEMBER William Lee asked school officials if "some bright students were dropping accelerated courses to avoid the pressure of advanced classes and perhaps earn an easier college recommending grade in the regular program."

Russell stated that the district encourages a policy in which students in accelerated programs are graded in the normal A through F grading range used for all pupils.

"Able students in an accelerated course should be getting A's or B's in that course on our present grading standards," he explained.

Russell added that both the high school and elementary schools are improving the method of selecting pupils for accelerated courses.

## Key To Quick Growth Is Fall Plantings

At a time when gardeners across the nation are about to hibernate for the winter, the Californian is entering one of his busiest seasons. For fall is like a second spring in the Golden State when anything or everything can be planted.

Fall planting is one key to quick growth. The soil is still warm from summer's baking, so newly planted shrubs, trees and perennials are quick to send out new roots. They become established before winter weather cuts them short and are therefore ready to develop at maximum speed when winter once again turns to spring.

THE CALIFORNIA Association of Nurserymen suggests that almost everything in the

nursery can be planted in fall. The possible exceptions are citrus and other evergreen fruits, which are best planted in spring, and even these can go in in mild-winter areas of Southern California.

Your top priority for planting in early fall and new lawns. These are best planted between mid-September and late October. Fall planted lawns are months ahead of spring-planted lawns for the reason outlined above: They set their new roots now and are ready to develop rapidly when early spring arrives.

**BEDDING PLANTS** can still be set out for winter and early spring bloom. Calendulas, pansies, violas, stocks, cinerarias, snapdragons and fairy primroses are available in nursery flats. Their season of bloom will depend entirely on the nature of our fall. If warm weather carries into November, they will bloom by Christmas.

If winter comes early, you'll have to wait until spring for the best part of their bloom. August planting would have been bet-

ter, but don't hesitate to plant shorter days and cooler nights than now.

**PERENNIALS** of all manner—both the bedding varieties and those shrubby specimens which come in gallon cans—may be planted in fall. In fact, fall is far the best time to plant them. Check with your C.A.N. nursery about the list of perennials he offers. Consider anything and everything in the perennial line, for the field is full of surprises.

Fall is an ideal time to plant trees—both the evergreen varieties and the deciduous forms which are soon to lose their leaves. Here again in the few weeks of fall will help trees to get well established and ready for the big spring push. This can mean added feet of growth in a single year from fall-planted trees.

**SHRUBS** of every description may be planted now, also. Even roses, which are nearing their season's end may be set out from containers for some late color. Fuchsias are at the peak of their bloom, or should be, and may be planted for still a few more weeks of show before

them short.

Hedge plants are better started in fall than in spring. Privet, Boxwood, Pittosporum, English Laurel, Natal Plum, Bush Germander—you name your favorite in the hedge line and now's the time to plant it.

## Adults Needed For YMCA Work

More men and women are still needed to help with high school groups of Mt. Diablo YMCA. Alan M. Lindsay, program secretary, said yesterday.

Persons need not have previous experience but, rather, an interest in working with high school men and women. Hi-Y clubs for boys and Tri-Hi-Y for girls usually consist of from eight to 15 members and meet weekly. Their program is manifold to include educational topics, money-raising events, socials, trips and inter-club activities.

## Milk Drinking Is Still No. 1 In United States

It seems that the average American votes right along with the average American service man that when it comes to the election of his or her favorite beverage, the latest poll conducted by Uncle Sam shows that American servicemen again have placed milk in the first place as their most popular food item.

Now, we look at the popular beverages of our nation and find that milk drinking is number one on the list with most of us. Leading the list of beverages in the nation on a yearly basis, is milk, with an average consumption last year at 32.1 gallons per person.

Coffee is next at 28.3 gallons, with beer and ale in third place at 15.1 gallons. Fourth in line are the soft drinks, with 12.5 gallons ingested yearly, followed by tea at 6.8 gallons, distilled spirits at 1.4 gallons, and wine at nine-tenths of a gallon annually.

Source of information: 1963 Brewers Almanac.

## CCC Realty Bd. Members Finish Advanced Course

Three recent graduates of an advanced real estate course are Amy Gilzean, Bill Johnston and Bea Gibbs, all members of the Contra Costa Board of Realtors.

OFFERED BY the University Extension of the University of California, the eight semester course is designed to aid indi-

vidual brokers and salesmen in increasing their knowledge and standards of the real estate profession.

A certificate in real estate is awarded upon the successful completion of eight required courses—approximately 30 hours

of classroom instruction. COMMITTEE APPOINTMENTS William Anderson, owner of William F. Anderson, Realtor, and Richard Jarrett, salesman for the Mason-McDuffy Co., have been appointed to the California Real Estate Association's Equal Rights Committee.

# Teenagers Chalk Up Impressive Service Record

Almost 2400 hours of service was the impressive record rolled up by community-minded teenagers in two summer programs, according to Mrs. Robert Love of Lafayette, volunteer chairman of the Contra Costa County Mental Health Association.

The teen-agers were kept busy doing meaningful work at a special summer session of a demonstration class for 10 emotionally disturbed children held at the Pleasant Hill Elementary School and a weekly trip to Napa State Hospital.

THE EIGHT-WEEK long summer class involved total of 1355 hours with a pool of 20 teen-age boys and girls attending from once a week to five days a week.

They were trained and oriented into the class by the coordinator, Mrs. Elizabeth Backlund, of Concord, psychologist with the Mt. Diablo Unified School District.

Many of the teen-agers are members of the LRY of the Diablo Unitarian Church.

They were Kathy Leslie, Jan Twining, Linda Clipson, Leslie

MacDonald, Denise Tosh, Susan Cameron, Cynthia Thompson, Joan Pierson, Sarah Wilcox, Kathy Macnee, Charles Vargo, Dave Powelson, Roger Powelson, Bruce Powelson, Sylvia Burr, Nanci Valcke, Karen Lundgren, Donna Sheers, Liz Powelson, Kelley Wisner, Jim Kropa, Susan Feichtmeier, Stephen Franklin, Olie Dyer-Bennett, Marcia Deutsch, Sherry Odenthal, Joni Klapper, Cliff Owen, Lenny Bennett, Debby Herrin, Nancy Aldrich, Margaret MacLaine, Susan Moran, Terri Slater, Dwight Thompson, Paula Ayers, Susan Robinson, Sally Castle, Marcia Enzlin, Paula Dane, Psycke Zamora, Cynthia Verdugo, Laurie Verdugo and Alta Roberts.

THE NAPA teen-age visitation program for the second year was under the supervision of Mrs. Love.

The group was assigned to two geriatric wards with about 135 women and men on each ward.

The teen-agers did a variety of chores including writing letters, singing, leading song-fests, tak-

ing walks, cutting and arranging hairdos, etc.

A second group that went each

## Central Area Residents May Attend Classes

Persons in the Central County area yesterday were encouraged to register for Fall classes at the Berkeley Trade and Technical College.

Walter H. Miller, principal, said registration hours are 1 to 4 p.m. and 6:30 to 10 p.m. Monday through Friday.

UNDER THE newly organized program majors will be offered in electronics technology, mechanical drafting, architectural drafting, secretarial training, business data processing and related curricula for apprentices, including automotive mechanics, brickmasonry, carpentry, carpet-linoleum and soft tile laying, glazing, machinists, stationary engineering, structural ironworkers, and meat cutting.

Open to all Bay Area residents 18 years of age and older will be many classes in trades, technical subjects, industrial arts, and crafts.

Saturday were the Concord De Molay Boys who were assigned to ward, and they were supervised by Sidney Weinberg of Pittsburg.

The Antioch Unitarian Fellowship supported Weinberg with a fleet of adult drivers.

THE TEEN-AGERS were Psyche Zamora, Dale Merrill, Kim Milohan, Dave Halverstat, Mike McGuyer, Paul Phillips, Laurie Verdugo, Alta Roberts, Brenda Ray, Lita Bentley, Arthur Burkhard, Glen Edman, Paula Dane, Gail Streeter, Lynn Owings, Shelley Bakon, Mora Dunkel, Molly Longshore, Lei Elkinton, Leslie Macdonald, Denise Tosh, Susan Moran, Jo Ann Bertram, Laura Anderson, Dee Ann McBee, Marie Atwood, Sally Sproule, Susan Steffen, Linnea Love, Barbara Haggan, Melanie Bodhaine, Linda Sipes, Sandra Liggett, Marcia Graham, Bruce Spohn, Mark Spohn, Maralyn Mason, Robert Bortfield, Barbara Braly, Susan Cushman, Lorna McCalley, Carol Ebbett, Cathy Arams, Mitzi Peck, Susan Love, Stephen Smitman, Carolyn Bignami and Jacque Wilson.

The Volunteer Bureau of Contra Costa County recruited the teen-agers early in April as part of their summer program.

After applying to Mrs. Dorothy Spott Tarpey, executive director for the Volunteer Bureau,

## Vets Ask Questions

Q Who actually pays veterans or dependents getting compensation or pension checks, the VA or Treasury Department?

A Three Federal agencies join in the payment of compensation and pension checks, VA in its computer station at Hines, Illinois, certifies the amount of payment to be made. From this listing the Treasury Department issues the checks and turns them over in mass volume to the Post Office Department which delivers them.

Q Cannot veterans who hold the Korean GI insurance, called "RS" insurance, collect a cash dividend if they turn it in for "W" insurance?

A Yes, but only until September 13, 1963, when the dividend offer expires.

Q How many widows of Civil War veterans, either side, still draw pensions from the Federal Government?

A About 2000.

for a worthwhile summer project, the teen-ager was referred to Mrs. Love, Sidney Weinberg or Mrs. Estelle Girande, executive director of the Contra Costa Mental Health Association.

Each teenager was screened according to their interests and ability, according to Mrs. Love. "THE SUMMER experience also helped the teen-ager make decisions regarding future careers and interests."

"With even this large group of interested teen-agers we found a very high calibre of

community minded youngsters eager and willing to share their vacation with needy persons.

"We have only high praise for the Volunteer Bureau's program and the teen-agers referred to us."

The Napa State Hospital visitation program continues through the fall and winter months.

The next trip will be tomorrow. Also, a recruitment program will be started soon, Mrs. Love announced, for teen-agers

to help with the second Bargain Center for the rehabilitation program of the Contra Costa County Mental Health Association.

THE UNITED CRUSADE supported headquarters of the county-wide Mental Health Association is located at 2363 Boulevard Circle, Walnut Creek.

Teen-agers able and willing to help with the two Bargain Centers—one in Richmond and the second in Concord, as well as the Napa monthly trip are urged to call the Volunteer Bureau for signups at 934-0424.

## Realtors Now Teaching At Two Colleges

Currently teaching at Diablo Valley College and West Contra Costa Junior College are four members of the Contra Costa Board of Realtors.

Ray Henry, board president, announced that Charles Bailey, Carl Bryant, Al Ingalls and Ben Hamlin are instructing students at the two colleges.

Bailey, co-partner of Bailey and Ingalls, current regional vice president and a director of the California Real Estate Asso-

ciation, is teaching real estate principles at Diablo Valley College, where he has instructed for several years.

Bryant, educational chairman for the local board, is teaching real estate practice. Bryant has 13 years of real estate experience in selling, leasing, appraising and managing. He is owner of the Golden Triangle properties and Carl H. Bryant, Realtor.

Ingalls is instructing real estate practice at West Contra

Costa Junior College. He is a co-partner of Bailey and Ingalls, is a past president of the board and currently serving on the state-wide arbitration panel. Ingalls has instructed for the past six years.

Hamlin, owner of Hamlin Realty, Walnut Creek, is teaching real estate appraising at Diablo Valley College. The course is offered to students there for the first time in the history of the college.

He is a senior member of the American Society of Appraisers, noted as an author and lecturer.

## Asst. Superior Gen' To Attend Centennial Mass

Brother Charles Henry, F.S.C., Assistant Superior General of the Brothers of the Christian Schools, will attend the Saint Mary's College Centennial Mass of Thanksgiving Thursday.

BROTHER HENRY, who is coming from Rome for the major religious event of the college's centennial celebration, will represent the most honored Brother Superior General Nict Joseph, F.S.C.

Brother Henry is the assistant superior general for the seven U.S. provinces and the American missionary provinces of Africa, Central America, and the Philippines.

Representing the Christian Brothers of the West Coast will be Brother T. Jerome, F.S.C., Provincial of the Western Province.

PREACHER AT THE colorful outdoor ceremony, which will include an academic procession of faculty, regents, and trustees of the college, will be The Very Reverend Michael Walsh, S.J., president of Boston College. The Mass will begin at 10:45 a.m.

## Opera Star To Appear At St. Mary's

Soprano Jolanda Meneguzzi who will be starring in three roles with the San Francisco Opera this season will give a benefit performance at the annual Friends of the Renaissance reception at Saint Mary's College October 6.

THE RECEPTION, benefiting the endowment of a Chair of Italian at the college, has as its theme, "An Evening in the Mediterranean."

During the cocktail hour beginning at 5 p.m. in the chapel patio, entertainment will be provided by the Famous Bagnascos.

The buffet in Oliver Hall beginning at 6 p.m. will be followed by a selection of operatic arias by Miss Meneguzzi.

Returning for her second season with the San Francisco Opera, the young soprano will appear as Lisa in "La Sonnambula" by Bellini, Anne Ford in Verdi's "Falstaff," and in the Richard Strauss opera, "Capriccio."

The Friends of the Renaissance is an organization composed of patrons of Italian culture in the Bay Area, who have established as their goal the endowment of an Italian Chair at Saint Mary's.

Proceeds of the reception will benefit this cause.

TICKETS ARE available from the college at \$7.50 per person. Reception committee members are Mr. and Mrs. George Dini, Mr. and Mrs. Felix Chialvo, Mr. and Mrs. Anthony Bilotti and Remond Sabatte of Oakland; and The Honorable and Mrs. Lawrence Mana of San Francisco.

**Time to start piano!**

**Give him a  
WURLITZER**

for a lifetime adventure in music...

This is a milestone in his  
"growing up," this first expe-  
rience in the enchanted world  
of music.

There is no finer instrument  
for him than a Wurlitzer piano.  
Life-long, his Wurlitzer stays  
new in tone and playing quality.  
Fascinating care and expert  
craftsmanship build the Wurlitzer.  
More than a century of expe-  
rience in music is behind this  
matchless instrument.

Start your child—today—with  
a Wurlitzer Piano.

Select from more than 50  
styles and finishes—there's  
one exactly right for you.

### Free 99¢ 5x7 Inch Color Enlargement

Save \$10 worth of Thrifty photo envelopes, bring them in with your Kodacolor negative for enlargement in plastic mount.

## Seal Society President Talks At Reception

Dr. Charles L. Dimmler Jr., president of the California Society for Crippled Children and Adults (the Easter Seal Society), was principal speaker at the president's reception and installation of officers and board of directors of the Easter Seal Society for Crippled Children and Adults of Contra Costa County.

The affair was held at Mira Vista Country Club Tuesday evening with dinner following the president's reception.

DR. DIMMLER, an Oakland pediatrician, has served the Easter Seal Society for Crippled Children since 1949, when he accepted membership on the medical advisory committee of the Easter Seal Society for Crippled Children and Adults of Alameda County.

He was a member of the board of directors of the Alameda County Easter Seal Society from 1958 to 1961, and served as its president for two years.

As a member of the special study committee for the Alameda County Society, he assisted in formulating policies that resulted in the establishment of the modern therapy center now operated by the society.

While president of the Alameda County Society, he organized the Bay Area Easter Seal Societies Conference and served as its first chairman.

FOR THE PAST several years Dr. Dimmler has been a member of the advisory committee of the Bureau of Crippled Children's Services, State Department of Public Health, and serves on the Northern California Branch of the Academy of Pediatrics Committee on the Handicapped Child.

## Cast Entertains Music Teachers

Six members of the cast of "Ruddigore," the current Diablo Light Opera production, presented excerpts from the Gilbert and Sullivan operetta for the Music Teachers Association Tuesday when the teachers and associates gathered at Virginia Blair-Menges' home on Alpine Road in Walnut Creek.

Singing were the leading performers, Penny Tyler of Danville and David Acker of Pleasant Hill, also Jeanette Sahlin of Walnut Creek, Don Poulton of Oakland and Charles Dorsett and Norm Daneiko, both of Walnut Creek.

Hostess Mrs. Blair-Menges is stage director of the "Ruddigore" production and member of M.T.A.

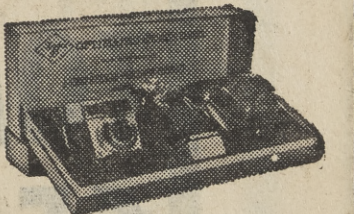

Champagne punch and coffee were served to the assembled members and guests.

Future meetings will be held the fourth Tuesday of every month in the Walnut Creek Public Library and will feature lectures and recitals by well-known musicians in the area.

Although the M.T.A. is largely made up of active music teachers in the county, there are associate and contributory memberships available for those interested in maintaining a high standard of music instruction. Inquiries would be welcomed by Madeleine Wittenberg, 934-0217, or Barbara Buck, 955-7115.

## 50 Area Boys, Girls Attend YMCA Conclave

More than 50 high school men and women representing more than 15 Hi-Y and Tri-Hi-Y clubs located in a number of communities as well as representatives of new groups recently convened for the second annual Hi-Y officers training conference at the Berkeley YMCA.

The meeting met with considerable success and featured Elmer Koble, general secretary of the Albany Branch, Berkeley YMCA, as keynote speaker.

General chairman was Bill Ashworth, president of the Hi-Y group in Orinda and a junior at Miramonte High School.

Others on the committee were Mark Winters and Tom Unruh of Orinda, Sue Mangini, Nina Bancroft, Anne Wihara, Carolyn Wihara and Janet Zepp of Walnut Creek, Cathy Cravens of Alamo and Don Korpi and Bill Lana of Pittsburg.

## DVC Board Gives English Instr. One-Year Leave

The governing board of the Contra Costa Junior College District has approved a one-year leave of absence for Robert H. Martincich, Diablo Valley College English instructor, to accept an appointment to the staff of the University of California's School of Education.

Martincich, a DVC faculty member since 1957, will serve the university as supervisor of junior college English teachers. He is the third DVC English instructor to be so honored within the last four years.

In 1957-58 Richard J. Worthen,

Concord, went to the university as a visiting lecturer and in 1961-62 James Gray resigned to accept an appointment as a professor-at-large.

Board Trustee Glenn L. Clementson, Richmond, described the request for Martincich's services as "very complimentary to both him and the junior college district."

Karl E. Schevill, acting head of teacher education at the university, said that Martincich had been "unanimously recommended by members of the teaching profession."

The many comments on his excellent reputation within his own school and within the larger community of the English teaching profession are significant indicators of his teaching competence.

Martincich holds a bachelor of arts degree in economics from the university, and a master of arts degree in philosophy from San Francisco State College.

He has served as president of the DVC Faculty Association, a member of the board of the Central California Council of Teachers of English, and as director of publications for the Association of Teachers of English.

He has served as president of the DVC Faculty Association, a member of the board of the Central California Council of Teachers of English, and as director of publications for the Association of Teachers of English.

**NOSEBLEED**  
A simple nosebleed from one nostril can sometimes be stopped by pressing that side of the nose gently. If the bleeding continues, you are better off if you

remain seated instead of lying down. Bend your head forward over a towel or a basin and blow your nose one or twice to clear it of accumulated blood. Do not keep on blowing or you may start up bleeding which would otherwise subside. A large piece of moist cotton can be inserted in the nostril to help check the bleeding.
